MIKE FOOS SAYS: RENEW

In a special interview with the Staff, Mike Foos reports that the two editors and the one business manager (he's tall enough for two) are very, very grateful for the continued support of their square dancing friends who have assisted in making PROMENADER a success. The three took time off from enjoying their recently received gifts from the Federation long enough to say a big "thank you". Lew has his shovel polished (for digging up news) Bill Harvey his sponge wet (for licking stamps) and Bill Bibler has the soda and ice cubes (for enjoying that gift) and Mike terminated the interview muttering something that sounded like: Renewsignupdon'twait!

OFF TO THE ORIENT

The evening of April 30, 1964 -- a reunion was held in the Blue Room of the International Airport Hotel in Los Angeles. We met many of the people who were taking the square dance tour as well as some of our friends who were on the European trip. Unfortunately, some were unable to make the Orient vacation this year. How wonderful to meet them again. It's surprising how perfect strangers can become good friends on a three week tour.

At 10 A.M. May 1st, 76 happy square dancers left Los Angeles by jet and landed in Tokyo, 12½ hours later.

Eleven days were spent in Japan visiting Tokyo, Nikko, Miyanosito, Kyoto, Kobe, Takamatsu and Osaka. We travelled by bus, train and once by steamer across the Inland Sea from Kobe to Takamatsu. We found the Japanese people to be very friendly and groups of children followed us about, requesting our autographs. We were greatly impressed by the 700 year old bronze image of the Great Buddah which stands 42' 6" high.

While in Tokyo, we had dinner at the famous Mikada Theatre Restaurant where we enjoyed a Geisha Show and a sukuyaki dinner served by the geisha girls.

We toured the countryside one day and saw the land being prepared for the planting of rice seedlings. We were thrilled by the grandeur of Mt. Fuji and will long remember our night's stay in a Japanese Inn where we removed our shoes before entering and slept on the floor. We even mastered the art of eating with chop sticks.

We can't imagine any group of dancers getting a greater reception than we received at our first dance given by the Japanese and American G.I. square dancers. As we entered the school, they formed two lines, zig-zagging around the room. We had to pass through the lines and after they greeted us, we danced to our callers and (believe it, or not) to a young Japanese lad who could not speak our language. He had purchased a record which he had memorized.

Reluctantly, we left the friendly Japanese people and headed for Bangkok, Singapore, Hong Kong, the Philippines and Honolulu. More about these exciting spots next month. See you then, we hope.

A WELCOME TO A NEW MEMBER...
BOOTS IN SLIPPERS

In May, 1963 fresh from graduation in the Country Twirlers' beginners class, George and Florence Germeroth and Don and Jean Newton thought that the community of Hilton should have its own square dance club.

They had noted interest on the part of some of their friends in learning to square dance "western style" so they got busy. First stop was the Parma Recreation Commission which has been their sponsor through the early stages of the group. They wrote letters, signed up and graduated the first class of 19 couples on Mar. 17, 1964 after 25 lessons. Bob Brunshidle was the instructor-caller for that first group.

Currently listing a membership of 31 couples, this club has George and Florence Germeroth as president, Clate and Jean Fiddler as vice-president; Don and Jean Newton as treasurer; Bob and Alice White as secretary. Under their leadership, the club sponsored six summer dances at the Manitou Beach Dance Pavilion. Prexy George reports that all six dances were very successful and the club was very pleased with the support of area dancers.

The dance schedule will be the first 3 Fridays of every month. Bob Brunshidle calling one and Bill Bartsch calling two.

In June, 1964, Boots in Slippers applied for membership in our Federation and acceptance was voted in the final business meeting of the season.

Let's tip our hats in welcome, we're glad to have you in the family!

FEDERATION DELEGATES CLOSE OUT THE
YEAR - ELECT OFFICERS TO CARRY ON

Final meeting of the year under the leadership of Jim Higgins as executive secretary was held on June 16, 1964.

Higgins announced that Lou and Lillian Stork had consented to act as co-chairman with the Dance-O-Rama chairman of '65, Don and Norma Weekes, to understudy the operation in order to serve as chairman in '66. The Storks were selected from a list of several candidates presented by member delegates at an earlier meeting.

A special committee of Charlie Tucker and Jim Shear presented a draft of a proposed amendment to the constitution pertaining to control of financial obligations incurred by federation committees. After discussion, it was moved to table the matter for the next board of delegates to ponder.

Higgins also presented a slate of candidates for the offices of Executive Secretary, Bill and Pepper Bibler of the Irondequoit Squares; Secretary, Dick and Mary Blind of Country Twirlers; Treasurer, Don and Dottie Clark of Genesee Dancers. No other nominations were made so the above were voted into office effective July 1, 1964.

A letter of application for membership from the Boots in Slippers Club of Hilton was read and voted upon favorably. This new admission to our Federation makes ten clubs total membership.

The Board of Delegates also voted to give a monetary gift to each of the three staff members of PROMENADER, Lew Dietz, Bill Harvey and Bill Bibler.

Higgins again expressed the thanks of all Rochester's square dancers to the 1964 Dance-O-Rama committee for a superb job. In addition, he thanked Secretary Lorene Phillips and Treasurer Al Fiege for their 100% efforts to make this closing season a successful one.

After a review of the financial matters of the Federation account and the PROMENADER account, Jim Shear introduced a popular motion that the meeting be adjourned and the fiscal year closed out with a cup of coffee. All were "Aye" in favor.

CLUB NEWS

EKC-O SQUARES

Welcome back from that warm, wild world of summertime square dancing. Seems like square dancers are also trailer campers; Carl and Gwen Presgrave, Larry and Ann Bartlett, Howard, Clara and Barbara Griffin and Chuck and Doris Rademaker-to name a few- piled up the miles with their trailers this summer.

Sept. 14th is our Open House dance, primarily to recruit new square dance addicts. Regular club dances commence Sept. 16th with Joe Reilly at the mike followed by Frank Mayerske on the 23rd and Jerry (Exploding Squares) Helt on the 30th. After that things get normal again and we welcome Jim McQuade (whom it is rumored will also call for Art Harris' TNT club in Buffalo) and Tom Trainor. We'll miss Art's tender mercies at EKC-O Squares this year--we envy the Belles 'n Beaus beginners.

Thanks for your support during our summer dances--the air conditioning was really great, wasn't it?

...Gerry 'n Chuck Prister

IRONDEQUOIT SQUARES

August 1 brought the Squares together for their annual Family Picnic. For many of us it was a welcome change of pace from backyard picnics, swim parties, etc., getting to dance and see our many friends again.

Much dancing filled our day with these amateur callers: John Welch, George Phillips, Jr., Brownie Johnston, Joe Brodner each taking a turn. The pro callers: Don Kennedy, Chuck Prister, Tom Trainor were on hand too. All were given trophies to attest to their skills.

We were happy to have guests from other Rochester clubs plus Batavia, and Buffalo.

Joan Mutter, age 17 months. (yes, months) danced with us for her very first tip.

Many thanks to Kay Welch and her committee for the "best" picnic so far.

During the summer, two of our club underwent surgery--Ruth Fitzgerald and Bob Snook. They are still on the "take it slow and easy prescription" so feel free to discuss their operations with them between tips.

Helen and Ernie Johnston enjoyed a trip West and a side trip to the National Convention.

Our first dance will be a mixer type for all club members and all others who are interested. Save this date--Saturday, September 12th, Pardee School, 8 till 11, NO ADMISSION CHARGE.

Chuck Prister is signed up to teach our beginners' class, starting on Sept. 19th at Laurelton School.

BOOTS 'N SLIPPERS

In spite of an occasional acoustical problem and overflowing toilets, a successful summer of fun and dancing was enjoyed at Manitou Beach, and the Boots 'n Slippers appreciate seeing so many members of different clubs present, and we welcome all dancers to our regular dances on Friday nights.

Five families spent square dance weekends at the Woodlands, Mass., the home of Gloria Rios. Several couples acquired their square duck badges while puddling in her pool. Fun loving, energetic Gloria rules her camps with a wise and firm hand, altho

her choice of bus drivers is sometimes questionable.

Three couples took in square dancing in New Hampshire, Maine and Canada.

We have missed one of our faithful couples at our last few dances, Herb and Gene Hitzke, who, we are happy to say are both well on the way to recovery from operations.

As of this date, the only thing Jane Laurer is "expecting" is to move into her new home. Sorry, Lill.

Our regular secretary, Alice and Bob White, are away on vacation, so are not responsible for the above.

...George Germeroth

LIMA GRAND SQUARES

Just to announce that there will be a beginners' class in Lima, starting some time in the Fall. Further particulars later on. Any one in the area interested in square dancing, call either Bruce Cope, Honeoye Falls 194J or Don Creager, Honeoye Falls 194M, for more information.

"Uncle Wait Wentworth" will be the guest caller at the Barn, East Bloomfield, on Saturday, Sept. 19th.

On October 2nd, we'll be back to the Lima Town Hall.

On October 9th, we are having a pot luck supper. Our caller says, "bring your dish and one to pass".

ROCHESTER ROLLAWAYS

A big thank you to the many dancers who attended our summer workshop. Although at times we may have resembled candidates for Duck badges, attendance was not affected,

and we hope our guests enjoyed themselves as much as we did. Guess it takes more than a dripping brow and giant mosquitos to discourage a square dancer!

Some of the figures we workshopped were: loop the loop, curl through, quarter wheel, spread the wheel, split circulate, ocean chain, and everybody chain. (My old grandpaw sez he thinks some of the new figures should be prevented instead of invented, but he don't really mean that. Actually, he likes 'em, especially ones like "everybody chain" where everybody keeps busy and it feels so good when it comes out all right.)

For many club members, vacationing and square dancing are synonymous. This summer, these Rollaways travelled afar to dance at: Boyne Mt.-Bruces, Pikes, Weekes, Youngs, Muenches; Toronto-Fitzgeralds, Harveys, Tuckers; Gloria Rios' Woodlands-Costiches, Dorises, Goulds, Guenthers, McKennas, Nitsches, Rogers, Smiths, Tuckers, Wildeys, Wiltons; Funstitute, West Point-the Hicks.

Be sure to notice Lu's ear rings--a memento of their dancing at the World's Fair.

This fall, a new program is being tried at Rollaways with two rounds being danced between tips, a plan becoming increasingly popular in other areas. Consequently, our square dancing will start at 8:30 instead of 9:00. Also, we'll be closing at 11:30 --good news for the pizza eaters! So, remember, on September 11th it's "square your sets at 8:30 sharp"!

...Norma Harvey

FIDDLE A ROUNDS

The Fiddle A Rounds proved that, much like the U.S. mail carriers, neither heat, nor humidity nor burning feet could keep these dancers from their appointed "rounds". It was a busy summer season reviewing old favorites, such as "Lingering Lovers", "Kon-Tiki" and "Kiss Waltz", and learning two new rounds, "Green Door" and "You Forgot to Remember".

Not only did we add more dances to our list, we also added four more couples to our club membership. We were pleased to welcome Agnes & Tom McGlynn, Doris & Chuck Rade-maker, Connie & Gordon Nitsch and Emily & John O'Connor, who formerly resided in Buffalo.

Well, that was the summer that was, and it was a good one. Nevertheless, we look forward to cool, comfortable dancing, the re- (Cont'd. On Next Page)

turn of many of our vacationing members and the enjoyment of a new season of round dancing.

GENESEE DANCERS

The lengthening shadows, the stillness, the soft haze of late summer are upon the land.

Square dancers, from Maine to California, are stirring from their summer siesta and flexing their muscles in anticipation of another year of dancing.

In Rochester, Genesee Dancers have followed many and various leads in their pursuit of happiness during this summer of 1964.

Don and Dottie Clark, Don and Lu Hicks, Harold and Hazel Conklin, Harold and Fran Abberger, Fred and Eleanor Hudson, Al Verdun and Charlotte Waterman spent a week in July at West Point. They thoroughly enjoyed themselves at this popular spot and put a bit of extra frosting on the cake by joining the square-dancing at the World's Fair.

Genesee Dancer's Beginners Class opens for business on Tuesday, Sept. 15 at the Barn on East Henrietta Rd.

Genesee Club dances, for the coming season, begin on Thursday, Sept. 10, at Cutler Union. Let's all show our enthusiasm by getting out for the first dance.

A few of our members we're sorry to say, have not been having the "best of all possible summers" by any means. Ruth Dietz was a medical patient at Genesee Hospital in the early part of the summer. We are happy to report that she is improving and will be with us in September to help launch the dancing season.

Unfortunately, we may have to wait a few weeks for Helen Principe and Doris McConnell to join us. At this writing, Helen is in Highland Hospital and Doris is at Northside. No doubt by the time you read this they will both be back home and on the way to recovery.

...Hazel Root

COUNTRY TWIRLERS

We hope everyone had a good summer and is ready to start dancing again. Some of our members have been dancing throughout the warm days. We are looking forward to talking to the ones who have been on long trips such as the Blinds, Podgers and E. Balsam. Also we would like to see the members who were on the sick list this past year at our dances again.

Our week-end of camping in June was enjoyed by all who attended. Let's see ALL the members at our first dance which is an open one on Sept. 12 with Bill Bartsch calling. This dance is for prospective members, so let's make them feel welcome.

Please keep this date in mind...Thurs., Sept. 17, at Gates-Chili High School, 910 Wegman Rd. from 8:30 til 11. The caller will be the popular Joe Lewis from Dallas, Texas. This National caller has many other talents besides being a caller, and it is for sure he will show us a few of them. The space for dancing is large, so bring your friends and have an evening of fun.

...Dot & Don Goldstein

BELLES 'N BEAUS

Well, another summer has almost passed and the Taylors bettered their last summers dancing record (0) by one dance. We attended an Earl Johnston dance in Springfield, Mass. with former "Belle" Kae Didier Nay and her husband Paul. The dance was just grand. It was held in a plush ballroom adjacent to an amusement park. The floor was full and Earl called at a fast, fairly high level.

I walked back from downtown to Kodak Office recently with Chuck Prister whom many of you B & B know, and he forgets more about square dancing every day than I'll ever know.

Don't neglect to round up new prospects for our beginners class commencing Sept. 16. Charlie Kunz and Bob Werner have application blanks.

Sharlyn and I are looking forward to seeing you all again soon. I'm needing news for this column so don't be bashful. I'll get you talked about in the nicest way possible.

...Ed Taylor

SWINGING EIGHTS

Colorado seemed to be a popular place for Swingin' 8's to dance this summer--too bad they weren't all there at the same time to have a "family reunion".

The Dawsons found that they just couldn't schedule enough time to take in all the dances they would like to go to; the Jenkins went out with a bunch of star gazers including the Fitzgeralds of the Irondequoit Squares and the Rollaways and the Clarks flew out on business (nice business) and danced at Boulder and Estes with Vaughan Parrish and Frankie Lane.

Ione Dawson had cautioned us not to get all duded up to dance out there as they had felt self conscious in their western wear--and watch out for the altitude, tremendous if you are not used to it.

The Prados, seen over at the Barn one night in E. Bloomfield, said that they had been to West Point dancing this summer and we also learned that Bill and Doris Wolf and the Wileys danced at the World's Fair in New York.

Our Beginners group starts Sept. 15, with an open dance. We persuaded "Tink" to work again with the beginners as he does a specially good job getting folks started. The dance will be held at Hosea Rogers School. The calling will be simple enough so all can dance and enjoy the fun. The regular Beginners class meets Tuesday evenings at the same school and there will be 30 lessons this year.

Our first Club dance with Bill Bartsch is Sept. 5 at Hosea Rogers starting at 8 P.M. Hope you've all had a busy but restful summer and are all wound up for another season of square dance fun.

QUICKIE WORKSHOP

Divide and Pair

In a double pass thru position, the center four dancers each turn their back on their partner, take inside hands with person beside them and face out. At the same time, the rear couples separate, walk diagonally forward, crossing in front of couple facing out. They pass right shoulders with the moving person and then turn to face in, sending in an eight chain thru position.
