SHOW STOPPERS

The Square and Round Dance exhibitions put on recently at the Travel and Vacation at the War Memorial were a huge success as evidenced in the following letter sent to the Square and Round dancing clubs of Rochester.

"Dear Mr. Jeffery:
On behalf of the 1969 Rochester Travel and Vacation Show, we would like to thank you and your fellow dancers for your fine performances. They were enjoyed by all. Again, we thank you, and perhaps we shall have cause to do business at some time in the future. Kindest regards.
Henry Schulz, Show Manager"

Alice and I most sincerely thank each club, and especially the couples that participated, for their wonderful cooperation. The blue rug left something to be desired, but as they say, "Keep Smiling" and we did.
.....Ed and Alice Jeffery, Comm. Chairman

Now that you have read last month's article on "Calories vs. Figures", I've noticed everybody is starting to lose weight. Except caller Art Harris, and he's got a skinny mouth and thin teeth. He should start dancing.

Remember dancing is reducing but watch out for stress and strain. These two cause tension and nervousness. If you're nervous, you will eat and get fat again. Stress and strain. Especially in round dancing. Here is an example of a couple doing their thing:

Fran: Let us dance this round.
Hal: I forgot how it starts. What dance is this?
Fran: What a memory, like an elephant, a dead one.
Hal: Whose turn is it to lead?
Fran: You can lead if you promise to take short steps.
Hal: Last time I took short steps I stepped on myself.
Fran: You going to try this one no hands? Get your hands out of your pockets.
Hal: I'm getting my balance, putting equal amount of coins in each pocket.
Fran: Oh, let's dance.
Hal: You're two beats behind.
Fran: If you would only lose a little, I wouldn't have so far to go around.
Hal: Well, pardon me, Twiggy.
Fran: You just stepped on my knee.
Hal: You're leading again.
Fran: Smile, everyone is looking at us.
Hal: Well, they won't learn anything.
Fran: They will learn what not to do.
Hal: I think I just stressed and strained myself.
Pass me a boloney sandwich.
Thanks anyway, Hal Abberger

CLUB

NEWS

Batavia Twirlers

Dancing at Batavia probably reached the climax for the year on Feb. 1st. Twenty squares braved winters challenge to enjoy a warm wild evening on the floor. A big ingredient was the group of guests present from Genesee Dancers, the honored club, from the Federation clubs and from the Village Squares of Buffalo. The latter group have danced with Larry Dunn for some years and it seems he passed along the word about how enjoyable dancing at Batavia can be.

Incidentally, if you wonder where Larry has been hiding his talent all this time - it's been divided between the said Village Squares, a youthful adult group including many "singles" and the Shirts and Skirts, all single teenagers. Now we dig why his beat swings.

We will be enjoying the company of guests from Country Twirlers in the near future. Guest callers are expected, too. Joe Reilly at the St. Pats dance, and Bud Redmond on April 19th...We thank another caller, Bruce Shaw, for a great show at the Vacation and Travel affair at Memorial Auditorium. We are joined in this by the Fendleys, Prices (Horace and Ellen), Tufts, Wolcotts and Maines who demonstrated our thing with our friends from Irondequoit Squares.

Among the missing are the "Goodmans" who trailered to the South. It is rumored they may stay. The Nortons are on the way to California but promise to return.

The Palmers have been working with the Dance-O-Rama Committee. Tickets will be handled by Leo Parsons who will be graduating his first class just in time for this big "coming-out party". Leo and those twenty four couples have come a long way since they got together last fall.
.....Norm and Vi Huth

Belles 'n Beaus

We Belles 'n Beaus are enjoying the spaciousness of our new location - Greece Olympia High.

The transition of power went smoothly and the club is now guided by John and Marion Butler, presidents; Ed and Ruth Hasman, Vice Presidents; Don and Mary Waterman, Secretaries; Jerald and Louise Flynn, Treasurers. Planning club activities are Directors Howard and Evelyn Hillengas and Ray and Jane Ross. Representatives to the Rochester Area Federation are Ed and Doris Haddleton and Frank and Katie Heindl.

We are looking forward to Charleine Bitter dancing with us again. She is recovering from a recent stay in Brockport Hospital...Ed and Doris Haddleton took a nine-day trip to Japan to visit their daughter Ginny and her family. Included were stops in Hawaii, Wake Island and Okinawa. Doris was thrilled with the breathtaking view from Mt. Fiji but Ed - he still smiles when he thinks of those wonderful Hatsu baths!.....John & Bernice Moylan vacationed in Florida and danced with Harold and Florence McKeever. We must interview John for a "special" about the big one that got away!

We are sorry to report that Peggy Huss has suffered a broken wrist. We wish her a speedy recovery.....A number of our club members have been enjoying themselves on the ski slopes. The Doyles, MacLatches, Howes and Herrons spent a weekend skiing and square dancing at

Alleghaney State Park. The Maurinus, Doyles and MacLatches spent a week at Jay Peak in Vermont.
.....George and Dolores Wentis

Boots 'n Slippers

We want to thank Bill and Helen Steimnetz for the job they did in bringing you the news. Especially during the time he was down sick...We are looking forward to Mo Howard on March 7. March 14 is Teen night - .50 each. Hope to see a lot of Teeny Boppers there.... Howie and Dottie DeGrave are teaching area rounds from 8:00 - 8:30 P.M., the first (3) Fridays of the month.. ..We are sorry the Wells didn't get to Nebraska for Christmas, due to the flu. Glad to see Bea and Bob Holmes back again. I sure hope nothing else happens, Bob! Watch out for Mary Lou Sweeney guys, when she starts hearing those calls.

Seems about six couples with Jerry Carmen calling put on a little demonstration at the Rochester Travel and Vacation Show, also about four couples went up to the State Hospital to dance, with Jerry calling. A good time was had by our club at Friendship Squares and Swingin' Eights.....We hear our Mike Callahan is going to Germany instead of Viet Nam. Good luck Mike wherever you are.

March 21st is our Graduation, everyone let's make it a big nite for them.....It seems the Tuckers were getting a few lessons from one of our members. How about it Gleny's?....Get your Red Hot Dance-O-Rama tickets from Aub and Ella Reger. It seems the Regers, with some very close neighbors, went up to Hamburg and dropped in on Joe Reilly's class. Had a very good time. Did you ever dance in high heels? Ask Ella.

Congratulations to all Birthdays and Anniversaries in the month of March and first part of June. Also to the new grandparents Will and Bea Justice....Remember, NO DANCE on April 4th. (Good Friday). Happy Dancing.
.....Dean and Terry Harris

Country Twirlers

Our congratulations go to Anne and Paul O'Connell, who recently spent a few days in Puerto Rico celebrating their 23rd "honeymoon", and to Charlie and Dorothy Lewis who celebrated their 31st wedding anniversary. Nile and Mabel Hess have been enjoying the sun in Arizona.

On January 21, nine couples gave a demonstration of round and square dancing at the Presbyterian Home. It was a new experience for most of us to dance on a carpet --and indeed it was shocking to say the least!!! Many thanks to Jerry Carmen, who did a fine job of calling.. ..We were delighted to have an enthusiastic crowd (22 couples) of Genesee Dancers as our guests on January 25. It was a gala evening of lively dancing.

A salute to all the clubs and members for a splendid job done in the promotion of Square Dancing at the Travel and Home Show.....On February 8, how many dancers noticed a badge in the shape of a red apple? Welcome Wayne Westerners of Marion, New York!!! Come visit us again...Does anyone have a pair of suspenders that could be loaned to Fred Boeff? Seems he had quite

a problem with his Grand Right & Left the other evening. How 'bout that Fred???

All class and club members were saddened by the passing of Dick Pillard. Our sympathy is extended to his family.A round of applause goes to Edith and Ev. Parr for a fine job of journalism during the past year. Dave & Arlene Plummer

EKC-O Squares

"DID YOU EVER SEE A DREAM DANCING?" Well, you will by the time the Tuckers get through with us!! Perkie and Charlie are conducting a half hour of round dance instruction before our regular dance. It is so fascinating (and instructive!) even the old time round dancers are participating! We have - like a MOB SCENE - every week! and when graceful Perkie gives a demonstration of an ungraceful, stiff-legged dancer - we all crack up!!..... Who ever said "Old Presidents never die, they just fade away!" didn't know ours! Larry Bartlett designed, produced and presented to the Club, a very intricate, combined cabinet and table to house our square dance equipment, (record player, speakers, etc.) a truly fabulous piece of work! That's the stuff Presidents are made of!!

An Inner City School P.T.A. meeting was the scene of a square dance exhibition. The Wuests, Sanders, Solomons, and the Spiegels danced. Bruce Shaw called - and he very soon had all the guests in such a relaxed mood - they joined in the dancing, too. Also, one and a half squares each of Ekc-o's and Lima Squares danced at the Sport Show at the War Memorial. Don Stumbo called - and they had a ball! Square dancers do get around..... Ken Anderson couldn't get "thru" on the Thruway for our Feb. 5th dance. Don Stumbo came to the rescue, for the "show must go on!". We all had such a good time - Don said it was better than "revenoo'in!" Thanks, Don, for saving the evening for us! Ken thanks to you, too!!!

There's a baseball "Hall of Fame" and a movie "Hall of Fame," so we have created a "Picnic Maker's Hall of Fame" and we nominate Margaret and Joe Zilinski for membership! They sure deserve it!!!

DANCE-O-RAMA TIME, EVERYBODY!!!! GET YOUR TICKETS EARLY NOT TO AVOID THE CROWD - BUT TO JOIN THEM!!!! See ya' there!

.....Mae and Harry Malley

Fiddle A Rounds

Welcome me, Mary Prado, the reporter for 1969, and thank you to Dorothy Riesenberger for a good job done in 1968.

The Irv Browns traveled to Erie, Pa. on Feb. 9 to dance to Sam Mitchell, Ralph Pavlic, and Jim McQuade..... ...The Tuckers, DeGraves, Whiteheads in York, Pa. for a dancing week-end from Feb. 14 to 16th.....The Riesenbergers, Browns, Costichs, Weekes, and us, the Prados, danced to Charlie's cues at the Travel Show at the War Memorial on Feb. 1st.

Our new dance for February was "Bicycle Waltz", and most of us looked like we never rode one. It took some work to get with it. The Fiddle-A-Rounds will dance from 8 to 10:30 P.M. as of Feb. 10th. Please note time change.

.....Mary Prado

Genesee Dancers

Here we are at the old drawing board to see if we can come up with something good. It's hard to dance and keep your ear to the ground at the same time but we've

managed to pick up a little news here and there.....Did you know that Ruth Niblack is still waiting for her Christmas present? It doesn't seem like Al to be remiss in that department, but perhaps his problem is how he should gift wrap a new sewer.

Alice and Ed Jeffery have announced the engagement of their daughter Eileen to Thomas Winfree. He is serving with the Army in Frankfurt, Germany. No date has been set for the wedding; he has eighteen more months to serve but if Uncle Sam cooperates in the furlough department they plan on being married so Eileen can spend some time in Germany with him.....Meg and Tom Upson, of last year's class, have a new daughter, Alison Mary. She was born February 4th. Congratulations. We understand that you plan on resuming dancing in the near future and will look forward to seeing you.

A Bon Voyage to Bill and Doris Lieber who left on Feb. 6th for a two weeks cruise of the Caribbean on the Bremen. By the time this hits the news stands, they will be back, tanned and rested.....Ruth Dietz is usually a good lively swinger but did you notice the night she was so cautious? Don't worry about her back, she was forgetful when she dressed and wasn't taking chances.

Ron Schneider called a wonderful dance for us on January 30th and it was like Old Home Week. We had 47 guest couples and it was good to see so many familiar faces.

Many thanks to the Lima Grand Squares, Country Twirlers, Batavia Twirlers and Geneva Friendship Squares for guesting us during the past few weeks.

Geneva Friendship Sqs.

We want to welcome two new members to Geneva Friendship Squares. They are Dan Crum and Nadine Cady. We want also to welcome Bob & Rose Ann Wagner and Frank & Shirley Torrey back after an extended absence. We hope to see them a lot from now on.

Caroline Neeb has returned to the hospital. She is continuing to have serious back trouble. Paula Oliver and LaRita Hackler both had babies in January. We hope to have the Olivers and Hacklers back dancing with us soon.

Dance-o-Rama tickets are on sale at Geneva. Our ticket manager is Sandy Katz. The Federation set a sales deadline of March 21st. At that time all money and unsold tickets must be turned in. Our club only dances once between now and the 21st of March, so take advantage of this opportunity to buy a ticket.

On Feb. 7th we had guests from the Genesee Dancers and also from Penn Yan Friendship Squares and the Auburn Coyuga Cut-Ups. The Penn Yan and Auburn dancers were members of our new round dance class and came out to test their new found skills. We want to invite them all to come and dance with us again.

Friendship Sqs.

The past month has been eventful. Our pot luck supper on February 8 was very successful. PennYan and Geneva Friendship Squares came up and brought their good cooking. We had a very nice selection of delicious food. The dance afterwards was a lot of fun and we had a good turn out. The class had a great time at their Valentine party with the usual games and food.

Unfortunately there has been some unhappy news. Charles Coker died suddenly on Monday, January 20, and the sympathy of the club is extended to Marla. Also, Alton and Phyllis Foster's son was in the hospital for surgery, but he is home now.

Our graduation will be March 22 at the town hall. Come out and watch the fun.

These sunny days make one think "All's right with the World" and we're happy to see Bob and Millie Scott back and know that Larry and Nancy Melrose have their daughter on the mend. The Kreuzer's daughter is improving and should be home from the hospital soon and we hope to see Alice and Gil back dancing before long. Best wishes to Dick & Ruth Morrill on their coming blessed event.

Two shiny new blue cars and no square dance flags flying - get with it, Jim and Mary Alice Brooks and Ted and Ruth Phillips.....Our congratulations to Brownie Johnston on his recent engagement. Ernie and Helen are justly proud and also busy themselves weekends at their newly acquired farm.....Hawaii, here they come! Bud and Fran Macomber are off this month with Al Brundage's group for 16 days. Clive and Carole Bubb will combine business with pleasure for a few days in New York City.

A letter from Bob Hendel, who has been in the Coast Guard almost 3 years, appeared in December Round Dancer magazine. He is active in his dancing since his return from Saipan and should be back home with us next year... ..Some of the class are making "idiots" of themselves.

The Atwaters, Hutchings, Bernie Wacenskies & Donald Wacenskies awoke Bruce Shaw at 2:45 a.m. to earn this coveted badge. Eva and Ray Seymour celebrated 29 years of wedded bliss and Anne Giannavola's son, Charles Bonora, marched down the aisle on February 15th.

Graduation of our new class will be the 15th at Pardee School; Bill Ryan will be calling for us on the 22nd, and on the 29th we join Swinging Eights at Rogers School.....We are sincerely grateful and happy to have the Tuckers cueing our rounds.

Lima Grand Sqs.

Whew! What a busy month! Entertaining and getting club activities started. In spite of much sickness, attendance has been good. Theresa Schessl had had surgery but is home and on the mend. Pat Creager has been very ill with flu and pneumonia.

Genesee Dancers were guests on January 17. Don Duffin came as our guest caller and Don Stumbo went to Hilton as their guest caller. On this night 4 dancers joined our club, Marily and Ralph Herke, formerly from Friendship, N. Y., and Tom and Elva Dawson, residents of Canandaigua. Also, on Jan. 17, as our president, Charlie Bush, made his announcements, he called Helen and Jerry Bischooping to the stage and presented Helen with a "Stork Badge." We understand there is a prospective dancer expected in their household.

The Beginners class joined us on Jan. 31, also guests from Corning, Marion, EKC-O Squares and Boots and Slippers, to enjoy a buffet supper. Kall and Barney Croft, Harry and Mary Preposki from Corning and Rita and Bernie Hayward from Mumford joined our club that night.

Lima joined with ECK-O Squares on Saturday, Feb. 1, to put on an exhibition dance for the Travel and Vacation Show. Those who represented Lima were Rita and Lou Lambert, Howard and Vangie Eddy, Charles and Margaret Klee, June and Bruce Cope, Charles and Gwen Bush and Bill and Theresa Ernst.....Eight couples from Lima went to Watkins Glen on February 2 to a benefit dance for a family of Western Dancers, who lost their home by fire. \$500.00 was given to them from the dancers. Six callers and 125 couples donated.

There will be NO DANCE on March 7 but we will go to Hilton to dance with their club. Our beginners joined us at our Valentine dance and will meet with us on Friday nights, continuing until they graduate in March.

Rochester Rollaways

The Rollaways nominating committee has been named and is already hard at work. The Fitzgeralds, Pikes and Doris's make up that fine panel.

Rollaways demonstrated square dancing at the Vacation and Travel Show at the War Memorial in late January. Local caller Jerry Carmen was at the Mike and Don and Leah Huot, Ralph and Georgia Guenther, Lou and Lil Stork, Bruce and Dorothy Watson, Chick and Sue Wolfe, and Carl and Anita Warschkow danced along with a set and half of Friendship Squares.

Out-of-town members Doris Sixt and Pat Scharder recovered from recent illnesses and were as perky as ever dancing to Stu Robertson.

Through this dance year Bill Fitzgerald has been

photographing all Rollaway member couples. Each week he manages to corner another couple or two. The determining factor as to whether a couple is "ready" seems to be how recently the Taw has been to her hairdresser.

Bill and Ruth Fitzgerald are going to take a little time off from dancing, nominating and picture-taking to go to Puerto Rico in late February. Earl and Verna Pike take off for Florida in late March. I suppose they'll all come back looking disgustingly healthy. We hope they do enjoy fine weather.

Monica & Herb Seitz, fine dancers and promoters from Buffalo put on a workshop-pot luck dinner-evening dance with Duane Williams calling in late February. The list of Rollaways attending that affair is a long one so I'll leave off first names. Betlems, Fitzgeralds (stars of this months' column), Huots, Andy Kelly and Carol Amstberg (they must be special), Sixts, Woods, Weekes & Deckers attended and had a ball. That Deuce is some caller.

Our club danced to Ron Schneider for the eighth straight year last month. That man has everything, beautiful voice, timing and material. We hope he continues to visit us for at least another eight years.

Swingin' Eights

The Travel Show attracted Mike and Mary Prado twice and two full sets joined by Twirl A Rounds to dance to Tom Trainor. What happened Mike? It seems to be a deep secret! Traveling between clubs is very popular this season too. We enjoyed good representations from Boots and Slippers, Triggers and EKCO Squares. Now we look

forward to guests from Belles and Beaus March first and from Friendship Squares and Lima Grand Squares on March 15th. It has been fun traveling to dance with Genesee Dancers, Triggers, Country Twirlers and Friendship Squares. It is well to get to know all Rochester Square Dancers.

Speaking of traveling, Fran and Bud Macomber get the prize for distance. Having settled their daughter back home with their grandchild after shipping her husband out to Spain with the Navy, they are about to leave for Hawaii on the Al Brundage United Squares Workshop/Vacation March 15-30. Just back from Florida Iva and Gordon Allen departed for New York City. The Slim Kreuters and Ir. Browns attended the Winter Carnival in Erie, Pa., and now the Kreuters are leaving for St. Petersburg, Florida. Ann and Dick Leicht have been too busy getting their son married to think of traveling.... Marilyn and Tom Trainor are wearing new badges - "Overseas Dancers - Tokyo, Japan" which they just received although they earned them way back in 1958-60 while dancing with the Green Park Promenaders during the time Tom was stationed there with the Air Force. This does not seem to impress their son very much, however, as when asked one evening recently where his Father was, he replied "Oh, he's out polluting the air again". Never mind, Tom, we like that kind of pollution.

Triggers

Happy birthday! Happy anniversary! Sharing both of the above on January 28th were Jake and Dee Koch - their anniversary and his birthday; Henry and Helen Allen - another anniversary; Lila Pierce - another birthday.... Sharing birthday celebrations on Feb. 4th for Feb. 7th were Peg Huss, Mabel Wordingham, and Don Aman. A cake was shared by all on each of these evenings.

On Wed., Feb. 5th, Peg Huss fell on a wet and slippery store entrance at Southtown and will be wearing a cast on her broken right wrist for about six weeks..... Fifteen of our couples were guests of the Swingin' 8's on Feb. 1st. They had a wonderful time dancing and enjoyed meeting new as well as old friends. We thank the Swingin' 8's for their hospitality.....For "challenge" dancing try "squaring-up" on a carpet for a demonstration at the War Memorial. Some of our members did just that on Feb. 2nd.

In order to avoid that naked little kid with the dangerous arrows we celebrated Valentine's Day on Feb. 11th. As far as I know, no one was struck by any arrows, but everyone had a good time.....Betty and Charlie Podgers invited us to a splash party on Feb. 22nd. We have enjoyed their hospitality before, and the word was spread that this was a very special event. Thank you again, Betty and Charlie, for sharing your friendship and your facilities with us.

Dee Koch had a square dancing display in the Library window at Hilton for several weeks. We hope some of the "readers" will become "dancers" as a result of it.... Our new Beginners' Class now has 18 couples. Any help you can give them, Triggers, would be appreciated... Just a reminder: Please check this month's calendar carefully for news of our meetings and invitations.

Twirl A Rounds

Yippee! Guess what's just around the corner? Spring!! What do I think of when spring is near? - First off, I look for birds on wing from the south, the nearing of

winter clothes in moth balls! Ah! Housecleaning! Ugh! ---Shedding that electric blanket! Brrr. Dance-O-Rama, can almost hear the sewing machines a-humming, as beautiful dresses are in the making to don on April 12th. Any-one wishing tickets see Jack Low.

This winter most of us were plagued with the "Hong Kong Flu bug". Now we are being plagued with another kind of "bug" which I wouldn't mind catching one of. The Falls have one called a "Fiat convertible", no less, and the DeGraves have a new Datsun pickup.....Some of our members are on the go again. Agnes and Jack Low enjoyed a trip to Nassau in February. Dot and Howie DeGraves went to Round A Cade in Penn. Several of our couples participated in the exhibition at the Travel Show held at the War Memorial. They were Shaws, Desingers, Falls, Copes, Copelands, DeGraves and Dolans. Many thanks for your support.

If you happen to find a man's rubber stuck in the mud, contact Gordon Copeland, Seems he lost one and is traveling around these days with only one; results - one wet foot. Doubt if he will have funds enough to get a pair for a while if Will Justice fulfills Sylvia's valentine order.....Speaking of foot wear, guess George Betlem better put some tape on his "hush puppies". Boy did he fall for me at one of the dances.....They say all the "honest" men are born in February. There's Lincoln, Washington, and "The Jolly Green Giant", Dick Laurer. Do you believe that?

Hats off to Ed and Alice Jeffery and all the participating clubs for the excellent job done at the Travel and Vacation Show.

We understand that the "Abbergers", at the drop of a fifty cent piece, will be most happy to help new dancers over the rough spots of round dancing.

18th NATIONAL SQUARE DANCE CONVENTION**

SEATTLE, WASHINGTON -- JUNE 26, 27, 28, 1969

"Seattle is fine for '69". It's well on it's way in establishing another first for National Square Dance Conventions.

One first they are ardently striving for is to pre-register dancers from every state in the union. Two previous conventions, Omaha in '68 and Dallas in '65, had dancers from every state. However, no convention has pre-registered persons from all of the states.

As of January 15th 3,944 dancers from 42 states, Washington, D.C., 3 provinces of Canada and foreign countries have registered.

For pre-registration information ----

At the age of 20 we don't care what the world thinks of us.
At 40 we worry about what the world is thinking of us.
At 60 we discover that the world wasn't thinking about us at all.
