CUES - N - CALLS

by

Chuck Ruster

.....the other cheek

After only six years of working with square dance beginners, it is possible to see "types" emerge from the group. Dynamic types who plunge in and get involved, usually ending up as club officers or honchoing the various committees. The "sleepers" who start off shy or unsure and gradually emerge into the realm of contributing to the club activities. There are the "hangers-on" who come and go with little or no participation or involvement. Isn't it great that we have all types or we would have all chiefs and no indians. The square dance activity is broad enough and flexible enough to accommodate all the types; challenge dancers, fun level dancers, intermediate level and high intermediates, call it what you may.

An even greater variation exists in dancing styles depending on the mood of the moment or the personalities involved in a particular square. Of course the instructors would like to see everyone dance the way they were taught, with due regard for the comfort and considerations of others. Yet there exists a need for enthusiasm's outlet. Callers spring from a breed who have a "hey, look at me!" complex. They can't stand letting the other guy have the limelight. BUT they earn the right by investing time, money and total involvement to becoming the man behind the mike. Those not wishing to make the total commitment frequently succumb to this same desire to stand out in a crowd by adding flourishes, twirls, high kicks, etc. These cute variations are picked up at conventions and square dance festivals where individual expressions of enthusiasm spawned them. Absolutely nothing wrong with it when executed skillfully and everyone in your square is going along with it.

Of course, square dance purists, of which callers comprise the largest group, tend to interpret these variations as an insult. Why hire a caller to call a dance if you are going to make up your own? Why teach basics uniformly throughout the world if see-saw means six different things to six different couples? The answer is individualism. Individual needs for expression within a broad framework of conformity.

The KEY to the whole approach is not to infringe on the rights of those sharing your square. Just

as the mediocre caller does not gain the whole-hearted approval of the square dance population because of his ineptness of doing his thing, so too, the inept, bumbling dancer poorly (and literally) executing the variations of the basics deserves the frowns they receive in their square. You can't change people, they resist conformity. The surest way to failure is to try to please everyone or make them conform rigidly.

"Express" yourself if you must, but not at the expense of others. Self expression is important, why else RING-A-DING DING DO YOUR OWN THING?

CORNER

IVORY AND DOROTHY FISH
Presidents, Web-Spinners

Eastport, Maine, the easternmost city in the United States, is the birthplace of Dorothy Fish. Husband Ivory, also a native Mainite, is a graduate of the University of Maine in Orono. Batavia Twirlers

Fall is here and in full swing again with its numerous activities for the Twirlers. Our first week was started by an "Open Dance" with Larry Dunn and Leo Parsons at the mike on Tuesday, Sept. 16th. The DeGraves were with us for our first night of round dancing at the YMCA. Then on Friday we joined the Boots 'n Slippers for an evening of good dancing and fun. On Saturday at John Kennedy School we opened with our first club dance with Larry Dunn teaching the rounds at 7:30 followed by square dancing at 8:00. Many of us found out how much we had neglected our dancing during the summer.

We all extend our sympathy to the Andrews, Fochs', and Porters' on their recent bereavements. We have learned that Brent Wright, five year old son of Gene and Jean Wright, who was so seriously burned on a camping trip is much improved and will be home soon from Glens Falls Hospital.

A large number of our members helped bring our summer dance to a big climax with a steak roast headed by the Tufts. Also, thanks to the Lunds for the famous "Lund Sweet Corn".

Twenty of our club attended a "Continental Breakfast" at the Holiday Inn, a special feature of our local radio station, WBTA. It gave our club a rare chance to advertise our various activities. The Goodmans received gifts as well as the honor of having danced the longest as they were our first presidents in 1957.

The welcome mat is always out at our club.

.....Don and Lucile Palmer

Belles 'n Beaus

Now that our long, hot summer is about to end we are looking forward to seeing old friends and welcoming last year's class to their first year of dancing. While most of us have been dancing during the summer, if you were like us it was by no means regular, so it will be a pleasure to polish up the old maneuvers as well as learn the new ones which are in store for us. We were well represented at the Gala Labor Day weekend at Prudhommes in Canada by the presence of none couples including our president and three couples from last years class

We were sorry to hear about Bob Werner's and Charlie Podgers' visit to the hospital but are happy to report both are recuperating well. The grape vine has it that Jean Boulet has hurt her foot which we hope will be healed in time for our first dance. Our sympathy goes to Fred and Dorothy Retallick, our charter president, in the death of his father. We are looking forward to the return of Dolores and George Wentis from their two week tour out west.

Ida and Hoby Herron

Boots 'n Slippers

We were happy to see our old and old, old club members at our open dance, with quite a few new faces tripping the light fantastic, who we hope will soon be club members.

We were happy to see the Rebstocks back, you're looking great, Clay.

Congratulations to the Cones and Keuchs on the marriages of their daughters this past summer.

Sorry to hear Bill Steinmetz was in the hospital. Hope you'll be feeling fine real soon.

We are looking forward to Stan Burdick on Oct. 24. Those who came last year had a real great time. Let's have a big turnout again this year.

We want to keep everyone well informed about our club and other's clubs. Hope everyone has paid or sent in their \$1.50 for the Promenader. It was due this issue.

.....Dean and Terry Harris

Country Twirlers

It's here!!! The TENTH ANNIVERSARY of the Country Twirlers. Come one, come all and join us in dancing to Jim McQuade, Bill Bartsch, and "Tink" Tinkler on Saturday, October 11, 1969 at 8:30 PM at the Washington Irving School. Donation is ten dimes, that's right, one dime for each year.

Our anniversary committee has been planning this one for a long time and even we don't know what's in store, but we do know you'll miss the dance of the year if you don't join us. How about coming out and helping us celebrate?

Another dance of interest in October will be the "Goblin Stomp" on the 25th when the "Country Twirlers" will once again greet the "Great Pumpkin" at the old barn. Dress is optional, costumes that is, but don't be surprised if you can't recognize anyone.

Well, another season has started with lots of enthusiasm, and we all hope it will be a good one for all.

.....Dave and Arlene Plummer

EKC-O Squares

EKC-O Squares started off with a "Begin the Season" party. About one hundred sixty danced to the calls of Art Harris and enjoyed the delicious food at the Green Lantern Inn on Friday, September 5th.

Wednesday, Sept. 10 was the actual date for the beginning of the new season in the beautiful new air-conditioned auditorium of Kodak's Elmgrove plant. What a tremendous turn-out! Counted many new-comers for our classes which began Sept. 17 with our new instructor, Bob Ellis.

Comings and goings during the good old summertime - Gerry and Chuck Prister flew to Aruba and the Panama Canal Zone to visit friends. Gerry said - "It was the greatest vacation ever!"

Bill and Martha Scahill had a rather harrowing experience on their trip to California to visit their daughter. In Sioux City, Iowa, the trailer tipped over. Bill says it was an Indian attack. Indians or not, they were able to purchase a new trailer and continue on their way.

Bill and Marion Boyce also trailered to California to visit their daughter who is a teacher in San Francisco.

Marian and Sherm Reed were in Chapel Hill, North Carolina to welcome the arrival of a new granddaughter - their fifth grand-child. Congratulations!

Heard of still another couple heading for California - Harry and Mae Malley intend to fly out there to visit their son. Maybe we should move EKC-O Squares way out west instead of to Elmgrove Road.

Just a reminder - on Wednesdays that Ken Anderson is calling - Ken will have his workshop from 7:45 to 8:30. Be sure to come to our beautiful new spot, Kodak's Elmgrove.

.....Paul and Marge Walz

Fiddle A Rounds

After a pleasant summer, back to regular schedule dancing at the Echo Club every Monday night at 8:00 o'clock. Our first dance on September 8th with Howie DeGrave on the rounds due to Charlie not feeling well. He did come in long enough to teach "Wotta Guy". We hope we see him back the 15th all well.

On August 24th we had a picnic to celebrate Perkie and Charlie's anniversary, and also the President's birthday (not Nixon's, but Irv Brown's).

The DeGraves, Whiteheads, and us's and, excuse me, the Falls danced to the Manning Smiths in Binhamton. Now we tango to a rhumba and waltz to a two step. Real clever us!

The Browns, Riesenbergers and Prados to Brockville, Ontario for a square dance and round dance weekend. After this, Mike and I will have to eat potatoes for the rest of the year. All our funds are gone.

Mike Callahan, son of the Ray Callahans, had a nice write-up in Sets-in-Order. Hope all Rochester subscribers will look it up.

Our sympathy to Tip Costich on the loss of his brother this past summer.

.....Mary Prado

Genesee Dancers

We got the new season off to an excellent start on September 11 with an invitation dance. Don Duffin called for us and made it a very enjoyable evening for the club members and the prospective square dancers. Hope this will be an incentive for them to join the Basic Instruction Class. It was great to see so many of last year's graduates present and doing so well. The summer dances held by the club were surely a contributing factor.

Our sympathy to Bernice Bourne, Ruth Dietz and Tom McGlynn. Bernice's mother died in June and Ruth's in August. Tom's father died in August.

Lucille Vincent and Ollie Ransco are both scheduled to go into the hospital on September 21, Lucille to the Genesee and Ollie to Northside. We hope by the time this issue of the Promenader is distributed that they are on the way to recovery. To get some extra dancing in beforehand, the Ranscos went to Brockville September 12 for the weekend.

Hazel and Harold Conklin had a fabulous trip this summer to the Canadian Rockies. They and Ruth and Andy Bestram left Toronto by train July 22 on a tour sponsored by the Automobile Club. Their itinerary included Jasper, Banff, Lake Louise, the Columbian Ice Fields, Winnipeg and Victoria. They returned August 11 and still have stars in their eyes. Makes us very envious, we were there in 1965 and hope for a return visit. Hazel said you can't believe how beautiful the scenery is until you see it.

What's this we hear about Dave and Ethel Killenbeck? A second generation dancer on the way? Congratulations.

The Niblocks are heading for Hidden Valley again, they had such a fine weekend dancing there in May that they can't stay away.

Charlie and Perkie Tucker demonstrated the dance they plan on teaching this month. They make it look so easy-- maybe we will surprise ourselves when we get on the floor to learn it. But we won't look half as good.

.....Jim and Mabelle Bushnell

Geneva Friendship Sqs.

The club officers are working like mad to get the fall season of square dancing started in Geneva. Don and Genevieve Miller have sent out 75 invitations to the beginners class and Lucy Mosteller is making up a refreshment list for the entire winter season.

Six couples from Geneva helped to inaugurate the program of the new square dance association that has formed to the south of us, by attending the Plaza dance at the mall at Big Flats, New York.

Joe and Alice Good, Dave and Dot Gulvin, Everett and Carolyn Jones, Art and Lucy Mosteller, Don and Genevieve Miller, and Bud and Millie Woodley represented Geneva Friendship Squares. About 30 sets danced in air conditioned comfort to the calling of Walt Jessup, Jean Alvey, Chuck Gotham, and Don Pratt.

Besides square dancing this year, Geneva will have a full program of round dancing. Jim and Mary Ellen Waters will be instructing in round dancing as well

As this issue goes to press, you will have received a flyer concerning our Big Open House Dance on Monday, Sept. 29th at Floyd Winslow School, with our own Don Pratt calling.

If by chance you didn't receive a copy, phone Walt and Mary Jane Harris at 334-3580. They'll be more than happy to send you one.

We hear that the Vice President has moved from Rivermeadow Drive and is having a home built. Good luck, Fred and Lois.

Wedding bells have been ringing at the Peck household. Their son, Nelson, was married in May shortly after returning from Viet Nam, and their daughter, Myrtle, was married this month. Congratulations and best wishes.

'Tis the month of Halloween so our traditional GHOST WALK will once more bring out witches, hobgoblins and such for an eerie time. Get the costumes off the shelf and join us for a spooky evening on October 25th.

We're sorry to lose Sharon and Bernie Wacenske from our fold. If they finally made it to San Diego, after a 3-day layover in Colorado with car trouble, we wish them the very best in their new location.

Some "square" on vacation in Boston was seeking the name of Paul Revere's horse. Any information leading to the solution of this important search will be most appreciated.

Our belated best wishes to the Wilcox's daughter on her recent marriage and to Kay and John Welch's son on his engagement.

We're hoping to straighten out the permanent location for this year's dances soon. As soon as the information is available, a letter will go out to all of our members. The Bubbs will be happy to help you in the meantime, if you call them at 872-4560.

Sorry Charlie Tucker isn't feeling up to par, but we hope all will be well soon. We need you!

Kay and John Welch hope you are all planning to join them in Louisville next June at the Nationals. They don't want to be "all alone and far away".

Lima Grand Sqs.

Well, here we are back at our winter home, Lima Town Hall, after bidding farewell to a wonderful summer at the Barn and finding ourselves with a full fall schedule. Thank you all, who joined us for this summer at this lovely spot for summer dancing.

September 12 was open house and many couples were there who are interested in learning Western Square Dancing.

September 22 and 29 started the new class with free dancing and October 6 and every Monday thereafter, they will be working toward graduation and the well-earned Lima Grand Squares badge.

October 10 will be another Pot Luck supper. Bring a dish to pass and join us at 6:30, we have lots to eat.

October 31 will be our annual Halloween Costume dance. Everything from ghosts to Christmas trees will be there. Will you?

Eleanor and Don Trescott were our host and hostess for September. Ronnie and Barb Nolbert will be for the month of October. Thanks. Hope you all did such a good job that everyone will want to return

Gene and Helen Howlett are our new delegates to the Federation.

On August 1 we were visited by 12 couples from the Cayuga Cutups of Auburn who presented us with the "Yellow Rock". In order to get rid of it 12 couples from our club visited Pavilion on September 10 and left it with them.

Thanks and congratulations to our new Promenader staff.

Rochester Rollaways

Labor Day means the end of the summer but to many of us it means a dancing week-end at Conneaut Lake Park in Pennsylvania. About a dozen Rollaway couples were there this year dancing to the calling of Jack Lasry, Ron Schneider and Frank Bedell. Since no week-end is complete without a few new calls, we were introduced to "Trade-by" and "Relay the Top".

Labor Day also means back to school for the youngsters and at least three couples sent children off to college. The Woodam's daughter is starting at Alfred, Kathy Eichas at Villa Marie in Buffalo, and Carol Fohl is a freshman at Oswego.

While Will and Rhoda Eagle have been moving into their new house, Don Huot has been moving dirt around his new pool. Let's hope we have a beautiful Indian summer so Don can get his work done before the snow flies.

Incidentally, we were sorry to hear that John Hayford was back in the hospital with a heart virus. He is home recuperating now and we wish him a speedy return to good health and, of course, dancing.

Welcome back to all the people we haven't seen all summer and a very special welcome back to the Mikels and the Youngs who have been away from dancing far too long.

Swingin' Eights

Buffet supper was ideal to start the year. Congratulations, committee! Dick Boyer flew in from Ft. Monmouth, New Jersey where he is a consulting engineer. He gave his 27th pint of blood under Don's watchful eye, when the Bloodmobile visited Stromberg's. Have you given blood recently. We were happy to have so many join us at dance time in spite of the warm evening.

Snoopy discovered: Leichts made Kodakery by visiting EKC-O Squares, John O'Hara broke his wrist falling over grandchildren's toys while visiting California, a Columbia gold mine and Lake Tahoe. Tony and Ann Gianforte spent a week square dancing at Hidden Valley. Wilsons square dances at Brandywine Meadows enroute to Florida. Brayers welcomed a new granddaughter, Alissa, July 8th, and leave September 19th for an Arizona vacation. Helen Klein might find it cheaper to lease Northside by the year. Paul Bortfeldt, age 6, caught a 26 inch pike at White Lake, Canada. Carol Boyer, studying art at Chatauqua, was selected for sketching and exhibiting through New England. Micheal Fenton is now in service in Germany. His parents anticipate visiting him next Spring.

Continued: How did Tom get from boat to boat on Lake George? Delayed - they made the dock three minutes before departure by changing to square dance clothes enroute at 80 miles per hour - suddenly it dawned- that caller's indispensable garment, "Western pants" were back home - Tom called in shorts until Al Smith supplied pants from his shop. Tom says, "If Marilyn wanted him to buy a new pair she didn't have to leave the old ones home to do so". Numerous badge dances included "Best Dancer by a Dam Site". The boat turning suddenly almost sent one dancer swimming. OH! Almost forgot - one boat cancelled so no transfer.

Remember, no dance October 4th due to voter registration at the schools. Get your Promenader subscription in to Bee or Joe DeLorm. You won't want to miss any issues.

Triggers

Peg and Myron had barely had time to scrape the dessert dishes and fluff up the couch cushions after hosting the Officers' Picnic on August 23rd, when over a dozen couples from the club and the Intermediates' class descended on the startled Huseses to celebrate their 35th wedding anniversary. With Peg decked out in a veil and train, and Myron gussied up in a tux, "Preacher Dick" Benner officiated at a mock wedding. Harold Pierce was the best man; and Ed DeMeritt, armed with a shotgun, was the father of the bride. By the time the group had polished off the cake and distributed the Idiot badges, they had seen the clock pass 3 A.M.

Including children, some ninety people gathered on September 13th for the annual picnic at Hamlin Beach State Park! Fifteen families camped overnight, and many earned the Roadrunner badge for dancing in the street, in the process delaying a garbage truck for a quarter-hour. The sanitation workers were enthusiastic spectators. Befitting the lakefront locale, Ed DeMeritt and Walt Tomaszewski came costumed as a racy, turn-of-the-century, bathing-suited couple. With Harold Pierce calling, the hardier folks danced in the water, on the beach, and on the lawn to earn their Duck, Sandflea, and Grasshopper badges. Games were supervised by the Wordingshams and Pasquales. Judging from the excellence of the food, we could organize a Triggers Cooking Club...

OK, you gremlins: save October 28th for our Halloween Party. Goblin-organizer Lila Pierce, planning another winner, reports that the Holdens and the Allens will oversee refreshments, while the Simpsons and the McGraths will handle the program. Will YOU win the prize for the best costume? The Intermediates and the Whistaways will be our guests.

Twirl A Rounds

According to our first club dance of this season, if the attendance stays or grows, it promises to be quite a prosperous year. It does us good to see the new couples starting round dancing, kind of brings back memories.

In addition to last month's news--Kay and Marve Falls and Audrey and George Mura also spent Labor Day weekend at Binghamton, dancing to Manning and Nita Smith, along with Dot and Howie DeGraves. Audry Mura claims she found the secret to smoother round dancing--short pettipants we are told.

Larry and Betty Deisingers and Joe and Tina Mann spent two marvelous weeks at Rainbow Lodge in N.C. square dancing.

Jerry and Barb Coty and Ed and Bonnie Coopenburg spent a weekend dancing in Buffalo with the Whirlaways. My, but these dancing trips must be loads of fun. Your reporters will have to try it sometime.

Did you hear that Gordon Copeland kicked the bucket? Such a nice quiet guy, too, must be the affects of that potion in his S.T.P. bottle that he totes to all the dances.

The "western" atmosphere does things to a lot of people but it really has got to Marve Falls. He has gone all out and is rolling his own cigarettes. Now really, Marvel

Wayne Westerners

Children back in school is a sure sign that fall is here. Wayne Westerners are back on regular schedule. The club level dancers will be assembling in the Elementary School every other Thursday as of now, unless we change our schedule. Our first dance was September 11.

A new slate of officers was elected recently. Elected to the office of President were Mr. and Mrs. Dave Klaver; Vice Presidents, Mr. and Mrs. Ken VanDerWalle; Secretary and Treasurer, Mr. and Mrs. Floyd Kuhn. It seems that our presidents each year feel that they have to start their office with a beard. Jack Parker had one last year and Dave had one for a short time, however he didn't keep it very long. Maybe it itched!

A demonstration dance was held September 6 at Breen's Supermarket in the parking lot. There we tried to demonstrate how much we enjoyed dancing with the hope of encouraging others to join our group. We feel it was a big success. It looks like we might have a good sized class this year.

.....Art and Laura Tierson

Web Spinners

With another season getting in full swing, the Web-Spinners have another big year planned. Club dances officially start the 26th of September and meet every other week thereafter. The classes are held every week and in case anyone wonders about it, Bill Wilcox will call the club dances and alternate weeks will teach the class. Bruce Shaw will teach the class on club nights.

Both club and class are held at Klem Road School in Webster using the Gym and Cafeteria.

We are looking forward to our campers, retirees, and vacationers getting back in the "swing" again. Hope Rita Phelix's broken foot is healed up real soon. Don Evans is doing a little better on his sprained ankle. Glad to have Rearsons back after their rough summer. Good to see Ivory Fish's chin again, too.

Web-Spinners would like to welcome any and all dancers who want to visit our club anytime. See you around the squares.

SQUARE DANCE CLUB • ROCHESTER, NEW YORK

September 8, 1969

Promenader, Attention of:
Mr. and Mrs. Carl Warschko
64 Whipple Lane
Rochester, New York 14622

Dear Carl and Anita:

The Belles 'N Beaus wish to publicly acknowledge (through the Promenader) the very excellent program of summer dancing sponsored by EKC-O Squares.

The particular part which deserves more than passing comment and commendation was that part of the program that encouraged NEW DANCERS. There was a program which was a so-called workshop period prior to the regular dancing which was slanted toward the NEW DANCER. It was a fine piece of work and we know it helped many new dancers gain confidence and enlarged their enjoyment of our movement.

More clubs' programs should be directed this way-- and our goals of "Happy Dancing" will be a reality.

Sincerely

John and Marion Butler,
President
