Staff Of '75

JACK HAGUE and his wife Armeda took to Square dancing in a big way right from the start. They took Square Dance lessons 12 years ago and Jack had ideas of becoming a caller even before graduation. He did a singing call on his own graduation night. He now calls for 5 clubs in the Pittsburgh area and teaches a beginners class each year. On weekends usually he travels throughout a 6 state area fulfilling club dates, festivals and week-ends. Once a year they make a calling tour thru Florida. Jack worked as an Electronic Technition for RCA for 20 years but quit 5 years ago to devote full time to calling. Jack and Armeda reside in a Pittsburgh suburb. They have 3 married daughters and 1 grandaughter. Jack enjoys hunting as a hobby and they both enjoy golf.

LEE KOPMAN-lives in Wantagh Long Island, N.Y. with his wife Lilith and their two children, Steven & Phyllis. Lee has been a full time physical education teacher for the past 18 years and a square dance caller for 16 years. Lee calls six evenings a week and his calling has taken him to Chicago, Ohio, Florida, New England, up-state New York and New Jersey. He calls at the National Challenge Convention and is widely recognized throughout the United States and Canada for his many innovative square dance figures and original choreography.

DORIS and LAVERNE REILLY, N. Tonawanda, N.Y. have two daughters and are the grandparents of six. They have been dancing for many years and have attended and been on staff at many square and round dance camps, week-ends, festivals and conventions. The Rreillys are firm believers in the cueing of the rounds, feeling more people will round dance if they are confident of a little help when they are on the dance floor. In their busy lives they also find time to do some fine choreography, such as Cab Driver, Third Man Theme, Candy Man, Vaya Con Dios and many others. They have three Round Dance Clubs and one class night each week.

DICK SCHWEITZER Born and raised in Syracuse, educated also in Syracuse, attended Rainbow Lake Callers College. Dick has been callin 8 years, he also works at General Electric in Syracuse. He calls regularly for Country Squares, Syracuse; Spin N Wheels, Auburn; Square N Aides, Ithaca and also a family club called The Family Club in Syracuse. He is on the staff of Association of Clubs at Association Island in Henderson Harbor and does an annual weekend in Pennsylvania at the Pocono Manor with Dick Jones in April. Dick and his wefe Millie have 6 children.

ALLEN TIPTON, Knoxville Tenn. is his home where he resides with his wife Joann and their three children. He has been calling full time for the last 7 years. He travels close to 80,000 miles a year calling for square dance clubs, institutions and festivals across the country. His home program includes six regular clubs and two workshops. He has served on the staffs at Fun Valley and Fontana Village Resort. He also records on the Kalox Label. Allen and Joann feel that square dancing is more than a hobby, that it is truly "friendship and fellowship set to music".

PRESIDENTS' CORNER

Almost every one of you reading this column today is in some way getting ready to participate in our Dance Community's "Spring Tri-umph!"

It is, above all, a triumph of spirit - the beautiful spirit of warmth and giving that square dancers seem to share.

It is a triumph of energy - we dancers seem to abound with lots of "oomph" (especially on the dance floor) and are busily working to help others and support ourselves.

And, lastly, it is a triumph of caring - both for our fellow man and for our own dance community.

The three upcoming events are:

- April 5 Cancer Benefit Dance
- 19 Muscular Dystrophy Benefit Dance
- May 3 Dance-O-Rama

Circle the dates on your calendar, conserve your energy; and get ready for a busy spring! You can find more detailed information on these events scattered throughout this publication.

Shalom,
George and Sallie Emmons

Caller's Profile

Jon McNally became involved in the world of square dancing in 1970, after being literally dragged to his first few dances. From there on a whole new world opened up to him.

He joined the Rochester Teen Twirlers Square Dance Club and has been with them ever since. He became an officer of the Club almost immediately, and participated in their annual Teen-O-Ramas, various demonstrations, and even went with the group to perform at the National Square Dance Convention in Portland, Oregon. After returning from a very eventful trip in Portland, Jon decided to take up calling (1971) and did so with the help of Frank Gillig. Along with his newly found calling career, and Teen Twirlers, he also decided to join the Swinging-Singles and became once again a very active member.

The world of square dancing, even opened an unexpected door for Jon, for in the Teen Twirlers he met his future wife, sue Parkes.

Jon and Sue dance with a few adult clubs in between his calling for the Wayne County 4's primarily and also now and then for the Teen Twirlers, where they are Adult Advisors and Coordinators for the Club. They also do several one night stands.

Jon is primarily a square dance caller, so Sue is now beginning to fill in the gaps by teaching rounds and folk dances. Between the two of them they make a pretty special team because of their love for people.

When they aren't calling or on the dance floor themselves, you might find them busy making wedding plans for their September 13, 1975 wedding. They also both work full-time; Jon for the Eastman Kodak Company as a technician and Sue as a secretary for the O'Connell Electric Company. In their "spare" time they also attend classes at Monroe Community College.

What's new around town? One thing I noticed, there is a lot of absenteeism. At first I thought there was a boy-cott against the fifty cents I charge for staying out of sets. No, it wasn't that. I found out it was the Flu, the Hong Kong Flu.

How did I know it was the Hong Kong Flu? Because now I have it and I recognized the first symptoms. My eyes began to slant, my mouth tasted like stale rice and I felt like taking in laundry. Next, I started to cough on one end and ah, something also happened to the other end. One treatment I use for the other end is Blackberry Brandy.

For my cough, I remembered a story my Grandfather told me. After school he got a job helping in a drug store. A man came in and wanted something to stop his coughing. Grandpa gave the man a two ounce glass of Castor oil, man drank it and left. The manager came over and asked, "what did you give him for his cough?" Grandpa told him. "Castor oil," cried the manager, "that won't stop his cough!" "The heck it won't," said Grandpa, "look out there he's hanging on to that lamp post, he's afraid to cough."

Well I don't like Caster oil soooooo I tried Nite-Quil, it put me to sleep alright but I dreamt I had a cough. So much for Nite-Quil.

Here are some other remedies I have tried and maybe you can use: Goose grease -----Rub it on your chest, don't rub it all over like I did. I kept slipping out of bed.

Garlic-----Tie a piece of garlic on a string and hang it around your neck. No legitimate germ will go near you and probably nobody else will either, especially husbands and vampires.

Honey'n Whiskey----Drink about a pint, it really won't cure you, but you won't care either.

Camphorated Oil----Rub on your neck and under your nose. Guaranteed to clear your sinuses and may even melt the wax in your ears.

Preventives-----Stay away from Chinese laundries and Fortune cookies.

Hold everything! The Blackberry Brandy isn't working, gotta goooooooooooooo.

Thanks anyway,
Hal Abberger

Teen Topics!

Dear Dancers:

Plans are well under way for the 15th ANNUAL TEEN-O-RAMA and the 20th ANNIVERSARY of the ROCHESTER TEEN TWIRLERS SQUARE DANCE CLUB founded by Dr. & Mrs. Waldo Westwater. Each year they put on this dance so that dancers can meet and dance with various callers, and generally mix with other dancers, as well as to see their annual show based on the history of square dancing.

This is not a benefit dance, but rather a social gathering and celebration. This year is a rather special one, we want to pay special tribute to Dr. & Mrs. Westwater, who have done so much in the area of square and folk dancing and helped so many teen-agers and adults. We think we can all agree that they are deserving of this special tribute and we ask that everyone, adults as well as teen-agers and spectators join us for all or part of the day.

The theme for the 20th ANNIVERSARY is "THE SPIRIT OF 1776" and will be held on Saturday, March 22, 1975 at Eastridge High School - 2350 Ridge Road East in Ironde-

quoit, from 2:30 till 11:00. We will have two halls in both the afternoon and the evening, one will be on the relaxed level and one on the club level workshops. If you wish to join us we are having a catered dinner by the Burgundy Caterers between 5:30 and 7:00. Between 7:00 and 8:15 we are featuring a dance pageant based on our theme. Promptly at 8:15 there will be a Grand March to kick off the evening program and as a salute to Dr. & Mrs. Westwater.

You can obtain more information or tickets for all or part of the day by calling Sue Parkes, 141 Browncroft Blvd., Roch., N.Y. 14609, 288-1717 or Virginia Stone 467-4344. Tickets sold in advance will be eligible for special door prizes to be drawn during the day.

Your help in advertising this to your fellow dancers and friends will be gratefully appreciated. Thank you for your time and consideration.

Happy Dancing - See You There!!!

SOMETHING OLD: Teen-O-Rama is still the main event on the calendar of the younger sets. Adults are urged to come and participate this year especially. March 22 is the date and Eastridge High School is the place.

SOMETHING NEW: Jerry Bradt has a new 4H teen group (13 to 19 yrs.) going full tilt at the Farm and Home Center in WARSAW, N.Y. every Thursday night. Have your country cousins give him a call at 926-8566, they started up on Feb. 6th and are still looking for more participants.

Another 4H bunch is Jon McNally's WAYNE COUNTY 4'S out Sodus way. Sue Parkes cues and teaches the rounds, line dances and folk dances - much along the lines of the Teen Twirlers program so that the two groups should have much in common at Teen-O-Rama time.

SOMETHING BORROWED: A close friend of mine had to borrow a dollar in order to buy a raffle ticket for that TV set the HICKS and CHICKS are raffelling off to help pay their way to SASDA festivities. I've got mine, how about you?

SOMETHING BLUE: Spell it any way you want to, blue or blew, but I blew it in last month's column; the TV set being offered is a black and white NOT a Color set. I'm not sure you have a choice of color in the cabinet.

LAST BUT NOT LEFT WAITING: The Hilton Hillbillies want to extend their hospitality to ALL ADULT DANCERS to join with them at the Merton Williams School in Hilton, N.Y. Rounds are covered from 7 till 7:30 and Jerry Bradt starts calling at 7:30 till 10:30. (I'm not so sure I could last that long!) Call 926-8566 for information about these Saturday night highjinks with the teen crowd.

Batavia Twirlers

As you read this, the Twirlers will be preparing for the 4th Annual Cancer Benefit Dance, to be held April 5th at the Batavia High School on State Street (instead of our usual location). We have really appreciated all the support given this dance in years past and we hope you'll all turn out in support of this most worthy cause. We guarantee you'll have a ball at the same time!

Each couple is asked to bring a dozen cookies. Other treats will be provided. Donations of door prizes and gifts have been wonderful. We expect to give something away about every 15 minutes! How about 125 pounds of beef? Many of the items to be given away are home-made or handcrafted and are real one-of-a-kind treasures!

Our calling and cueing staff will be Mike Callahan, Bill Wilcox, Ron Fotch, Leo Parsons, Howie DeGrave, Betty Wolcott, Bob Slomcenski, Bernie Hayward, and will feature Bill Peterson of Livonia, Michigan. Come on along, Y'hear?

Other News** Our thoughts and prayers are with our members who are ill-- Grace Broderick and Ginny Walker.

Bulletin--Spring Campout will be on Memorial Day Weekend at Wyonoco 4-H Camp. Larry Dunn will be calling for us. Save the date and pass the word!

Your correspondents were a little under the weather in January--Sure is good to be back to dancing! See you at the Cancer Dance!!

Boots 'n Slippers

The outgoing and incoming officers of Boots 'n Slippers had a get together Jan. 18th at the Re Osier in LeRoy. I understand Tim and Wanda were in charge of entertainment and did a fine job of keeping the party lively.

Fri. Jan. 24th four couples visited the Lima Grand Squares and seventeen couples visited the Web-Spinners to share in good dancing and good fellowship. (The refreshments weren't bad either.) Hey!! That dancing with other clubs is educational and good fun. If you haven't tried it lately... get with it.

The Boots 'n Slippers round dancing class of Dot & Howie DeGrave visited the Twirl-A-Rounds, Wed. Feb. 12th. Dancing was great because it was cued by "you guessed it" the DeGraves. The invitation came from Andy Spadoni & Carolyn Dietrich, officers of the Twirl-A-Rounds and incidentally, members of our own square dance class.

"Will you be my valentine and dance with Me?, was the question of the evening, Feb. 14th at our Valentine Party. The new class joined in the fun and they are "fantastic". "Isn't that right Sue?" Al How assures me they are the "best class we've ever had". Alice & I agree.

This months Fire Safty Award goes to Anne Duggan. Be sure to ask Anne why. Be sure to ask Ron and Joy L. about their strange thumbs. Be sure to ask Linda K. "who" was on time for dancing for the first time.

Do you have a news item? Just snuggle up close and whisper in our ear.

C.U.
Alice & Les Kuhn

Belles 'n Beaus

A warm welcome back to Dorthea DuBois and Lou Kraus who are looking and dancing great after their surgery.

Doris Haddleton and her daughter have just returned from a trip to Venezuela. Doris looks so terrific that you just know they had a wonderful trip.

Our congratulations to John Butler, Ken Fredrick and Al Tinsman on their retirements. Ken and Al retired from Kodak and John from Singer Education Systems.

The Club celebrated the birthday of Art Harris with a delicious cake baked and decorated as a golfing green complete with golfer by June Elich. The class also honored Art with a party.

March 24th is our Mystery Caller Dance. Be sure not to miss it.

George and Doris Hagberg

Callers Co-Op

HOW-TO CORNER: SCOOT & FLUTTER starts from parallel Ocean Waves. It begins like a Scoot Back: the dancers who are facing in step forward and turn with each other while those facing out start to roll into the vacated position. The movement is completed like a Flutter Wheel: the ones who are turning pick up the dancer from the opposite line and escort him/her back to the side they came from. The movement ends with facing lines.

The key to SCOOT & FLUTTER is for the dancers who are facing in to grab hold of the one, man or lady, whose back they are looking at when the movement begins.

Cloverleaf Squares

The Cloverleaves started off the new year with great enthusiasm and these new officers:

President--Ronald Fikuel
Vice Pres.--Kathy Fisher
Secretary--Mary Wispelaere
Treasurer--Karen Jacobs

We have a great year planned with lots of dancing as well as social events. We are looking forward to our Winter Weekend at Allegany State Park on February 28th, March 1st and 2nd. This year we hope for some snow for skiing and tobogganing.

March 16th will bring our St. Patrick's Dance and "the Wearing of the Green" will be in order since this is our anniversary.

We are still dancing at Chili Town Hall at 3235 Chili Avenue. We dance from 8:00-10:30 p.m., every Sunday evening except the first Sunday of the month. Bruce Shaw is our Club Caller and "Oh, Bruce, do we love those singin' calls, especially JACKSON!"

So come and join us soon! Swingly--

Natalie White

The annual George Washington Dance on Feb. 8th was lots of fun and well attended. We were all surprised when George himself appeared to do the calling complete with powdered wig, three-cornered hat and a beautiful 18th century suit. The voice sounded like Ben McGilvery's however.

Members of the Merry Mixers and Henrietta Friendship Squares presented a demonstration at the Association for the Blind in January. Ben McGilvery called and some of the blind enjoyed dancing too.

It is good to see Harold and Betty Roberts back after illness caused their absence.

Glenna and Howard Carey returned from a pleasant Florida vacation in time for our George Washington Dance

On March 22, our class taught by Ken Boss will be having its graduation. We urge all members to come to meet and welcome these new people.

Mil and Laura Craft

EKC-O Squares

Let's not wait for the merry month of May to enjoy ourselves. March offers opportunities galore!

A SNEAK PREVIEW!!

Our March 5th dance provides the occasion to sample the calling of one of the 1975 Dance-O-Rama National Callers. Dick Schweitzer will fill in for caller Bud Redmond. We have heard Schweitzer is a "fun" caller - come and judge for yourself!

Another great guest caller! On March 19th Kep Carvey will favor us with his zippy calling. He has many fans among the EKC-O crowd.

Dust off your green petticoats and accessories and help provide the backdrop for a lively Irish scene. EKC-O Squares will celebrate St. Patrick's Day on March 12th. Join in "the wearing o' the green". With a President named "O'Connor" we should have lots of fun. Bob and Ruth are working on a family square. Daughters Mary Ann and Jeannie are square dancers. Their son, Jim, keeps finding "Square Dancing" listed among his college courses.

The welcome mat is out for the following clubs to join us in dance on March 26th. We look forward to welcoming and dancing with friends in:

Belles 'N Beaus
Boots 'N Slippers
Triggers

Our club was saddened by the death of one of its members on Saturday, February 8th. John Andrews will be missed. We all extend deepest sympathies to Margaret Andrews and family.

Everyone agreed the dance Mike Callahan called for us (on short notice) February 5th, was great! Thank you Mike!

Our club received a beautiful Valentine's present. All hearts overflowed with happiness when Mae and Harry Mailey walked through the doors on Feb. 12th. Welcome back, dear folks!!

Shalom,

George and Sallie Emmons

STATE UNIVERSITY COLLEGE AT BROCKPORT

state university of new york
brockport, new york 14420

On Saturday, April 12, the Rochester Branch of the English Speaking Union will hold its annual "Heritage Ball" at Cutler Union, next to the Art Gallery on University Ave.. This year, historical dances of the 17th, 18th and 19th centuries will be featured during the intermissions. The program, consisting largely of traditional square and contra dances, will be directed by Prof. Richard Castner of the Dance Dept., State University College, Brockport. Live music by the Blackthorn Ceildhe Band. Details from Mr. Barbara Dann, 342-3903.

If you want a preview of what the set-up for DANCE-O-RAMA will be like, plan to attend Richer Castner's square dance on May Day, Thursday, May 1st, at 8 p.m. Live music by the Swamproot Stringband. To be held in the Seymour Union Bldg., Kenyon St., on the Brockport college campus...the same room in which the festival will take place two days later. Details from 395-2715.

Copy Cats

A FULL HOUSE is a winning hand, and that's what we had. The pair of Aces, Deuce Williams and Betty Wolcott filled the Spry School gym with about 20 squares. The dance was a huge success. Special thanks to all the Copy Cats who participated on the committees and did so much to make this dance the success that it was.

LOVE IS.....a good square dance! At least the Rollie Walkers of the Salt Shakers must think so - they drove in from Syracuse to attend the Deuce Williams dance.

BOB AND SHARON PALERMO must agree. They celebrated their anniversary not dancing the Anniversary Waltz, but stomping at the Copy Cats square dance on December 14th. Happy Anniversary folks.

BELATED HAPPY BIRTHDAY to our congenial caller, Mike Callahan who celebrated his ??? birthday December 12th.

TOP CAT Mitch Adams, Xerox Recreation Director, watched the Copy Cats and guests "do sa do" and "square thru" at the Deuce Williams dance. Mitch said it looked like fun, but allowed he would have to take a few lessons before trying it.

A KINGS SIZE VACATION for two is what Ralph and Gerri King decided on. The cowards are "swinging thru" on a 2 months vacation in sunny Florida. (Who's jealous!!!)

ANOTHER BOO BOO Your reporters did it again (forgot to list the 1975 officers). But officers, you'll never catch us for speeding.

SOREHEAD Dot Pheilshifter wants a public apology for any inference made to any possible delicate condition. So here it is! Dot, we're sorry we mentioned (by inference) your delicate condition.

HOEDOWN LOWDOWN When the cat's away the kittens will play. The Copy Kittens had a real olde fashioned "geetar playing" hoedown with Harold and Lila Pierce, who subbed for Larry Spaven, while the Top Cat took a two week trip to the Grand Canyon State to visit his daughter and son-in-law and play golf (not necessarily in that order).

KITTENS TURNED OUT INTO THE COLD??? No way! Turned out for the Tecumseh Squares hosted class level dance at the Redmen's Club. Two full squares of the Copy Kittens attended and executed the TIFS in TOP fashion.

Country Twirlers

Thanks to the outgoing Officers for a job well done. They were indeed responsible for the many good times we have had during the past year.

On January 25th, we had a surprise visit from Dan Dedo. Gert McQuade's Mother was ill and she and Jim went to visit her. We all hope she is much better.

Our best wishes for a speedy recovery go out to Virginia Thornton, the Recording Secretary of the Federation, who is recovering from back surgery.

Our dance with Joe Reilly calling was well attended and everyone had a good time.

March 14th is set for Graduation of our Class and our St. Patrick's Day Party. The dance on March 14th will be at the Thomas Edison School, 1612 Buffalo Road, with Jim McQuade calling. We are all looking forward to a wonderful evening of fun and dancing.

One Tuesday evening, while Jerry Carmen was teaching our Class, Bruce Shaw walked in. He went into one of our squares and to our surprise joined Bill Thomas as his partner. They made a nice looking couple, in fact the nicest looking couple on the whole floor. Then during the final tip, Bruce joined Jerry in calling and a fun evening was had by all.

Until we meet again, a Happy St.Patrick's Day and a Joyous Easter to all.

NON- FEDERATION NOTES

The "Glass Slippers" dance every Monday night 8 to 10:30. Owens-Illinois Club House, Washington St., off State St. East, Brockport. Ron Fotch calling. "The biggest little club around."

Fiddle A Rounds

February found Fiddle A Rounds busy reviewing an old Clasic, Elaine and working on Autumn Nocturn. We are happy go have Dottie back after her leg operation and bout with the Flu.

Hope it is not long before both Margaret Brown and Margaret Zilinski are able to dance again. Both have been laid up with foot problems.

Fiddle A Rounds recently welcomed new members; Andy Spadoni and Carolyn Dietrich and welcomed back former members Jim and Anne Gentles.

Howie and Dot attended Round A Cade in York, Pa. on Feb. 14,15 and 16, and brought back a host of new material.

Fiddle A Rounds extend deepest sympathies to Margaret Anderson and her family on the death of John. The Andersons were former members of the club.

We are looking forward to attending Twirl-A-Rounds St. Patrick's Ball on March 12th.

Geneva Friendship Sqs.

This month we welcomed Mary & Marty Miller back from a tour of the west. While there, they visited the Clayton Keyes, former members of our club.

At this writing, a nominating committee is busy working on a new slate of officers. It will be hard for anyone to follow the job that has been done this year.

We hope to see some of you at our special dance March 23 featuring Ken Anderson. It will be held at the Junior High School, North Street, Geneva, New York from 2 - 5. Debbie Wilkinson will be cuing the rounds. We all like to dance to Ken, so it should be a fun Sunday for all.

If you are in the market for a new square dance outfit, you can find it at our fashion show being held on March 14, featuring Pearl's Western Fashions.

Remember the welcome mat is out and we are always pleased to have guests join us. We dance the 2nd and 4th Fridays at Cullick Hall, Hobart College, Geneva,N.Y. Don Pratt, our club caller does a great job at all our dances.

Genesee Dancers

Did you see the square dance program on Channel 21? While the program was produced under the auspices of callers co-op, we were pleased to see several Genesee Dancers on the program including Mike Callahan, our caller; Chuck Frister, our class instructor; and Ed Butenhof, who M.C.'d the program and is a club member. Ed handled himself like a pro and we wouldn't be surprised to hear that he had an offer from T.V. We understand that Ed wrote the script.

SICK CALL:

We are sorry to report that several Genesee Dancers have been on the ailing list. These include Ray Seymour, last year's President, who has been in and out of the hospital a couple of times and is now back home again. We understand that everything is now going well and expect to see Ray up and around again soon. You have probably missed Anne Ransco's smiling face the past several weeks. We understand she is well down the road to recovery and that she will be dancing with us soon. While we don't miss Joe Ransco's face (which is not nearly as pleasant to look at as Anne's), we do miss his friendly personality and joke of the week. Bring him back with you, Anne. Ruth Madison, who has been on the sick list, was back dancing at the club the first dance in February. Good to see you Ruth and Jim.

Several club members are planning interesting vacation trips: Jim & Mary Lou Davidson are headed for Mexico City. Their plans also include a visit with their son in Houston. Charles and Jean Howlett are also planning a trip to Mexico. Those planning trips to Hawaii include Art & Pauline Bennett, Carter & Jean Perkins, Ed & Alice Jeffery, and Vic & Eileen Enter.

We aren't sure who we envy the most.

Special Coming Attractions:

Your reporters,

Irondequoit Sqs.

From the response we got from our last column the only person who read it was Chuck Frister, or as they call him at Kodak - Chuck Freester. He said to give his regards to Ed Anderson.

First the old news:

Our January 11th guest night was well attended, but we think of all the people who wouldn't dance with us even if it was free. Everyone was so fascinated with Bills Hot Hash that they had to stand around and watch. Sara Palumbo promised an item in the near future. We wonder what they are going to name the item, wonder if Joe knows?

Our January 25th dance with Dave Hass was well attended by paying guests which is what counts, but it was strange to have so many that hadn't reached puberty, some had really reached it. During the dance we workshopped Grand Square and variations; Grank Right & Left. Jon and Ercilla Anderson were hosts for the evening. Jon doesn't need a badge to be friendly or overly friendly. We've known Jon for over 24 years and we still belong to the same club.

On the 2nd of February the board voted 8-6 to hold another money losing Valentine Dance. This is sort of a tradition with the Irondequoit Squares and you know how hard it is to break tradition.

Continued

The February 8th Valentine Class Level Dance with at least 20 squares was a howling success and with all the refreshments and door prizes we're sure the board was real happy too. Many thanks to the Gillios and the Calmans for their hard work. Did you see Ernie H. and Dorothy L. sitting in the corner? It looked real serious - we believe they were looking at a road map.

On March 8th, we have another guest night and we have invited the Wayne Westerners, Bells & Beaus, Swinging Singles, Hilton Hillbillies and Merry Mixers.

On March 22nd we have a regular dance. This means you have to be regular to attend.

With our great prestige and prominence in the dancing community, we have been awarded by the Dance-O-Rama Committee the much sought after Clean-Up Committee award followed by the Garabagemen's Picnic. Remember if you attend the Dance-O-Rama you are expected to be at the Clean-Up Party.

Kuntry Kuzzins

Well with the Holiday season over, we can settle down to more dancing. An entertainment that can be enjoyed by the very young and old. Let us start getting newcomers interested for this fall. Invite them to set in on a club dance some Saturday evening.

We are swinging into the 1975 special events, some of which are coming up soon. Feb. 20th our club members are putting on a fashion show for the class members, modeling dresses they have made, to give the class ideas for making their outfits for Graduation.

Everyone is looking forward to March 8th when the Patti-Jo Shop of Penn Yan will put on a fashion show for the Kuntry Kuzzins. This will be held at the Kelly School, Newark off Pierson Ave., Time 8:00 to 11:00. Larry Spaven will be calling for the dance.

Our Dick Ledger dance is coming up in the near future. Will have more on that later.

Our caller Larry Spaven will be calling for these Club dances coming up. Feb. 22nd, March 8th, fashion show and dance, April 12th. These will be held at the Kelly School, Newark; Time for all 8:00 to 11:00.

Be sure so attend our Mystery Ride Dance on Saturday evening, March 29th. Will have more on that later also. This being a busy time of year our attendance for the club dances has dropped. Let us all turn out and make the future dances a big success.

Just turned the calendar and that means it is time for another report. Our dances seem to come and go so quickly! Our Sadie Hawkins Dance on Jan. 17 was well attended. It is always a lot of fun and again this year it brought out the hillbilly spirit in many of us. Our class joined us and I think they are pretty sharp! It won't be long now and they will be dancing with us regularly. The decorating committee certainly created the appropriate atmosphere and a special thanks to the Herkes, Farleys, and the officers.

Everyone who dressed in the appropriate attire deserved a prize. However, we all felt Scott Woodruff and Colleen Fairchild did an exceptionally good job of resembling Li'l Abner and Daisy Mae. I think we all agree that they make for a very cute couple anyway! "Most original" went to Don and Eleanor Prescott who were stylishly dressed from head to foot. If you noticed Eleanor's Mini Pearl hat and not her feet, you missed something NEAT. Don Stumbo also had his stylish footwear on and he said they were ever so comfortable.

We enjoyed the calls of Mike Callahan on Jan. 24. A thank you to Mike and a special thank you to our guests. We enjoyed your visit and invite you to come back again. Jerry Bradt called for us on Jan. 31. We all had a good time and thank you Jerry.

We are looking forward to our St. Patricks Dance on March 14 with a pot luck dinner and Graduation on April 4. Its nice to have the Kleebs and Lamberts back from their vacations and also nice to have the Muhs and Luckenbacks back dancing with us.

If you have been wanting for an evening out, why not come and join us on Friday nites? You just couldn't find more fun for the money anywhere else --NO WAY!

Walt and Marge Sackett

Merry Mixers

The Web-Spinners joined us in January and reclaimed their Banner. But, we still have two on display. On January 17 we came home with the Boots and Slippers Banner and February 1 we danced with the Batavia Twirlers and brought home their Banner. The Web-Spinners were there also and went home with a Banner belonging to the Twirlers.

On February 7 we were invited to dance with the Singing BB's; the 12th with the Singing Squares; and the 20th we had Mike Callahan as our Guest Caller.

March 1, the Traveling Turtles plan to dance with the Harris Squares on Grand Island. March 14 will be our St. Patrick's Dinner Dance at the Red Mens Club. The 20th we have an invitation to dance with the Genesee Dancers. Unfortunately, that is our dance night and we expect to have Jerry Carmen as "Guest Caller".

We have some sad and glad news concerning our class. Gladys Crisco went skiing, fell and broke her back. Doris Wolfe will soon be going into the hospital for a short stay. Bill Ellis and Betty Wray will soon join the "Paired and Snared" group. Who needs a Computer.

I am sorry I do not have the addresses for the class members. You may obtain them from Sadie McGilvery (865-5942). We do wish a speedy recovery to Gladys and Doris and any other class or club members who might be ill. And our best wishes go out to Bill and Betty for a happy future.

Do not forget that we dance the third Saturday of each month at Monroe County Home. Anyone interested in dancing with us will be most welcome. Just be there at 2 P.M. We dance for only one hour, and the people there look forward to our visits.

Happiness is: Dancing with the Merry Mixers.

Rochester Rollaways

With spring just around the corner (we hope) it's almost time for elections. So when one of our nominating committee - the Storks, Bakers, or Deckers call on you to fill an office please give them your cooperation.

Old man winter has chased some of our Rollaways to warmer climates. Our presidents - the Heits - spent an enjoyable week in the Bahamas and the Moultons are spending two months in Florida.

It is good to have Ross Howell's workshop group dancing with us. Ross has done a splendid job with this group and it is a pleasure to dance with them. We hope they will come back many more times.

It is our sad duty to report the passing of John Andrews. John and Margaret were with the Rollaways for a short time, but will always be remembered for their willingness to help and their sunny dispositions. Square dancing has lost a real friend.

As you all know, May 3rd id Dance-O-Rama. The theme this year is "Sqing into Spring", suggested by our own Roland and Janice Chugg. The calling staff sounds superb and should provide for a most enjoyable day. Let's have a good showing from the Rollaways.

Our next dance is March 14th with Ross Howell calling. See you there.

Don and Doris Maxim

PROMENADING B'S

"WATTS" going on ?

I'm a BLA CK-OUT badge and you can get me Saturday, March 22nd. Come help generate the current. It's positively charged with fun and surprises at our high-light dance. Don't resist.

The round dance class is moving along by leaps and bounds. Sorry Ron, we mean two-steps. We understand that some people will do anything to get out of it. Falling down the stairs didn't work Brenda. Even an accident won't help, Bernie.

Have many of you danced with the teen clubs yet? It was Judy Fotch's ? birthday, (already she's not telling) so we surprised her with a party at the teen club dance. Let us tell you, those kids are the greatest.

As we are more than halfway through our club year, we want to take this time to let our caller, Ron Fotch and our officers and committees know how much they are appreciated for the good job they are doing. Although it seems like sometimes we don't notice, it shows by the way our club is growing. We all know who keeps our caller organized, thanks Betty.

as we "March" on,

Swinging BB

Our Valentine Dinner Dance will be held at the Town-line School in Spencerport on Feb. 15th. Class members are invited to come and join us.

Herb and Kay Wendt's daughter, Cheryl was married Jan. 31st. And Herb and Kay celebrated their 27th Wedding anniversary on Feb. 1st. Congratulations.

Ginny we all hope you are doing well and will be able to join us soon.

Our club has invited the Village Squares and Tecumseh Squares to dance with us on March 1st. Hope we have a good turnout.

Till we square em up,
Jim and Mary Messer

Singing Squares

Picture yourself at the DeMay Hotel. It's approximately 10:00. There's a drum roll. The lights dim. (I said use your imagination)! Here comes the distaff side of our presidential couple to make the announcements..but wait! Look at that long piece of paper. Sure enough, it's our President Taw, Joann Englebrecht with a "few" announcements. She must also use small print as it takes both her and our caller, Al Howe and his glasses to get the words all read.

Al calls from his "perch" every Wednesday night. The iron supports for a non-existent canopy over the stags make him look as if he's standing in a large play pen. Joann is going to get him a mobile toy to watch -- instead of the dancers.

Our Christmas dinner was great -- food was delicious. One table's entertainment was Kay Dodds telling alligator jokes. We were sorry we humored him by listening. The waitress was sorry she eavesdropped. Kay, why weren't you sorry?

Some of our class members joined us for the evening. We were glad to have them with us and hope they had a good time. We look forward to the time when they will join the club.

Santa stoped in and we all sat on his lap. (Not at the same time.) Bill David mysteriously disappeared during Santa's visit. Even Doris couldn't explain it.

Our St. Patrick's Day Dance will be the 12th of March and I'm sure Al will call his fast-moving, wild, Irish singing call that Feg Stimson likes so much. That will be as much fun as trying to hug Jack Brocksopp in his barrel costume with the W I N button on it.

If you like dancing with a good group and a top-notch caller come out and dance with us on Wednesday nights at 8:00.

See You There!

Don and Shirley Larson

Triggers

The third Tuesday of each month is being set aside as FRIENDSHIP NIGHT. Our Club members are asked to invite a couple (square dancers, of course) from another Club as special guests for the evening. This is proving to be quite successful, and how great it is to see new and familiar faces! Maybe, we shall see YOU on March 18th, our next "FRIENDSHIP " night.

Classes for the Triggers have evolved; the scene is at English Village school every Thursday evening from 8:00 to 10:00, and we must say they are a very enthusiastic group!

Our club members were invited to put on a demonstration dance at the Hill Haven Nursing Home last month. Thank you Franziska and Stefan for your wonderful hospitality!

Our congratulations are extended to Madge & Walt Golden who recently became proud Grandparents.

You don't have to go to New Orleans to witness a Madri-Gras. Last month this event was enjoyed by Club members and guests.

We shall be guests of the EKC-0 Squares on March 26th.

The Easter Bunny will be coming soon, and "bunny ears" badges will be given out at our "Bunny Hop" on March 25th. Won't you come and join us?

Fred & Norma Twietmeyer

SPIN 'N' WHEELS

February 7th, the Spin-N-Wheels traveled to Bergen to capture the Promenading B's banner. A fun evening was had by all.

The Spin-N-Wheels have set Wednesday, March 12th for their St. Patrick's Day Dance.

The class of Spin-N-Wheels will have Chip Kellogg as guest caller on Thursday, March 20th.

Wednesday, March 26th, the club has extended an invitation to the Promenading B's of Bergen.

Please remember: GUESTS ARE ALWAYS WELCOMED.

Swingin' Eights

1975 started out with a bang, had a great dance with Bruce on January 4. Dick Schweitzer called for us on the 18th, what a crowd, great dancing lets keep the hall full.

Welcome to Brian Bonham and Pat LaRue and Ted and Sandy Whitacre, they joined Swingin Eights in January.

My apology to Jan and Don Oestreich, my typewriter spells terribly, 3 times and its out.

Boy did Linda ever get nominated, that will teach her to nominate yours truly for everything, now its Ed's turn. Guess what?? I nominate Ed.

Swingin Eights have been invited to dance with Irondequoit Squares on March 8th at 8 PM, Laurelton School, let's have a good turn out.

Sorry to hear Slim Kreutter is still on the sick list, we all wish him a speedy recovery.

Glad to see Ann and Jim Haug back with us after a bout with the flu and hope Kathy and Al Serfass are feeling better and will be back with us soon.

We would like to thank Al and Jim for doing such a great job on the Dance-O-Rama posters and for all those who hand colored every last one of them, (posters that is).

Congratulations to Mike and Mary Prado, they were Married 45 years on March 1, and also to George and Una Shaw who will be married 40 years on March 28th, FANTASTIC "Happy Anniversary".

Don't forget our annual Beginners Ball, March 14th at 8 PM, Hosea Rogers School in Irondequoit.

Bill and Terry Barnes vacationed in Florida in Feb. and Sally and John Soltysaik are soaking up the sunshine in Florida and refuse to come back until the snows all gone here and as I write this they sure won't be back this week.

We had an extra dance February 8th, about 7 squares came out in the snow and Bruce looked great in his blues, sounded great also, we had quite a workout, and quite an evening, flat tires, squirt guns and a couple of Berner productions.

I leave a notebook on the Treas. table and if anyone has anything they would like in print please write it down, this month one of the gems was, "Maryann feels safe in the woods with Knute", now what does that mean? I guess only Maryann and Knute can tell us that, let's ask them.

Well that's it for March, see you in April. The Longs

Twirl A Rounds

Due to the careful planning of Carolyn Dietrich and Andy Spadoni, our Valentine Dance was a most successful party. We hope you all had as much fun as we did.

Special events coming along are keeping the club mighty busy with new plans.

Graduation for the new class will be April 16 and we are looking forward to having all these good dancers join our club. They are really doing so well that some of us old-timers are a little jealous.

Our agenda also includes a special dance evening for March 12 and we hope all area round dancers will plan to dance with us from 8:00 to 10:30 on this Wednesday evening at the Fairbanks Road School in North Chili. We are looking forward to seeing many of our round dance friends who belong to other clubs.

Be sure and remember to include the Dance O Rama in your future plans for May.

George and Audrey Mura, (Sr.)

Hope your all ready because its coming. You say, whats coming? Why our Midway buffet and dance on the 18th, with some help from the Ashleys & the Pounds and we know its going to be a good one! So watch for details.

Our Valentine Dance was great fun and we thank the Kelloggs and Slomcenski's for the great job they did. Also we thank Bruce for the yellowrock, and our sweet-hearts thank you! (We'll get ya Bruce!)

We know you'll be happy to know that from now on from 8-8:30 we will be having square dance workshops. That ought to get our blood circulating and our feet moving----to the right spot!

For all you Round dancers, Bob Slomcenski will be starting Tango basics. So if you havent learned them, now is your chance.

Congratulations to the Round dance class, they graduated Feb. 23. And we hear they did a fine job.

Speaking of classes, we hear the square dance class is doing very well. We are proud of you.

You've all heard the motto "The Squeaky wheel gets the oil" haven't you? Well thats what we want to hear "the squeaks". We need to know what you think and what you want for YOUR club. That is what your club and the board needs to hear from you. Talk to anyone on the board, they'll be glad to hear from you and accept your comments. We're working for YOU!

Well I finally did it! An oooooops. I take 3 rounds with a square! Apologys to Bob and Vivian Muffley, who celebrated their anniversary on Feb. 10th. We hope it was a happy one.

We wish George and Una Shaw a very happy Anniversary on March 28th. They know how to make life exciting for everybody and everybody loves it. (Many More)

A warm welcome to our new members Bob & Helen Ellicott.

A get well wish goes to Ann Ashley, hope you are feeling better.

Walt and Sheila

Wayne Westerners

On January 25th we danced at the Wayne County Infirmary, after several tips we wheeled two sets of the patients in a simple square dance. The patients really enjoyed our dancing and asked us to return in the near future. Our thanks to Harold and Lila.

We were happy to see Floyd Kuhn back at the last dance along with so many other dancers and hope to see many more at our future dances.

Bob Slomcenski is refreshing some members in the basic round dances in hopes to get more people out round dancing.

Remember - March 13th, St. Patrick's Dance with Chip Kellogg as guest caller.

VILLAGE SQUARES

Who says Rochester winters are bad news? The folks of Village Squares have continued to enjoy fun dances and good crowds despite the usual snow, ice, and illness we all have to cope with this time of year. On February 10th, class members joined the regular club for a night of good dancing (That class excels!) and a lot of laughs. Highlight of the evening was the delicious refreshment table with all goodies prepared exclusively by the men. Thanks to Chet Manchester of the club and Art Bragg of the class, our master chefs who engineered the spectacle.

Our new format of forty-five minute workshops at the start of each evening's dancing has been very helpful. We especially appreciate being brought up to date with all the latest "calls of the month," new revivals of old calls, and even the less frequently called but usually troublesome ones that have a way of tripping us up from time to time. This is a project requiring patience plus and our good Dick Casper certainly deserves a prize for his!

Dorothy Magin's class of round dancers are learning their steps well. They have been progressing noticeably and their new skills are greatly admired by an audience of envious non-round dancers between tips. Keep up the good work, class! As we swing into March with spring hopefully not too far away, we look forward to another month of fun times with all our square dance friends. Come join us on Monday nights at the East Rochester Presbyterian Church. We think you'll be glad you did!

David and Joanne Poland

Web Spinner

For the past few weeks, Web-Spinners have been on the go-"banner snatchin"- so to speak. In January four couples went to dance with the Merry Mixers and retrieved our banner. It was an evening of fun. However, they told us that if we hadn't come after it by then, they were seriously considering returning it in a funeral procession ceremony. Say, that might have been interesting, right?

Another eight couples of Web-Spinners traveled to dance with the Batavia Twirlers recently hoping to capture their club banner, but the Merry Mixers beat them to it. Consequently, our club ended up with their traveling banner. Better late, than never, we say! Irene & Pete Schaertel played host for this group by inviting them back to their home. The Fecks had planned to go dancing too, but were unable, so the party ended up at their house - getting them up out of a sound sleep. Well, who needs rest and sleep anyhow?

By the way of the grapevine, we understand that Bill Klos thinks he is entitled to his "Oak Leaf Cluster" to attach to his idiot badge - how about that you two "Bills" - we think it is a great idea.

Our hats off to the committee for a fantastic Valentine Party. Pete & Irene Schaertel were co-persons, Andy & Mary Kay Tanghe did the decorating, the Lukes managed clean-up with the Aylings advising in all departments. Many thanks, committee, for a job well done.

Not only do our members go traveling in search of banners, but as this news goes to press, the Mullens are basking in the sunshine of Hawaii. We are most envious of Chet & Kay Kuhn, too, as they depart for Jamaica on Feb. 16th. We sincerely hope that these four, as well as anyone else, who might be enjoying a vacation at this time of year, have a great and exciting one.

"Happy St. Patrick's Day" to all!
Asher and Marion Flint

WHICH WAY WHIRLERS

Since our last writing we have been guests at two clubs; The Dalton Gang and Cal-i-co Squares. Its good to see more of our club getting out and dancing with other clubs.

March 19 is our annual meeting and then Graduation is coming up soon, on April 9th.

For dancing really fast at our last dance, badges could be ordered with "Ricochet Bradt" on them.

Saturday March 1st is our next special dance with Mike Callahan as the caller. Rounds will be cued by Bernie and Rita Hayward. Hope you can all come join us for this evening of fun and dancing.
