## CLUB OFFICER: HOW ABOUT YOU?

If you are asked to run for a club office, what is your reaction? No thanks! I couldn't do it! Ask someone else! I'm too busy! Although some people may have a legitimate reason for not accepting nomination, I believe that the general negative response is often due to the attitude and recruiting technique of the present officers and nominating committee.

Because every club must have officers to make the organization function, how can a club entice the best qualified, most enthusiastic, and dedicated people to agree to nomination?

Tell it like it is! Why? If a prospect accepts only after being assured "oh, it's easy - it won't take much effort", you can be certain of the quality of leadership your club will receive!

What does it take to be an officer?

- It takes TIME: to meet with fellow officers and plan club activities - new and better ideas for club operation will result.
- It takes EFFORT: to involve members in activities and to keep them informed - increased club spirit will result.
- It takes UNDERSTANDING: to build interest in the club for the newest beginner as well as the most experienced dancer - increased participation in club activities will result.
- It takes DEDICATION: to provide the week-to-week direction that every club needs - the result is a deep personal satisfaction from knowing you gave your best.

When you are asked to run for office, your club is honoring you because they believe you have what it takes to make your club an even better organization than it is now. Since no organization of people ever remains static, we all want our clubs to grow and prosper rather than die.

In school, we learn such ideas as "it's not nice to seek an office", "a person does not vote for himself", etc. NONSENSE! If you would like to lead your club to even better days ahead, call the chairman of your nominating committee and tell him so.

Most committees would love to hear from you because, often lacking the positive approach, they struggle to fill slates.

If you, as a concerned member, want the best officers possible for your club, why not suggest that each person nominated present a list of ideas for making the club better than ever? I would much rather base my choice of next year's officers on such a list than on: 1) Friendships, 2) Years in the club, 3) Dancing level of the nominee, 4) Couple with the best smiles.

See you at the polls!

**NEWS FOR CORRESPONDENTS**

The NEXT issue of the PROMENADER will be a TWO MONTH (December & January) issue. That means that by Nov. 10th, we need dance schedule information for both December & January, and a club column that covers events and news for both December & January.

ADS for events in January will have to go in the next issue, also, again to the editors by Nov. 10th.

Please put your CLUB'S SCHEDULE on a SEPARATE, LARGE sheet of paper from your club news. The separate sheet is a great help to us in keeping information in the right file, and the large sheet helps keep it from getting lost in the sea of paper we find ourselves in each month! Thanks for your help.

Some clubs who have provided us with dance schedules beyond the present month need to remember to send information for 1977.....some of these schedules end with December 1976. Thanks again.

If you have not yet sent us a DRAWING or PICTURE of your club's BADGE, please do so and we will add it to those now appearing in the Club News section. (a Xerox copy of the badge works just fine.)

CORNER

The year of 1977 promises to be a busy year for the area square dancers.

We've received literature concerning special dances in and around our area. The PROMENADER is keeping everyone posted on the dances. The National Square Dance in June will be in Atlantic City which is only a day's drive from Rochester. Last year the attendance nearly reached the forty thousand mark, so if you plan to attend, make your reservations early. Your club has reservation forms.

And especially, our DANCE-O-RAMA ---- the first Saturday in May. We're fortunate to have John and Daphne Fink head up the committee for the D.O.R. John and Daphne are past presidents of the Boots 'N Slippers, as well as the previous presidents of the Federation. We're also lucky to have Pat Fiegel & Cliff Fulton as co-chairpersons; Cay Jackson, the secretary; Sid Galinsky, treasurer; and Frank Salvagio, in charge of publicity. With this well qualified committee, the D.O.R. is sure to be a success....that is....if you help!

Let your Federation Representatives know in what way your club will participate. Assignments to the various committees will be made at the November meeting. If you have a preference let John & Daphne know.

Have fun dancing --- or better still, make dancing fun!

Don & Mary Waterman

Howdy! Miss me? I'm a little late this year. I've been out campaigning.

Do you want hot, humid halls? Do you want sticky floors? One candidate promises free peanuts, another says to take a chance on a Ford.

GET A SQUARE DEAL!

Vote for Hal Abberger for your Representative

If I'm elected, I will promise you new air-conditioned halls, with polished floors. No gum.

HOUSING: New homes with large basements, no posts. I promise you two Tape Recorders in every home. A chauffeur to take you to the dance. A blonde baby sitter in case your hubby is too tired to go to the dance.

CRIME: Turn your back and the club banner is missing. Set your coffee down, come back, it's gone. In its place is a soggy doughnut, half eaten. Petty crimes you say, petty crimes like these lead tooooooo....

Violence in the sets! Somebody steals your corner or you might be mugged by your left hand lady. One ole man had his gnat boxed. It's getting so it's not safe to walk across the set. These crimes must not go unpunished. If I'm elected I'll see that all goofers are sentenced to the Dixie Chain gang.

POVERTY: Who needs it! Vote for me and appropriated funds will get to the right people. Not the rich with their many petticoats, but the real poor, with their one shabby shirt.

TAXES: Not only am I against a Sir tax but I am also against a Mrs. tax. I would even give the Madams a break.

I will have them pass a law giving all square dancers many extra deductions. For instance, you could take off all your clothes.

INFLATION: I would do something about those inflated petticoats. They are getting soooooo large that you have to stretch to hold hands. My Taw had one on last week and while I Do-Sa-Do'd her, the guy in the next set Do-Sa-Do'd her petticoat. I say - that's spreading it too far.

NEW VOLUNTEER ARMY: I will recommend that all volunteers who are rejected for two left feet be directed to report to Howie and Dot DeGrave's Round Dance Club, where they will feel right at home.

A vote for me is a vote for the Square Dance future. Ideal conditions, where the Callers pay and the dancers get in free.

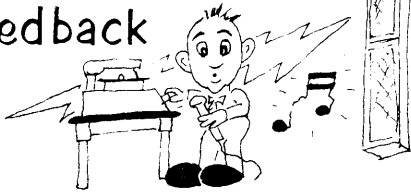

VOTE! VOTE! and if you don't vote for me I'll get even; I'll dance in your set.

THIS IS AN UNPAID POLITICAL ANNOUNCEMENT-

Thanks anyway,  
Hal Abberger

Last month's column was a counterfeit -- this one's the real thing. We take great pleasure in welcoming Hal and his column back to the Promenader (This will be Hal's 15th year of writing for this paper!) - Ed.

## feedback

Dear Editor;

This is in response to your "Why The Interest in Dance Levels?"

### "LABELS YES, LEVELS NO"

We enthusiastically endorse the labeling of clubs as a means of retaining square dancers and making sure that each dancer gets what he or she wants from the movement.

Our concern with the level or ladder analogies is that they imply superiority and inferiority, not just difference. While some may think that "Wind the Bobbin" or "Squeeze the Hourglass" represent the current ultimate in square dancing, others dislike them because they seem more like close order drill than dancing and still others simply don't want to be bothered with yet another 75 movements.

To those who say we need these calls to avoid monotony, we say baloney! There is plenty of variety possible within 75 basics (or even 50) for years of satisfying dancing if callers would only use them. There are certainly those who have the time and the interest to learn and dance a succession of ephemeral "latest and greatest", but there are also others who want to relax and enjoy dancing without the eternal stop and go of walkthroughs, reviews, and teaching of new figures every night. We in the Western Square Dance Movement have elevated the learning of new figures into an end in itself -- into a measure of dancing ability, which is nonsense. If there are those who want dances with 100's of basics--fine, but for the rest of us, let's have clubs where we can really dance, smoothly, relaxed, and comfortable.

Let's have "hobby" and "recreation" clubs, "red" and "green" clubs, but not "high" level and "low" level or "advanced" and "beginner" clubs.

Lets by all means decide on some meaningful and non-discriminatory labels and lets use them in PROMERADER and in fliers. even more importantly, however, lets really have some choice for dancers. If all clubs are "mainstream plus" (because that's higher), where can someone go who is tired of workshopping every tip and just wants to dance?

Each club must decide if it wants to run a dance or a contest. Each can pick a spot on the spectrum and stick to it. Blue, red, green, and yellow all have their adherents and all kinds of dancing have theirs. Labels yes, levels no!

Dear Editor;

With all the talk and discussion about dance "levels" in the past few months, I have come across an article which I think is excellent and worth a reprint in the PROMERADER ---- Mike Callahan, Hilton, NY

OPEN DISCUSSION...ABOUT LEVELS. How many (area) clubs and/or workshops include a designation of dancing LEVEL in their advertising? How many area clubs do YOU know of that do NOT indicate any LEVEL whatsoever for their dances?

Have you ever stopped to think about this... all the major S/D events, such as the National Convention, State Conventions, etc., provide dancers with printed programs indicating various dance levels in different halls.

This is done for the sake of guiding the dancer into the particular hall where he or she can find the most enjoyable dancing, according to his or her individual dance capability.

BUT - if that same dancer is never given any education on LEVEL by callers and class teachers AT HOME, if that same dancer can just go to a dance from 8 to 11 P.M. and LEVEL isn't even hinted at - HOW, repeat HOW is that dancer supposed to know WHAT his or her LEVEL capability is when looking at the printed program at the major S/D event? That dancer hasn't the foggiest idea of which hall to go to! So what usually happens? That dancer heads for the Advance or Challenge hall, without any idea of what those terms mean. Everyone would like to drive a Cadillac - and everyone likes to think of themselves as a "High Level", experienced dancer. Nobody wants to be seen entering a beginners' hall.

We feel this lack of education toward dance LEVEL at home is one of the major problems in the activity today. We thought the Callerlab "Dance Level Identification" Committee was going to come up with suggestions for resolving this last April. The title of the committee certainly seemed to indicate that would be their study area. Frankly, we were disappointed when the committee only worked on creating MORE LEVELS ABOVE Mainstream, and did nothing to help define existing terms.

There are lists of Basic Movements now in existence which conceivably cover a dancer all the way from Beginner right on up through extended Challenge Level. ....we feel use of LEVEL designation at ALL dances, and dancer education of dance LEVELS are extremely important items for us ALL to work on this season.

-NEWS 'n NOTES, Sept. 1976

(Permission to reprint this article received from  
NEWS 'n NOTES)

We don't want to belabor this issue and we certainly don't want to start any arguments (remember, we're all in this for fun), but these two letters are excellent examples of the opinions and concerns that surface whenever levels/labels are discussed.

A common thread runs through both -- the need for action on the part of clubs to DEFINE as best they can, the KIND of dancing they feature, in a way that's understood by both members and non-members. To this we say "AMEN"! - Ed.

## Batavia Twirlers

Two hundred couples supported our Fifth Annual Cancer Dance. Nearly \$1300 was donated to Genesee County Cancer Society to fight Cancer. We extend our sincere appreciation to the following callers & cuers:

Jerry Carmen	Gene & Mary Knisley
Gordy Copeland	Leo Parsons
Ron Fotch	Bob Slomcenski
Dennis Frey	Betty Wolcott

Without their services our benefit dance would not have been possible.

Special credit is due to Lou Snyder, who, after a two week hospitalization due to a severe eye infection, was on hand the night before the dance to help set up. Dedication like this, the co-operation of all our club members, and Bert & Betty Wolcott's organizational ability made the evening very enjoyable.

Batavia Twirlers are guests at which way Whirlers on Nov. 3rd, at Web Spinners on Nov. 5th, and at Promenading B's on Nov. 19th, so let's go out and do some traveling!

Jim Dutton will be our guest caller on Nov. 6th and Betty Wolcott will cue the rounds. Larry Dunn returns for our Nov. 20th dance, at which time Calico Squares will be our guests. You come and join us too!

The Presidents

## Belles & Beaus

Hello again! Our thanks to Marg & Don Tracy for substituting for us while we were away.

Our club picnic (and nature hike led by George Hagberg) on October 10th at Mendon Ponds Park was such fun ..... and such food! The following evening's dinner dance at 3 Acres Party House was great also. Good thing we could help dance off the calories!

More laughter and fun was had at our 2 Halloween parties. October 27th - our class, and Nov. 1st - our club. Thanks to our Directors. They even had prizes for hats, masks, and most creative costumes.

The club has sold many Dinner and Theater after dark books to take in much needed additional revenue.

Replacements: - The Walkers for the Tracys, whose term expired as Jr. delegates to the Federation. The Watermans become Sr. delegates, and are to be congratulated - They are the new Presidents of the Federation. Dick and Myrtle Moore replaced the Mullens as Vice-Presidents of the club.

Many of you are missed. Rose McNaughton had a foot operation but the McNaughtons say they'll be back.

Hope you are feeling better, Rose!

The familiar sound of "Ole!" has been missing. Hal Abberger fell at his home and suffered a broken wrist. Only Hal could trip over a "Welcome" mat!! Hurry back, Hal!

We have missed the Haddletons who have been in Europe visiting one of their children and touring.

We wish Ken & Kay Fredrick much happiness in their new apartment here, and lovely new winter home in Florida. We'll miss them.

Hope you all beat the Oct. 20th deadline for Promenader subscriptions. We are fortunate to have such a fine publication - and such dedicated people to put it out.

For those with birthdays, anniversaries, retirements, etc. - our congratulations. For those who had illnesses, bereavements, problems - our prayers. Two talented members will skate with the Olympic ice skaters at the War Memorial. Let's go - and give Werners our support on Nov. 20 and 21st.

Continue dancing and smiling. We like seeing you around the square!

Norm & Althea Rosenburgh

## Boots n' Slippers

Boy, did we do a lot of good eating with all the great food we had at our potluck supper held on Oct. 30. You say you missed it? -- well, you will have to ask one of your fellow square dancers all about what happened. After all the great eating we danced to Mike Callahan. A big "thank you" to Bob and Sandy Marr for all the decorations. Also thank you to their committee who helped them.

Have you checked your monthly schedule for November? We have two guest callers this month, Mo Howard and Al Howe. Check below for the date.

Nov. 5	Mo Howard
12	Mike Callahan
19	Al Howe

You might also like to note our Mystery dance on December 3rd. This is a closed dance. Don't forget, you will have to sign up to ride on the bus. Anyone who went last year can tell you not to miss the bus ride that is part of the mystery dance. I wonder where we will go this year? Well, no matter where we go, we are sure of good dancing.

Al & Nancy Alton

## Callers' Co-op

Two good solid programs are scheduled for October 17 and November 7th at the United Covenant Methodist Church on Culver Road. Ken Anderson will be teaching sight calling on the 17th and Cindy Bartlett, a voice therapist at General Hospital will discuss care and feeding of overworked larynx's on November 7th.

## Cloverleaf Squares

The following was passed to me late one evening by a young lady, who (I hope) had other things on her mind. It is passed on here with only slight editing. It does not necessarily reflect the opinion of the author or the club, and is offered without endorsement.

Go placidly amid the noise and waste and remember what comfort there may be in owning a piece thereof. Avoid quiet and passive people unless you are in need of sleep. Rotate your tires. Speak glowingly of those greater than yourself and heed well their advice even though they be turkeys; know what to kiss and when. Consider that two wrongs never make a right but that three do. Wherever possible, put people on hold. Be comforted that in the face of all aridity and disillusionment and despite the changing fortunes of time there is always a big fortune in computer maintenance. Remember the Pueblo. Strive at all times to bend, fold, spindle, and mutilate. Know yourself; if you need help, call the FBI. Exercise caution in your daily affairs, especially with those persons closest to you. That lemon on your left, for example. Be assured that a walk through the ocean of souls would scarcely get your feet wet. Fall not in love therefore; it will stick to your face. Gracefully surrender the things of your youth: birds, clean air, tuna, Taiwan; and let not the sands of time get in your lunch. Hire people with hooks. For a good time, call 271-8292; ask for Bob. Take heart amid the deepening gloom that your dog is finally getting enough cheese; and reflect that whatever misfortune may be your lot, it could only be worse in Milwaukee. You are a fluke of the universe; you have no right to be here, and whether you can hear it or not, the universe is laughing behind your back. Therefore make peace with your God whatever you conceive

## Copy Cats

Moving along into the 1976-77 season we find Jim and Helen Fordham back as club Presidents, and Mat and Joy Moll stepping in as Vice-Presidents. They have kindly consented to fill the vacancies which existed.

A record class of twenty-one couples meeting each Tuesday evening are finding out how much fun square dancing can be. It would be nice to have forty-two new Copy Cats next year.

The pot luck dinner and dance October 9th was well attended. Tempting dishes enticed many of us to load up on calories knowing that we would burn them up later dancing to the lively calls of Mike Callahan.

Let's all come out to dance this month. Jerry Carmen will be guest calling on the 13th and Mike Callahan will be back on the 27th.

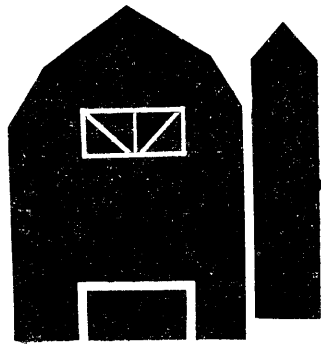

Norb & Ellie Voellinger

Him to be; Hairy Thunderer or Cosmic Muffin. With all hopes, dreams, promises, and urban renewal, the world continues to deteriorate.

Don't forget our Great Spooky Dance, only \$1.00, on Halloween!!!! For November...dances on the 14th and the 21st...Mike Callahan will be with us on the 14th and Mr. Reak Allor will be with us on the 21st.

## Country Twirlers

Our dances with Joe Reilly and Maurice Warner were very enjoyable. Also the National Caller, Ed Fraidenburg was a fun evening for all.

November will be a big month for our dancers. Beginning with Sat., Nov. 6th, we are having a Mystery Ride starting at the Washington Irving School at about 6:30 p.m. at a cost of \$6.00 per couple, payable by October 30th.

Friday, Nov. 12th, Curly Custer will be our guest caller with Bob Slomcenski cueing rounds.

On Friday, Nov. 19th we are having a "Western Style Hoedown" with Jim McQuade calling to a live Band from Wyoming Valley. Look for our ad in this issue of the PROMENADER and come dance with us.

For all Fun Badge collectors we are planning a Fun Badge Night, Dec. 17th. Jon & Phyllis La Fontaine will be chairing fun badges. Once a month there will be one dance night for badges. These dates to be announced later.

Betty Kimble and Carol Sullivan have been recovering from surgery, also Bob Williamson had a bad fall at his work and is on the recovery list. We hope they are all back dancing soon.

Friday, Dec. 3rd, Jerry Carmen will be our guest caller with Bob Slomcenski cueing rounds.

On October 23rd, EKC-O Squares were our guests and Oct. 30th our guests will be the Rescue Reelers. On Nov. 27th, the Belles 'N Beaus and Wayne Westerners will be our guests.

Lets remember to share our fun, dance with a guest couple.

Until we square up again.

Frank & Nancy Austin

## EKC-O Squares

As the holidays are fast approaching, it's nice to reflect back on our welcome back dinner dance and our open house. Among those attending were Edna & Howard Ducker, 1963 EKC-O Squares presidents. They gave up dancing for a number of years, took lessons again and graduated the second time around in '76. With them in the first class in 1961 were Gerry & Chuck Frister. Second class graduates, also attending the dinner dance were Doris & Bill Wolff, and Rita & Leo Leonard. It's great to have such devoted members! We have many more that haven't been mentioned. EKC-O Squares is very grateful for the years of continuing support of such dancers.

Ethel & Russ Helfer are now our Federation representatives, and Thelma & Chuck Johnson are our Jr. Federation representatives. It's nice to see the Johnsons back dancing! Chuck was in the hospital and a recuperation period kept them away for a while.

A lovely hand painted tray, so talentedly created by Harriett Klotzback was gratefully received by Vi Walther. Vi & Les celebrated their 35th wedding anniversary in September. Anniversaries were also celebrated by the Kendricks, C. Korn, and O'Connors. Congratulations to these dancers and anyone missed. Jean & Chuck Korn became the proud grandparents of a granddaughter on Sept. 22nd.

65 couples attended the open house. There are 22 couples attending the class. It's great to see so many young people interested!

Many of us know Nell & Joe Petrelli and have greatly missed them dancing in a square with us. Joe has been in and out of the hospital for many months with a serious illness. But with all the prayers and good wishes from all their square dance friends, Joe can only recover to be someone's corner in a square soon.

Many of us enjoyed dancing to Dick Schweitzer on Sept. 24th, and Randy Anderson on Oct. 1st. We'll be dancing at Kodak Park thru December. Mike Callahan will be calling Nov. 5th; Ron Libbey from Portland Maine on Nov. 12th; and Beryl Main from Aurora Colorado on Nov. 19th. There will be no dance on Nov. 26th. All guests are welcome. Come and join us for a fun filled Friday evening! Hope to see you!

If we have omitted something we shouldn't have, we are sorry, please call or see us. Items of club interest are what this column is for. Belle -- it's contagious. Happy dancing.

Gloria & Anton Betlen

## Genesee Dancers

Happy November! As you all know, it's the time of 'leadership' decisions, local, national, and even square dance clubs. Leadership is like gasoline, you don't give it much thought until you run out of it. Then you've got a problem. The health and well-being of a square dance club is directly proportional to the amount of effort that's put forth by its members, so don't wait to be asked, if you have any desire to help guide our club, make yourself known to the present board. There's always a job available for anyone willing to work. 'Nuf said.

The first national debat fell on a Thursday, causing a small problem in attendance, so our Pres., Joe DiBitetto, got on the phone and telephoned you-know-who and said, "Us Presidents have to stick together," then he phoned you-know-who and threatened to stop serving peanuts at Genesee Dancers. Voila! No more Thursday night debates!

Congratulations to former members Mike & Sandy Walsh on the arrival of a daughter October 4th. The Walshes now reside at 4704 N.W. 73rd St., Oklahoma City, Okla. 73132.

Bob & Nora Slomcenski have now taught us a couple of dances plus the 'Continental Good Night' which we will all want to stay to the very end of every dance in order to perform, it's so beautiful. Bob & Nora have generated much enthusiasm for the rounds, and plan to continue teaching the first and third Thursdays of the month (schedule permitting), and will be doing review and fun dancing the other Thursdays.

Lia Zwack reports that she's now talked to all 50 states on her ham set. She also attended a 'ham' convention in Toronto in October.

Good luck in all your leadership decisions. Bet you didn't know that one presidential candidate and his wife, Roselynn, were members of Sumter Squares in Americus, Ga. We figure anybody who's a western square dancer, an engineer, and also shares the name Carter can't be all bad!

See you Thursday,  
Carter & Jeanne Perkins

P.S. To whom it may concern: We drive a Ford, not a Lincoln!

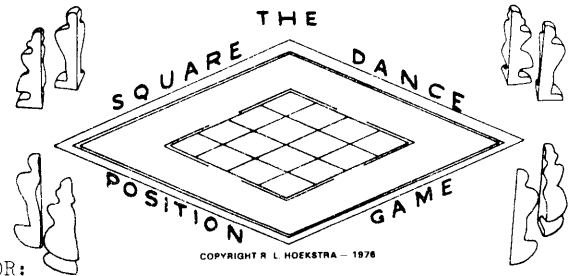

## Geneva Friendship Squares

We are dancing at a new location this fall -- Northside Fire Hall on Carter Road, Geneva. We are hoping that this will meet with everyone's approval, so that we can make it our permanent location. We still meet the 2nd & 4th Friday of each month.

Once again we are proud to say that we entered a float in the Phelps Sauerkraut Festival. In spite of our dancing on the float in pouring rain, we again won a prize - second place.

On Monday, November 8, 1976, we are hosting a western square dance with calls by Marshall Flippo and rounds by Al Overslaugh. It will be at the Geneva High School, on Pultney and Milton Streets, Geneva, from 8 to 11 p.m. There will be a donation of \$3.50 per couple. Refreshments will be served. All are invited to attend.

Sandy & Estelle Katz

FOR:

**CALLERS** -- to clarify some of the more confusing figures with just a few people looking for a little extra help without having to get a demonstration square together. A real boon to the caller wanting to work out new ideas.

**TEACHERS** -- to more clearly show just how a call is to be danced without depending entirely on vocal instruction to novice dancers. A valuable supplement for new classes.

**ALL LEVEL DANCERS** -- to work out the call you just learned or one that you want to recall and settle more firmly in mind. The pieces may be moved as in a game of solitaire or with just you and your partner or with any size group gathered around a flat surface. By using just one game piece you can test your own ability and understanding of the latest calls by ending in the correct position facing the right direction.

**KIT CONSISTS OF:** 8 matched hardwood figures (4 men and 4 girls) with instructions and coloring materials to designate partners and corners at a glance. A square layout significantly numbered for positive positioning and facing direction. Self examination test on the basic movements and worksheet forms for developing new ideas.

## Glass Slippers

We have an important announcement for all of our Square Dance friends, of the Glass Slippers. We are all extending a warm welcome to our new dance hall. We are dancing there every Monday night from 8:30 until 11 p.m. We are at the Campus School (Cooper School of Innovation.) This is located near the State University at Brockport. Anyone who came and danced at the Freedom Train Room at the DOR '76, will know where it is.

Wow, was your October as busy as ours? We hope so. We had three couples travel to Syracuse and dance at SASDA. All reports from the Bensons, Messers, and Vivemores were all good. All said they had a fun-filled weekend. Also we are blessed with a few new additions to some of our families. The Fotch's and The Miraglia's both are now grandparents. Also when you see Mary M. ask her just how can anyone fall going into a pub. She said she'll give step by step instruction to anyone interested. Right Mary.

Please come and see us on one of our dances this month. We will be dancing on the 1st, 15th, 8th, and 22nd. On the 22nd we will have a turkey surprise, come and find out what it's all about.

See you in a square

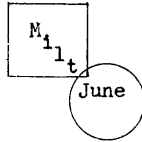

George Burch

## Henrietta Friendship Squares

We wish to extend a warm welcome to our new square dance class. This year we have our teen-agers joining us - no generation gap here!

October 23 was a fun night for all at the Halloween (costume) party. A special thanks to Mary Ann & Chuck Riesenberger for decorations.

See you at the dances.

## Irondequoit Squares

Our apology for having missed the Promenader report for October. We were out of town at the time and frankly just goofed it.

The annual picnic was held on Sunday, Oct. 1st and the weather man sure co-operated by giving us a beautiful day. A great time was had by all.

Our first dance of the season was held on Saturday, September 25th. I am sure that for most of us, the long summer layoff did not help us keep up in remembering all the calls Bill Wilcox taught us. With the first dance under our belts, I am sure we will be all back in the groove very shortly.

Bill Wilcox is busy putting our new class members through their paces and they are doing great. We look forward to Bill turning out another fine group for our club in April.

A "welcome home" to Al and Nina Anderson who have just returned from a six week trip to England. Hope you enjoyed it, Al & Nina.

**COMING EVENTS:** Make sure that you mark the following upcoming events on your calendar.

Oct. 30th - Is the night for our Halloween Dance that will be held jointly between the Irondequoit Squares and the Swinging Eights. The dance will be held at the Hosea Rogers School at the end of Rawlinson Road in Irondequoit. If the past years are any indication, this should be a great fun night. Bill Wilcox and Bruce Shaw will be sharing the calling.

Nov. 6th - We will be travelling to Syracuse, N.Y. as guests of the Pairs and Squares. I am sure that all the club members look forward to this trip and the warm hospitality that this club always extends to us. Check this out for further details at the next club dance.

Nov. 13th - We will have a national caller - Dick Schweitzer, he is great so plan not to miss this one.

Nov. 22nd - Will be the night of our annual frozen Supper at Transfiguration Lutheran Church, 1500 Oliver Road, Rochester. A special note regarding this night was requested by our club president Al Anderson. He wishes to advise that we will have our annual club business meeting on this evening.

## Kuntry Kuzzins

Fall has been dropping its leaves upon us and it is time to get out those shirts and skirts that you put away last spring.

If you want to take in a fun dance on Saturdays, look for the K K schedule and drop in at the Kelly School and we'll help Bruce "Load the Boat."

We have Chip Kellogg and his lovely wife coming on Nov. 6th. Let's give them a good welcome.

We have a mystery ride being planned by Sam and Ricky Farnsworth. Boy, this will be a mystery -- we might not even get back! It's on November 13, so take a chance with us, as I'm sure it will be fun. Jon McNally will be back with us on November 27. Let's fill the hall for him.

Until next time, I hope to see you as my corner in a square.

Woody & Helen Covey

**WELCOME ABOARD!** The Irondequoit Squares are pleased to welcome Dick Beck as our new Round Dance Caller. Say hi and make him feel at home at our next dance.

This year the square dances will start at 8:00 p.m. The past practice of Round Dances from 8:00 to 8:30 has been changed.

## Lima Grand Squares

Lima Grand Squares have gotten off to a good start. The schedule looks very good with thanks going to our officers. We have four squares of class dancing in the lower level of the Town Hall with Gary Bubel as caller. Things seem to be moving right along and I'm sure we all agree Gary and his wife are a nice addition to any club.

With thanks going to Bernie Hayward, several couples are taking round dance lessons from 7:30-8:30 each week. They are also a welcome addition. Everyone seems to be enjoying them. At the close of the evening the class and club enjoy refreshments together. This seems to be working out very well as many of us have had a chance to get acquainted with the class early in the square dance year.

We dance on Friday, November 5th, with our own Dick Casper and again on Friday, November 12th with him. On November 19th we will travel to Warsaw. We wish you all a nice Thanksgiving. We will be dancing again on December 3rd with Dick Casper.

Walt & Marge Sackett

## Magic Squares

Well, we're off to another season of snappy dancing. Friday night (Oct. 8th) we began our classes for beginners at the IOOF Hall in Clifton Springs. A number of enthusiastic couples and singles were on hand for this new adventure in dancing, and more are anticipated in the next two weeks while lessons are still open.

A big thanks to Ron Fotch, for the good calling Oct. 2nd. As guest callers go, Ron always provides us lots of fun. Reports from some of the many area dancers attending were that tired feet were S.O.P. for Sunday.

November 13th, our regular club dance will have a change of location: Red Jacket Primary Building in Shortsville will be the scene of a really great dance. This building is located off Route 21 about 1½ miles South of our present dance location. Directions: going south on Route 21, take first right turn after railroad underpass, coming north on Route 21, turn left just before railroad underpass and/or Bud's Polar Bar. As reports have it from the grapevine, we will be dancing here the second Saturday of every month until further notice. Every other Saturday night, we'll be at our usual location at the Manchester Elementary Building. Guest clubs for the Nov. 13th dance will be Skoi-Yase Squares, Geneva Friendship Squares, and Wayne Westerners.

A large aggregation is expected Saturday, Nov. 20th as guest caller Kenneth McDaniels is slated. Come, reserve your space on the floor, and enjoy relaxed dancing.

As a final note, we are not a Challenge Club. Our thing is relaxed mainstream dancing, including western rounds and some new line dances. As I said before, we are not a Challenge Club --- but many friends?? have said dancing with yours truly is all the Challenge they need!

Squareingly yours -

Mary Ellen Petty

### Xperimental Workshop CALL OF THE MONTH

Every month at Jerry Carmen's Xperimental Workshop in Hamlin, a group of dancers workshop some of the newer calls that have been published and select the one they like the best of those presented. The dancers' selection in October was CROSS SPIN THE DEUCY.

CROSS SPIN THE DEUCY

by Dave Crissey, Michigan

From parallel waves or two-faced lines the centers cross-run to become ends, then circulate one position. The ends will fold over into the vacated position to become centers and do a FAN CHAIN THRU (cast 3/4, centers trade, then cast 3/4 again). If the figure is started from a wave, the end result is a two-faced line... if started from a two-faced line, the ending is a wave. A timing hint to smooth the figure out is to have the circulators slow down so they arrive at their position as the centers finish.

Yet another wedding in the news! Hard keeping track of them. Best wishes to Bob Mendell and Betty Moore married October 30th.

Good to see John Pelych dancing again after an operation in Sept. And, hope Len Prescott is dancing by now.

A 14th grandchild, Timothy George Reetz, born Sept. 9th, for our traveling grandma, Phyllis Isaac. Among her travels was a jaunt to Las Vegas in October.

Pat Feigel and Cliff Fulton of Merry Mixers will be co-chairmen for the 1977 DANCE-O-RAMA. Let's all work with them!

## Promenading B's

Bees are returning back to the hive for another season of dancing with caller, Grandpa Fctrh. Congratulations to Ron & Betty on their first grandchild.

Had our open house Sept. 17th with a grand turnout. Classes started Friday, September 24th.

On Friday, October 29th will be our Halloween party. Come join the ghosts and goblins, and have fun.

## Rochester Rollaways

Ed Foote, as usual, calls at our November 26th Anniversary Dance. Let's see now -- 18 years is about 260 dances and over 2500 tips. Would you believe we have a modest couple who have enjoyed it all? Do!

Our ranks are growing. Welcome to Sue and George Heron and to Nancy and Bob Gumtow. The Guntows and Herons flatter us by traveling from Buffalo to our shindigs.

The whole club is overjoyed with the news that Ross and Sue Howell are expecting a baby! That sort of happy event is a pleasure to report. Congratulations to the prospective parents.

Travelers: Joyce Hollis, Brian Bonham, and the Vreelands to SASDA; the whole club to East Meets West Weekend (Kopman & Fisk in Niagara Falls); and the Bakers to a Cleveland challenge weekend returning with imaginative new formations:

X - O - T -  $\otimes$  -  $\diamond$  -  $\square$  - W - H - A - T - N - E - X - T ?

## Rainbow Squares

We are pleased to have been accepted into the Rochester Area Federation!

We are a new, but active, club and dance Wednesday nights at the Harper Park Recreation Hall, Linden Avenue, Ken Boss calling, starting at 8:00 p.m.

Five couples attended the Flaming Leaves Festival at Lake Placid, enjoying equally the glorious weather and great dancing.

We found we had all ended up with purple feet after our Grape Stompers' Ball, held October 13.

The Halloween Party held October 25 in conjunction with our new class level members was a great success and enjoyed by both groups. It looks like some of we "old" members can take a cue from the new ones.

We are eagerly anticipating the Hatfields and McCoys dance on November 17. We do not expect too much feudin' and fussin', just great fun. Come one, come all, we are sure you will have a good time.

On Thursday, January 13, 1977, Rainbow Squares will have a Snowflake Dance, at Denonville Junior High, 2070 Five Mile Line Road, Penfield. Dick Leger, a national caller, will do the honors. This will be a fun level dance, so class level people as well as club dancers are cordially invited to attend. Keep the date in mind.

## Singing Squares

"SINGING SQUARES" got off to a "swinging" start at Open House Sept. 15th with Al Howe, Mike Callahan, and Elwood Johnson taking turns at the mike, the beginners were soon dancing like "pros". The classes started Sept. 20th. We have four squares of very enthusiastic dancers. However, we can always use more "angels" to help out.

Sept. 29th four couples from "Singing Squares" put on a demonstration at the "Wishing Well" for the Rosary and Altar Society of St. Theodore. Al Howe did the calling. He concluded the program singing two beautiful hymns, accompanying himself on the guitar.

Special bulletin: No club dance Dec. 15th. The club will dance with the class Tuesday, Dec. 13th at Gates Recreation Hall - 910 Wegman Road - 8:00 to 10:30.

The dances in November are the 3rd, 10th, and 17th. with Al Howe caller, and the 24th with Mike Callahan at Thomas Edison School.

John & Lorene Fratta

## Spin 'n Wheels

In the last issue of the Promenader we reported a Round Dance Class would be formed. This has started and is being held at the Albion 1st Methodist Church, N.E. corner of E. State and Platt Streets, Albion. Dancing is from 7:30 until 10 P.M. every Tuesday night with Betty Carmen cueing. Newcomers are welcome.

On November 10th, the club has been invited to dance for the Orleans County Extension Service Dinner at 8 p.m. at the Orleans County Fair Grounds, Trowley Building, Knowlesville.

Our Thanksgiving Dance will be held November 24th at the Albion Middle School at 8 p.m. with Jerry Carmen calling.

Happy Thanksgiving -  
Bob & Elaine Stirk

## Swinging BB

Our club was well represented at the Cancer Dance in Batavia on October 16th. After the Dance we were invited to a shindig at the home of our Club Presidents, Herb and Kay Wendt, on Grand View Terrace. Sure hope they ask us back next year. Nobody wanted to go home.

Halloween was celebrated by us with much hilarity. Mary Messer and Kay Wendt stole the show again.

Our class night has been changed from Thursday to Tuesday and anyone interested may still enroll.

So far we've had visitors from Pecunseh Squares and Glass Slippers. If you are looking for a club with a relaxed atmosphere, come visit us.

Birthday wishes for November go to: Ros Krebs, Helma Wilcox, Tom Hamlin, and Vic Van Alstyne.

Lane & Hilda McCord

## Swingin' Eights

This year has sure gone fast, back to open house, which turned out great, an enthusiastic group has joined our new class, a couple of weeks of lessons and already looking good. It isn't too early to look forward to dancing with them at the Christmas party dance on December 18th. More on this at future dances.

We thoroughly enjoyed a great dance night with guest caller, Chip Kellogg.

Hear Bill & Terry Barnes spent a weekend in Nashville -- sounds like they had a good time!

Jack Joyce has been hospitalized for an operation and is now home. Hope he is back dancing soon. We sure hope it wasn't the "fruit of the loom" that caused his problem.....A speedy recovery, Jack!

Don't forget guest caller Tom Trainor will be back calling for us Nov. 6th..... Bruce Shaw's and Mike Prado's on Dec. 4th; also on Dec 18th as this is our Christmas party (Dinner & Dance) at Ukranian Civic Center, 831 Joseph Ave. More on this at the club dance.

This is all for now, folks, see you in a square!

1/7 of the unholy seven...

## Swinging Singles

Swinging Singles had a quiet September. Therefore, we'll all be ready for a lot of October activity such as graduation, a ranch weekend, and attending the Northeast Singleton Association Dance in Schenectady. Of course, there's also the hours of labor we're putting into our costumes for the Halloween Dance on November 1st.

Congratulations are in order for two newly engaged couples: Gary Cannisto and Sue Leurgans; Patty Roche and Stephen Popp of Maryland.

Dave Tarrantino of our club is Chairman of the Singles Square-Up. The singles clubs of Rochester are working hard to make it a great day. November 20, that is.

## Tecumseh Squares

It's that time of year again, elections both national and club. One of the strong features and attractions of square dancing is the friendliness and camaraderie found in its participants. We have found that the best way to know the people in your square

is to dance with them, talk to them, and work with them. We especially emphasize the last section -- "work with them". If each of us contributes some of his or her self in the form of time and talents, the friendships and relationships we build are our rewards. Try it, you'll like it! We did and we do!

Our Halloween Party was a howling success. The hall was filled with eerie individuals and weird people. Some of the people in costume were different too. Just kidding group! If you have to throw a pumpkin for that comment, aim at Ed...He's a bigger target!

The dance schedule for November looks great. Bruce Shaw will call on Nov. 2 (That's national elections. Be sure to vote early --- VOTE). Then we have Joe Uebelacher, a national caller, for Nov. 16th. He is really great. We've enjoyed him in the past and are looking forward to his calling again. Some of you may remember him from the Callers' Co-op Dance. Nov. 30th we have our own Bruce Shaw, he's a treat any dance night! Bob Slomcenski will be cueing rounds all night for our Nov. 9th and 23rd Tuesdays. If you enjoy rounds, you'll love our round nights.

The thought for this bicentennial election year: Anybody who is 50 has been alive 25% of the time there's been a United States!

Peace,  
Ed & Sue Sulewski

Welcome home to all our happy travelers. This past month Trudy and Charlie Cudahy toured California, Marilyn and Bill Raymond took a cruise to Nassau and Bermuda, Sylvia and Burt Butler visited his brother in California, and Mabel and Bob Worthington spent a square dance weekend at Hidden Valley, New York.

We'd like to congratulate Trudy and Charlie Cudahy, the dancing grandparents of Shane Kathleen Cudahy, born on September 22 in Greenbelt, Maryland.

On October 15 we were invited by the Greece Historical Society to put on a demonstration at Long Ridge Mall.

As of press date, we are looking forward to the coming dancing events:

October 26 we will have our annual Halloween Party.

Nov. 2 the club was invited to dance at the Hill Haven Nursing Home. We are especially looking forward to Nov. 16 when the 1976 class graduates and joins the Triggers Square Dance Club.

Happy Thanksgiving to all our Square Dance Friends.

## Twirl-A-Rounds

We're very proud to say that our very own John & Daphne Fink have taken the job of Chairmen of the DANCE-O-RAMA for 1977. As everyone knows, this is a very big job. We are sure that everyone will give them their full support in making this event a success.

## Village Squares

Folks at Village Squares are enjoying their weekly dances with Dick Casper calling the squares and Dorothy Jensen cueing the rounds. Let's put down on record how much we all appreciate the fine job they both do. And aren't we lucky they have a sense of humor too!

November's schedule has Amateur Callers' Night on November 8. In December the date for our Christmas party is the 13th. More details later.

We were especially pleased in September to have Fairport's Mayor Peter McDonough and Mrs. McDonough present our lovely, handmade bicentennial quilt to Mrs. Anne Johnston. Mrs. Johnston, a native of England, has lived in Fairport for several years and was delighted to become the quilt's owner. If details can be arranged, it is possible that you will see the quilt on display in Fairport's Urban Renewal Office.

Regular club members look forward to dancing with the new class in a few months. It is an enthusiastic group of 20 couples who work hard every Tuesday night with Dick Casper.

Good luck to Jeff Elmore as he starts on the long hard road to becoming a square dance caller. Jeff was a member of Village Squares' first class and has been enthusiastic about square dancing ever since. He has purchased his sound equipment, joined the Callers' Co-op, and started practicing his hash and singing calls. We were all impressed when he called for us recently at Village Squares. We expect great things, Jeff!

Remember, we're at the First United Methodist Church in Fairport every Monday night at 8. Round Dance workshop is at 7:30.

## Web Spinners

As I sit here gathering thoughts the the November PROMENADER, I glance out at the fields where the corn-stalks are drying up and the hills are alive with bright splashes of color --- we see the same bright splashes of colors when we gather together on a Friday night for a dance. What a pleasant way to spend a brisk fall evening with our friends.

A big thanks to all who worked so hard on the Octoberfest --- especially Romie and June Wilbert for the time and preparation in making homemade sauerkraut. A good time was had by all.

Rumor has it that some Web Spinners donated a unique gift to the Bonnets who graciously and with much love passed the "gift" on to the Wemples, who then passed it on to the Straubes. Doesn't anybody need a two-seater? Where will it end up next?

Happy Halloween

Sandy & Gayle Sinopoli

## Which Way Whirlers

Our first dance of the season had Dan Dedo as the caller and was a great success. Everyone had a good time.

Our regular dances for the season have started and Bruce is getting all of us into shape again. Workshop helps get some of the bugaboos out of our system. The next workshop will be Wednesday, October 27 from 8:00 - 10:00 and is open to all dancers.

Coming event - Mike Callahan and Bruce Shaw will call for a special dance on Saturday, November 13. Please mark your calendar for this date and let's see a lot of our old friends at this dance.

See you in a square.

Jake & Mary Weber

## WYCO Promenaders

A number from our club attended Fling Fantastic and had a wonderful time.

October 8th we had a potluck supper with a swell turnout.

October 22nd will be our Halloween dance. It's sure a riot trying to guess who's who and really a fun night.

We're having a special dance with Chip Kellogg as our caller on December 3rd. We hope to see a lot of you dancers out that night. Come dance with us some Friday night, see the schedule. It's always a pleasure to dance with guests. Hope to see you soon.

The Presidents

## Wayne Westerners

Again our month of harvest  
Is coming to an end,

We've had our Apple Harvest Dance  
And enjoyed it once again.

On Halloween we dressed as cats,  
And witches, spooks and ghosts,

The people in the Nursing Home  
In Lyons were our hosts.

We know the ones in wheelchairs  
Enjoyed our dancing feet -

But we know it was the club members  
Who had the greatest treat!

And now our gray November  
Is coming up too fast -

But we'll have many memories  
When the month is past -

Our mystery ride will take us far  
Or near - we don't know now -

But when we dance at other clubs,  
We have fun anyhow!

And as the days glide swiftly past  
And our dancing feet glide too,

We hope that we will have the chance  
To dance again with you.
