SPOTLIGHT ON

BELLES 'N BEAUS

ROCHESTER, NY

In the fall of 1957, three couples: Ed and Doris Haddleton, Fred and Dot Retallick, and Bernie and Jean Boulet, who had been enjoying Western Square Dancing with the Genesee Dancers, decided to start a local group in Greece. They recruited new members mostly from Rye Road, Holmes Road, and The Greece Baptist Church (where they held their first dances). Bernie Boulet was instrumental in organizing, instructing, and calling for the new club.

In January 1958 the new Belles & Beaus club was formally organized with elected officers. The first Presidents were Fred and Dot Retallick, who served for two years. "Tink" Tinkler called alternately with Joe Riley on Monday nights. They had six squares in the beginning, teaching a new class every six weeks. Special dances with guest callers were the fourth Friday each month for a couple of years, some of whom were: Mike Stark, Frank Gillig, Al Brundage, and Herb Suedmeyer. Later their special dances occurred 4 or 5 times a year with national callers Gloria Roth, Marshall Filippo, "Singing Sam" Mitchell, or Curley Custer.

Art Harris began to call in 1959 alternating with "Tink". Soon Art became our regular caller for Monday nights, and instructed new classes in both rounds and squares. He's called for us 30 years and been a very popular caller for many area clubs, including the Genesee Dancers and EKCO Squares. At one time he was calling seven nights a week. Last year his son, Mike, took over the Wednesday night class instruction. Mike is an excellent caller.

Over the years there have been many changes. The six week classes soon reached thirty weeks as more basics were added. The location changed from the Greece Baptist Church to West Ridge School and then to Holmes Road School. Instead of national callers, popular local callers were invited as guest callers.

In addition to dancing, other special events have become annual events, increasing the sociability. These include Scotch Golf, Friday Night Golf League, Steak Roast, Halloween Party, Car Rally, Christmas Party, Valentine's Day Class/Club Pot Luck Supper, and the Trail End Dance.

One thing that has never changed is the continuing emphasis on fun rather than perfection. We dance on Monday nights from early in September to Trail End in May. We dance the Mainstream program with many Plus calls. We have Guest Nights four times a year with four area clubs invited to join us for free dancing. Our members have the unusual privilege of paying an annual fee and then dancing free all year. We maintain an average of eighty couples as members each year.

Ed and Doris Haddleton are charter members and are currently serving their second term of office as presidents. Harold Abberger is the Club Historian. He and his wife Frances, John and Marian Butler, Don and Mary Waterman, and John and Ruth Gosling have all been continuous members for over 25 years and all have served as officers. Joe and Marge Hurley, Sep and Mert DiLauro, John and Barbara Down, Chet and Betty Selbert, and Bill and Marilyn Walker have been continuous members for over 20 years and also have held office. It is a healthy club that has many loyal workers.

Caller Profile

BRUCE SHAW

Shirley and I have been square dancing for about 25 years. I have been calling for 23 years. During that time, I have worked with pre-teen, teen, and adult groups. I am currently the club caller and class instructor for two local clubs - Swingin' Eights and Tecumseh Squares. I also accept several guest dates per year, both locally and out-of-town.

I have been a member of the Rochester Caller's Co-op since it was formed, and have served as Co-Moderator in 1974, 1978, 1985 and 1986. I have also been a member of Callerlab since 1976 and have been accredited as a general caller since 1978.

Shirley and I headed two committees for the Muscular Dystrophy Benefit Dance each year from 1968 through 1971. In 1982-83, we served on the Publicity Committee for the Federation and were instrumental in filming and airing a TV commercial to promote square dancing. We have also served as Chairman of the Leadership Conference, most recently in 1984.

I recorded "Bye Bye Blackbird" on the Pilgrim label a few years ago.

In conjunction with Mike and Wanda Callahan, Shirley and I conducted our 16th Fling Fantastic square dance weekend this fall in Niagara Falls, Canada.

I'm still a caller after 23 years because I sincerely enjoy meeting and working with new people. We have made many, many friends through square dancing over the years, and each is a special friend.

In addition to calling, I also enjoy playing the bagpipes with the Rochester Scottish Bagpipe Band.

We live in Chili with our children, Erica - 12, and David - 9.

I work full time for Eastman Kodak, and Shirley is employed part-time by Rochester Community Savings Bank. Our phone number is 889-3011.

Spotlight continued.

Each year, at the end of their term of office, the Presidents are honored with lovely inscribed President's Mugs. This year Ed and Doris Haddleton will receive their second honor.

Belles and Beaus was one of the clubs involved in the first Dance-O-Rama, taking part in skits and plays. They organized the 1969 Dance-O-Rama and were initially involved in the organization of the Federation. Congratulations to a progressive, responsive, active, fun club. Thirty years of success and the future to enjoy. For information: Ed and Doris Haddleton 659-8746.

THE MAILBOX

Letter to the Editor

Thank you Rochester Area Square Dancers, Callers and Cuers.

October 20, 1987 will be an evening we will never forget! To walk into our club and see twelve squares of dancers waiting for us to appear is something you expect to happen to someone else. Most of the "friends" were people we did not even know before entering the "world of Square Dancing" in September 1983. So to you all may we say simply even though our friendship has been short in time we will never forget you. Many of you were in the classes of 1984 although in other clubs such as Belles and Beaus, Boots and Slippers, Tecumseh Squares, Swingin' Eights, and Village Squares. We sure had a good time together learning, learning, and more learning. Bruce Shaw and his clubs struggled with us to learn those "Plus" calls. Village Squares and Dick Casper showed us the way to "Plus Land". To you special people thank you - we wouldn't be here but for you.

To our own club members such as the Pristers, O'Grady's, Wileys, Millers, Davidsons, Thompsons, McGregors, and the Spechts - thank you for your support and assistance these past years. You were always there with a friendly helping hand. To our EKC-0 Class of '84, the McNeills, Merritts, Hamlins, and Freidstuns, our friendship will always be something special. Wait and Sally Baechle helped to conspire for our surprise night. To them we say we sure played into your hands. Let's hope we have many more fun nights together. Thanks for your help this past year. It's been fun!

We owe much to our local callers and cuers, Mike Callahan, Bruce Shaw, Mike Harris, Jerry Carmen, Bob Meagher, Dick Casper, Bob Ellis, Mike and Linda Liberti, and Jody Mattice. You were always available for advice and friendship. Thank you all.

There are no words to express our feelings for "our special corners" Marge and Andy Hamlin. Little did we realize what they were up to. Our friendship will always be special. See you at Walt Disney World in December.

Finally no thank-you's can be complete with out mentioning Jack Sadwick, when but for him, many of us would not be what we are. Although our time together was brief, Jack left his mark on all of us. Somewhere we know Jack is keeping track of all "his kids". We'll see you somewhere in a Square!

Thank you all again.

Sincerely,
Al and Lois Tenny

MY FAVORITE RECIPE
Jeanne O'Hara

A heaping cup of yellow rocks,
A generous spoon of Christmas cheer,
Equal parts of help and patience,
For your corner, standing near.

Add a little bit of music,
Blend together rounds and squares,
Then a bit of mistletoe,
Love and hugs enough to share.

Place ingredients in a square dance hall,
Mix calls and cues and laughter.
Garnish all with merry friends
And serve with smiles -- forever after!

ROUND DANCING HAS COME A LONG WAY

-by Bob Slomcenski

Back In 1972, Nora and I first got interested In Round Dancing. Although Round Dancing was "born" long before we became involved, I truly feel that we have seen it "grow up" during the past fifteen years. Most of the Square Dance world doesn't really know much about Round Dancing beyond what they see at a Square Dance club. In this article, I hope to provide some additional insight into the world of Round Dancing.

So often, what one dancer calls "easy" another dancer thinks is "intermediate" or even "advanced". Below, I will try to explain the various levels of Round Dancing in general, and how the level of a specific dance is determined. I will also propose a means of labeling that I would like to see used on flyers, in schedules, and for discussion to describe the level of dancing for any Round Dance event.

In general, we have used the terms "easy" (or Square-Dancer's Rounds), "intermediate", and "advanced" for a number of years to describe the difficulty of any specific Round Dance routine. There are, however, a few problems with this approach. To begin with, these terms are subjective in nature. What is easy to one couple is intermediate to another. What was intermediate ten years ago may now be considered easy. What is intermediate in Toronto may be advanced in Rochester. We need a better and more standard way of talking about the level of the dances.

Within the last several years, two international organizations have emerged in the world of Round Dance. They are the U.R.D.C. (Universal Round Dance Council), and ROUNDALAB (The International Association of Round Dance Teachers). Each of these organizations has made an attempt to categorize Round Dancing by level. Even though their methods originally differed, the results are roughly equivalent, and provide a yardstick by which dancers can evaluate their own abilities, and determine if a given Round Dance event is appropriate for them.

The U.R.D.C. method breaks dance levels into five general categories. These categories are not exact in their boundaries, and are meant as a way to gauge an evening of dancing rather than a specific dance. They are:

1. Rounds between tips at Square Dances,
2. Easy level Round Dance Clubs,
3. Intermediate level Round Dance Clubs,
4. High Intermediate and some Advanced,
5. More Advanced and Challenge level.

The ROUNDALAB method uses a scheme called "Phase Rating". Each phase contains a vocabulary or set of Round Dance figures, and a dance is rated according to how many figures from a given level occur in it. This system is similar to the Square Dance rating system with which most of you are already familiar. In Square Dancing, a dance is Mainstream, Plus, A-1, etc. based on what calls are allowed and which are avoided. In Round Dancing, a dance is Phase II, Phase III, Phase IV, etc. based on what figures it contains. Recently, the U.R.D.C. categories still have the problem of subjectivity and interpretation. The ROUNDALAB system, in my opinion, comes closer to eliminating subjectivity, but even though it uses very specific criteria for each level, one Phase III dance can seem a lot harder or easier than another Phase III dance or even a Phase II dance. This is due primarily to rhythm variations in the dance, which the phase rating does not take into account.

In any event, these systems are the best we have to work with today. The ROUNDALAB phase rating system in particular provides the ability to identify a given dance (or an evening of dancing) in terms that mean the same thing to all of us. Here is a breakdown of the various phase levels with some examples of each:

- Phase I - very simple dances, limited basic figures:
Left-Footer's One Step, most "line" dances;
- Phase II - easy or Square-Dancer's rounds:
Tips of My Fingers, New York - New York, Very Smooth, Could I Have This Dance;
- Phase III - the easier-intermediate level:
Folsom Prison Blues, Roses for Elizabeth, Spaghetti Rag, Alice Blue Gown;
- Phase IV - the middle-intermediate level:
Desert Song, Elaine, Marilyn - Marilyn, Pop Goes the Movies;
- Phase V - the high-intermediate level:
Maria Elena, Waltz Tramonte, Lovely Lady, Autumn Leaves;
- Phase VI - the advanced level:
The Apartment, Someone Like You, Rainbow Connection, Dancing in the Dark.

Using this phase rating system plus the usual terms "easy", "intermediate", and "advanced", we can build a scale very much like a thermometer. The scale shows what kind of dances you can expect during any Round Dance event. I would like to see such a scale on flyers advertising Round Dancing, on festival schedules (Dance-O-Rama, for example), and anywhere else where it can help dancers judge the level of a dance.

Here is an example of such a scale applied to a dance event (in this case, it describes the level of dances that we use at our Starduster's Round Dance Club):

	Easy	Intermediate		Advanced	
Phase:	II	III	IV	V	VI
		XXXXXXXXXXXX	XXXXXXXXXXXX		

This indicates that we do primarily Phase IV to Phase V dances, with some easier ones and some harder ones thrown in. Similarly, the schedule for Dance-O-Rama could advertise a Phase II (Easy) teach at 2:00, a Phase IV (Intermediate) teach at 3:00, Phase II-III dancing from 7:00 to 8:00, Phase IV-V dancing from 8:00 to 9:00, etc.

We could even indicate a "Workshop" teach. This would be similar to a workshop in Square Dancing. For example, a Phase III workshop would mean the Phase II dancers could attend and learn a dance that was mostly Phase II with some Phase III figures included, allowing them to expand their abilities without getting in over their heads.

There are as many different levels in Round Dancing as there are in Square Dancing, and only the easier levels are usually seen by most Square Dancers. Rochester is very fortunate to be one of the areas that have Round Dancing available at virtually all of these levels. I hope that, whether you Round Dance or not, you found this article interesting. I would like to hear what you think of using the phase level indicators and the "Thermometer" for Round Dance events.

There are many more aspects of Round Dancing that I would love to ramble on about: how Round Dancing has evolved over the last ten years, how International Ballroom dancing has influenced Round Dancing (and is it good or bad), and many others - perhaps in a future article. I love Round Dancing, and I firmly believe that Squares and Rounds are complementary activities and truly belong together.

See you 'Round the Squares...

CLUB

NEWS

Belles 'N Beaus

We are all looking forward to the Annual Christmas Party December 11th at the Three Acre Party House. This fun party always gets us into the joyful holiday spirit.

Congratulations to Jeri Bartletta and Geri Hasman on their marriage November 14th. May they have many happy years together, (dancing together, of course too). We are glad to hear that Margaret Bennett is recuperating.

We'll miss dancing December 21st and December 28th, on account of the Holidays.

Many of the Belles and Beaus join Art Harris's club, the Harris Squares, for New Year's Eve on Grand Island. That is one Big Bash. Worth the trip.

January 18th there will be no dance as the school is closed for a Jewish Holiday.

We welcome the new club officers. May they have a successful year. The past year has been. Thanks to all the officers leaving office for a job well done. We had a very high level of attendance and certainly a very high level of enthusiasm. Our last year's graduating class has added youthful exuberance. Thanks, new members!

Our new class this year is progressing very well indeed. We do appreciate all of the "Angels" who help us each Wednesday. The loyalty in our club is heart-warming. A happy and healthy New Year to all.

Glass Slippers

At the last club meeting the following officers were elected: President Elsie Epke, Vice-president Bill Graham, and Treasurer Robin Hansel.

Our Christmas party, on December 16, will begin at 7:00 with one of our fabulous covered-dish dinners, followed by dancing with our class and club together for the evening. Guests are welcome. Just bring a dish of food to pass, and your own table service. Get that "Holiday Feeling".

The class, under Bill Ryan's tutelage, is looking good. Many of our club dancers come early to dance as angels. The best part is that new friendships are being made. When graduation rolls around, we'll all be well-acquainted. This is a benefit to the club.

We were pleased to have as our guest on October 21, Orlo Hoadley, president of Rochester Area Federation. He came to present a gift to me as a thank-you for serving as chairperson of D-O-R '87 (a job which I thoroughly enjoyed). Unfortunately, that was the evening I arrived late because I was one of the speakers at my principal's retirement party. Before the dance ended, Bill Graham made a presentation speech since Orlo had already left.

We all enjoy receiving a "warm fuzzy" on occasion as a boost to our sagging egos. Thank you, Rita, Orlo, and the Federation.

See you in a square, soon! Happy Holidays!

Cloverleaf Squares

At the writing of this article, club elections have not taken place, but by the time you read this congratulations will be in order to the 1988 officers!

December 6th we welcome Bob Ellis as a guest caller for the class and club. December 20th is our annual class/club Christmas dinner and dance. This year it will be at the Green Lantern Inn in Fairport. Details will be announced and sign-up sheets out on the flyer table.

Attention all you party animals! Thursday December 31, Cloverleaf Squares club and class, along with Swinging Singles class and club, will have a New Year's Eve dance/party at Trinity Episcopal Church in Greece with Jerry and Betty Carmen calling and cuing. This dance is open to any area class or club member who wishes to join us for a great evening of dancing, food, entertainment, and fun. Details will be announced.

If a class session and dance is to be canceled during the winter months, it will be announced over two radio stations. A flyer with more information and phone numbers is available on the flyer table.

Mark your calendars for Sunday, February 7, 1988, when Cloverleafs host our "Winter Showcase", featuring Dean Crowell from Texas as our caller for the evening.

Dave Fisher, General Chairperson, the officers and committee chairpeople for the National Singles Convention September 1988, have been busy getting groundwork done but more workers are needed. Please volunteer to help on a committee. We still have plenty of details to attend to and we need you to help make this convention a success.

Happy Holidays!

Boots 'N Slippers

The holiday season is upon us. We at Boots 'N Slippers have much to be thankful for and much to look forward to. December and January will be filled with good times and good dancing. We are especially looking forward to our Christmas dance on December 18th and our club New Year's Eve Party. In January we would like to invite you all, especially class members, to join us on the 16th for our annual Blizzard Ball. It is always a stormy good time at Mother of Sorrows Church on Latta Road in Greece.

Mike Callahan will be conducting a refresher workshop from 7:30 to 8:00 on the nights he calls. Please stop by and brush up on those rusty moves.

"Ho, ho, ho" - is everybody ready for the jolly old guy? No? Well, come dance your frustrations away. for our dances on December 1st and 8th, Jerry Carmen will call and Roy Keppen will cue rounds. On December 15th, Bruce Shaw will call and Jody Mattice will cue rounds. Bruce and Shirley danced with us on October 20th when we held our farewell dance/party for Al and Lois Tenny. They're fun to dance 'with', and now on this night we can have fun dancing 'to' Bruce.

During the holiday season, let us all remember those less fortunate than we - continue to bring canned goods for a food shelter each week - these will be taken to the shelter after the December 15th dance. Look for a way to brighten the season for some one who will not otherwise be able to enjoy it much - share a holiday meal, visit a shut-in, buy gifts for a needy family, or simply get rid of the old toys by giving them to a worthy group for distribution.

EKC-O Squares will continue celebrating the holiday season by holding our first dance of 1988 on January 5th. Our own Jerry Carmen will call, and Jody Mattice will cue. On January 12th, Jerry Carmen will again call while Roy Keppen cues rounds. Mark your calendar with a big red circle for January 19th when Bob Ellis will again call and cue for us. Ellie O'Grady, be ready for "Are you a turtle?" On January 26, Jerry Carmen and Jody Mattice will call and cue.

All of us at EKC-O Squares wish all of you a Happy Holiday Season. Come join us any Tuesday night.

For January we are back to our regular Friday night dances on January 8 and 22.

Remember our very special future dances. (They are listed in the Special Events Calendar.) Mark your calendars now. On March 13, 1988 Bob Stern will call for us and Bob Slomcenski will cue rounds. That dance will be at the North Street Elementary School. Round dance party will start at 1:30, and at 2:00 square dancing will begin and continue until 5:00. On May 22, 1988 Jim Lee will be our guest caller and Dottie Reed will cue Rounds. That dance will also be at the North Street Elementary School from 2:00 to 5:00.

Country Dancers of Rochester

CDR will have two special out-of-town callers this month. Jim Gregory has been here before and will probably be working with Roger Cass and a pick-up band.

Our first dance of the month will be with Tony Saletan, a favorite Boston caller with a fantastic voice for singing calls. You can be sure to do some squares on this evening. We hope he will bring some of his musicians with him, otherwise Eric will lead the band. Tony had a recent trip to China with a folk-singing and dancing group for the State Department. Now China knows about our national folkdance and song heritage.

We will not be dancing on the 24th nor the 31st, so Happy Holidays. We will see you next year. Our dance schedule for January is not ready for this deadline, but we will be meeting each week at the Covenant Methodist Church. Call me if you want the up-to-date information.

Genesee Dancers

Christmas will be celebrated at Genesee Dancers on December 10th with our annual dinner dance: dinner at 7:00 and dancing at 8:00. Members, get your reservations in for dinner. Visitors are welcome, as always, at the dance. Come and join the fun. Our beginners class of 15 couples will be joining us for the party so that club and class can get acquainted.

Please note: There will be no dancing on December 24th and 31st.

It is with deep regret we announce the death of two of our members. Thomas Clement, a recent graduate of our Refresher Class and Joseph Della Pietra, long-time member of our club. We extend our sympathy to their families.

Congratulations to Al Kalin for a "Hole-in-One"!

Jack Hoyt is home from the hospital following surgery. We wish him a speedy recovery.

On November 1 the officers and committee members met for a "Thank You" dinner at Kohler Hall to wind up the 1987 season. Presidents Ed and Ann Barney extended their appreciation to all for their efforts to keep the club running smoothly and expressed their best wishes to the new board.

And now, your reporters Helen and Helen and all the Genesee Dancers wish all you readers "Happy Holidays and Happy Hanukkah."

This is our final issue. We have enjoyed reporting the news to you. See you on the dance floor!

Promenading B's

Miss May Bee is about finished with her Christmas shopping. How about you? However, she will be at all of our December dances and hopes to see you there. The chairman of our Turkey Dance, Neil Stewart, almost gave her away, but we rescued her, so come out and meet her. Thanks to the many beautiful square dancers that made our Special Turkey Dance so successful.

Just a reminder that Friday, December 4th, is our Blue Night. Be sure to come in you favorite blue outfit or blue accessory. Bob Schlenker and Betty Wolcott will be calling and cuing a good dance for us.

Our Annual Christmas Dinner Dance will be on Friday, December 18th. Everyone is welcome to join us after the dinner for an evening of good dancing with our class and that jolly fellow in the red suit.

We will resume our regular schedule for dancing in 1988 on Friday, January 8th. We will not be dancing on Friday, January 15. January 22nd will be a regular fun night for the B's. The Glass Slippers, Lima Grand Squares, Country Twirlers, Henrietta Squares, and Morton Country Swingers may want to take this opportunity to retrieve stolen banners. (We also have an I.O.U. for a banner from Boots 'n Slippers.)

January 29th is a special dance for the B's. It is our Caller Exchange Night with Lima Grand Squares. Our caller, Bob Schlenker, will be calling for Lima, and Gary Bubel will be calling for the B's. Please join us for a night of fun and dancing with Gary Bubel and Betty Wolcott.

A very blessed Holiday Season and a Happy New Year to all!

Lima Grand Squares

Now that Holly Time is here, we want to invite all you Santas and angels down to Lima for our Christmas dance and dinner on the 18th. Dinner starts at 7:00. Bring a dish to pass, your holiday smile, and your dancing shoes. Dancing with Gary and Alice should begin at eight or thereabouts. Those who wish to receive a small grab bag gift from Santa (the best part is sitting on his lap, at least for the ladies) bring a small wrapped gift (\$4 limit) marked lady or man.

Take special note: On New Year's Eve, Lima Club will be dancing at the Lima Elementary School, 7342 College Street, Lima. I'm told if you walked out of the back door of the hall, you would be directly behind the school. Call the number at the end of the news article if you need further directions. The change of location is for the New Year's Eve dance only. As always, Lima's New Year's Eve party will include horns, dinner, kisses, and class/club dancing.

Then in January, beat your post-holiday winter blues by putting January 22nd on your calendar. That's the date of our famous Luau. Come in your Don Ho Hawaiian clothes and be prepared to forget the north wind and snow while you dance a club dance among the palms. Check with your club president for the flyer on information about price and reservations both for the Christmas dance and the Luau. See you all there!

Silver Squares

Here we are at holiday time already. The year certainly has gone by so fast. Silver Squares wants to wish everyone a Merry Christmas and a Happy New Year. We are planning a Christmas Party and hope to have a good attendance. Instead of thinking of ourselves this season, we decided to have our dancers bring articles for the food cupboard.

We had a very good turn out for our new class and they are progressing well under the teaching of our caller, Mike Callahan. We've had some from the club helping as angels but we would like a few more. It's nice to have some experienced dancers in the squares once in awhile. Let's make a resolution for the New Year to attend classes more and lend a hand.

Swingin' Eights

Everyone is welcome to begin the holidays with us at our annual Christmas Dance at the Ukrainian Civic Center on December 12. Ethnic dishes entice us back each year. The Christmas committee, including Tom and Helen Jones, Tom and Ellie Anderson, Don and Gerry Dittman, Vern and Jane Avery, and Jim McCollum, is planning a gala evening for us all. Tickets sell for \$20/couple for members and \$22/couple for guests. Tickets include both dinner and dancing. You can buy a ticket from any committee member. Make your reservation soon, so that you will be certain to be included!

The installation of new officers will take place after dinner. Tom and Ellie Anderson, Ken and Joan Blind, and Burt and Barbara Rosik have served on the nominating committee. The Swingin' Eights appreciate their efforts in preparing the slate for 1988.

Plan to end the holidays at our "Cheese-Tasting Party/Dance" on January 2. We will begin the year with good cheer, led by Bruce Shaw and Mike and Linda Liberti. Rounds begin at 7:30, squares begin at 8:00. Come, join us for one of our most popular dances of the year.

On January 16, Mike Harris will both call and cue for the Swingin' Eights. Join the numerous Mike Harris fans for a fun-filled evening.

Kathy Wesline has been hospitalized. We wish her restored health for the coming new year.

Our Sunshine Lady, Helen Jones, has had foot surgery recently. As this article is being written, the only shoes she can fit into are the pair loaned to her by Jim McCollum. We wish Helen a quick recovery, so that Jim can once more entertain us with his shoes on Saturday evenings.

It's time to say good-bye to 1987 and welcome 1988. Tecumseh Squares would like to thank all dancers for making our year successful. We hope your support continues through 1988. Hope all who attended our mystery ride enjoyed themselves, we will plan another during 1988.

On Decemeber 18, we will hold our annual club Christmas party for club and class members. We start with a pot luck dinner at 6:30 followed by dancing at 8:00. This is the first time the class will be joining us. The dance is open to any club or class members just bring a dish to pass and a \$2-\$3 grab bag gift.

Triggers

Here is more news this reporter did not mention in the last issue. On October 26, Stefan and Fran Tschokasch celebrated their 50th Wedding Anniversary. Many more happy years to both of you.

November was another busy month for Triggers. We started out with our monthly Birthday Celebration, and ended with our Thanksgiving-Pie Night Dance. We had the usual great participation in the Pie Auction, and so much fun. It was a huge success.

Thanks to Mike Herne's great calling and teaching our class is really moving right along. Many thanks also to club members for being such super angels. It really gives the class more confidence to have regular club members there.

Things get off to a quiet start in December, but will finish up with our wonderful Christmas Pot Luck Dinner Dance. Our class is invited. We are looking forward to this great time. We will not be dancing again until January 5th.

Remember guests are always welcome at Triggers. Rounds start at 7:30 and we dance on Tuesday nights at Parkland School on English Road in Greece. See you dancing.

Stardusters

The Stardusters Round Dance Club is happy to become one of the family of clubs in the federation. Since this is our first news item, we would like to tell everyone a little about ourselves. We have been dancing since 1979 as a caller-run club at the West Webster Methodist Church (570 Old Ridge Road, West Webster). We are currently dancing intermediate and high intermediate rounds every Tuesday evening from 8:00 to 10:30. Nora and I cue for the club and have been active in both Round and Square Dancing since 1972.

Anyone interested in Rounds at the intermediate and high intermediate level is welcome to come dance with us, and we always enjoy visitors. If you would like more information, you can call Nora and me.

See you 'Round the Squares.

Web Spinners

This two month Promenader report requires some forecasting of future events. We start December 4th with guest caller, Mike Herne, an entertaining man. The following week, guest cuer Libertl comes in to cue rounds. Our Christmas dance, December 18th, will be followed by a week off as we celebrate Christmas at home. On December 31st, a gala party, the New Year's Eve Dance will be held at the Fireman Exempt Hall with the festivities commencing at 6:30. This dinner-dance is chaired by the Bodensteiners. Bill Wilcox will call and Sainty will cue the rounds.

Then the new year, 1988, begins with the Web Spinners' Style Show-Beginners Ball. This "Square Dance Happening" is scheduled for January 8th, at Ridgecrest School at 7:30 under the chairmanship of the Schwiegers. After this gala event we settle into more routine but enjoyable dances.

A few of our members have had hospital stays in the past few weeks. They are Velma Bodensteiner, John Straube, and Ken Herkimer. We all send our best wishes for a quick and complete recovery.

Going back to December 11th, we have invited the Country Twirlers, Village Squares, Promenading Bees, and the Which Way Whirlers to join us for an evening of dancing pleasure - so be there.

Jerry's Funshop

At the risk of giving the wrong impression, we reveal that we had a 'Hangover Dance Party' at Jerry's Funshop on Sunday night, October 11th, the final day of the very successful Empire State Festival. Some of the out-of-town dancers apparently were infatuated with our fair city (especially downtown Main Street) and decided to 'hangover' for another day or so. As they were not all-danced-out and wanted to sample the calling of Jerry Carmen, an impromptu dance was cooked up for that Sunday night, with George and Bonnie Phillips being principal motivators. Some of our regulars were rounded up to join the visitors who were from Toronto and Scarborough, Canada, and East Hampton and Katonah, New York. The dance was a 'laughier', and that was only part of the enjoyable evening. Anyone who cared to risk developing a 'cider and donuts' hangover, found the ingredients were both plentiful and delicious.

Our December 20th dance will be our Christmas Party.

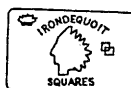

While dancing with Terry Veniskey and Ken Ford lately, have you noticed any unusual amount of shaking, rocking, or rolling on their parts? If so, don't worry. They haven't taken up discotheque dancing - it's probably just the after-effects of their being near the center of the big earthquake while they were vacationing in California.

If you've ever been on a bus trip with either Ken, Dawson, or Joyce Ford, have you noticed that before boarding the bus, they always ask the driver, "Have you driven a Ford lately?"

On the bright side, you may not have to read such bum jokes when somebody else takes over our reporting job while we are in Florida bottling up some sunshine.

My how time doth fly. It's hard to believe we're nearing the end of another year and almost halfway through another dancing season.

Notice: On the 5th of December, we are at the Covenant Church on 1124 Culver Road. Jon and Brian will be calling and cuing their usual exciting program, so if you enjoy a little challenge together with some relaxed dancing, please come along and share a nice evening of friendly atmosphere, happy spirits, and yummy goodies. Bye the bye, refreshments will be provided by Gordy and Sue White, who own a successful restaurant, and Toni and yours truly that evening. (Need I say more?)

December 19 will find us at the usual stand on Scholfield Road for our annual Poinsettia Prom and Baked Food Sale. Without meaning to offend anyone, I think our club has some of the best and most enthusiastic bakers in the R.A.F.

Just in case you haven't danced with us for whatever reason, please give us a try soon. You'll feel welcome and find us friendly and helpful. Even if you don't feel completely comfortable with a Plus program, we'll try hard to get you through the toughest tips and you'll soon get that way. And we'll all get to know and like each other better, so don't delay any longer; come where the fun and friendship is. Hoping to do si do and swing with you real soon.

On December 19, we will have our annual Christmas Dance with Mike Callahan calling. There will be free candy canes for all, Christmas Carols, and just plain fun, so come on out and help give Mike his "Christmas Goose".

December 31 at 8:00 will be our class-club New Year's Dance, held in conjunction with Cloverleaves. This is the only class-club New Year's dance in the area, so come on down! Jerry and Betty Carmen will make sure that everyone has a fun evening, just ask anyone who attended our Halloween Party. Greg Marling has promised absolutely for certain that he will put on his square dance callers skit, which he was unable to present last year due to illness. As usual, our two club mascots, "Guido the Killer Lips", and "Max the Killer Bunny" will be overseeing the activities at both dances.

Diamond Squares

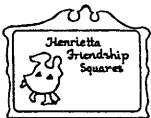

It doesn't seem possible that this is the last issue for 1987 and the first one for 1988. The time sure flies when you're having a good year of Square Dancing. The Diamond Squares wish everyone a joyous Holiday Season. December 23rd will be our Christmas dance and party. Everyone bring a holiday treat for refreshments. We once again will be donating the gifts to the Hillside Children's Home. Your gift may be for a man, woman or child. Please mark your package as to its contents and size.

December 31st we will be at the Green Lantern in Fairport, New York for our annual New Year's Eve party. Dottie Reed will be cuing rounds and our Bob Ellis will call the squares. Make your reservations early to reserve your space. Dance in the New Year with fun and friendship.

Until February, a very Merry Christmas and a Happy New Year to all.

Jingle bells, jingle bells, jingle all the way, oh what fun it will be to sway to all singing calls on December 19.

Jingle bells, jingle bells, jingle all the way! On Saturday, December 12, for a regular dance. Dashing through the snow, in the January cold, dance the night away, on January 9th.

Jingle bells, jingle bells, on January 23rd, homemade crafts and foods will be up for sale. Just bring yourself along, ready to partake. Oh! What fun it is, to dance the night away! Hope to see you there! Happy Holidays.

The workshop program for popular Plus calls that was started in October has drawn good response. The clubs tentative plans are to discontinue this program as of the dance on December 12, 1987. Likewise the turnout for the Tim Crawford dance also drew a large response. The young man from Canada has a great personality, and he calls a vibrant dance. He has acquired quite a following here in the Rochester area.

Holiday time is upon us, both December and January will be full months for the club. In December we have a full schedule with two dances with Jack Barnes on the 5th and the 12th, followed by the Christmas Party Pot Luck dinner and dance on the 19th, at Florence Brasser School on Coldwater Road. The dinner is for members only but the dance with Jack Barnes to follow is open to visitors.

Plans are being made for the New Years Eve Party at Ste. Helens School, starting with a Happy Hour at 7:30, buffet dinner at 8:00, and dancing with Jack Barnes to follow. Cost to members is \$20, and \$30 for visitors. There will be a sign-up sheet at Country Twirlers dances, so sign up early.

January will also be a busy month starting with Joe and Ann Uebelacker on the 9th. Those who were at the Square Dance Festival will remember Ann and her calling talents. Then we have Jack Barnes dances on the 16th, 23rd and the 30th. The dance on the 23rd will be a coupon dance. All you coupon clippers clip the coupon from the **Promenader**, bring it to the dance and save 50 cents on the admission price.

So mark your Social Calendars, for there are a couple of exciting months of dancing ahead.

Hope to see you all on the dance floor.

Wayne Westerners

As 1987 comes to a close, it's fun to look back a few months at the things the Wayne Westerners have done.

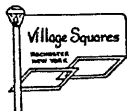

We had a very successful Open House on October 1st. Not only did we renew some old friendships with past members, but met some new folks interested in joining our square-dancing ranks. We've started our first class in years with four enthusiastic and fast-learning couples!

On October 29th we made our annual visit to the Wayne County Nursing Home in Lyons to celebrate Halloween with the residents. As usual, it was a very special evening for all! Our members outdid themselves with some very creative costumes and had a great time dancing with the residents. We really appreciated the tasty refreshments provided by the staff.

The Wayne Westerners send our best wishes for a very safe and happy Holiday Season to all our Square Dancing friends. Hope to see you often in the upcoming New Year.

Village Squares

In the holiday spirit and good will, Village Squares wanted to share with the Fairport community some of the blessings we enjoy. So, arrangements were made with a local church to anonymously provide Christmas gifts and food donations to a needy area family. A festively decorated box has been provided for the contributions at our annual Christmas dinner dance in the Green Lantern Inn, December 8. Additional perishable foodstuffs will be collected and presented when appropriate.

After many stops and starts, our November Harvest Ball was deliciously catered by Burdett's Food Market of Pittsford in the church hall. The Methodist Youth Fellowship group made the evening an added pleasure by setting up, serving, and cleaning up, leaving club members and guests to enjoy. Many thanks to everyone who went the extra step to make the dance a success.

Some Village Squares members and visitors to our Club dances have suggested round-dance instructions as an option to supplement our regular Tuesday Night Plus dancing schedule. Interest and increased dancing potential are currently being investigated and evaluated.

Morton Country Swingers

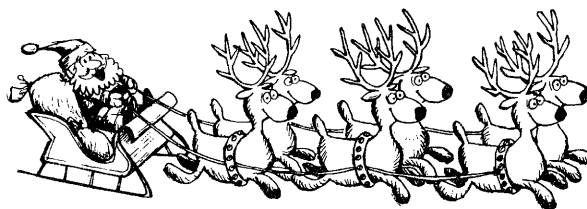

The Promenading B's invaded, disguised as Halloweeners a week early. They came to steal our flag and they were successful. Further injury was inflicted when the visiting B's complained because the caller wouldn't call what they were dancing. The flag will be retrieved in good time.

The Morton Country Swingers will not dance on Christmas Eve or New Year's Eve in December. Santa and Baby New Year will arrive on time anyway.

Our two callers will continue to alternate with Bob Meagher calling December 3rd, and Les Bradt on December 10th. The callers will continue to alternate and George Burch will cue the rounds at each dance. Have a Merry Christmas and Happy New Year.

Which Way Whirlers

Our Club is having lots of fun learning to round dance every week with Alice Bubel at 7:00. We start squares at 8:15 and finish at 10:30. We meet at the Pavilion Central School on York Road in Pavilion on Wednesday nights. We always have a good time dancing with everyone and we welcome guests anytime. Our caller is Gary Bubel and our cuer is Alice Bubel.

In December we dance on the 2nd, 9th, and the 16th. On the 16th is our Pot Luck Supper at 6:30. We have lots of good things to eat. We will dance with our guest caller, Jim Wheeler, after supper.

In January we dance on the 6th, 13th, and 20th. Come on out and join us sometime. We're not such a long ways away and you'll have a good time. Hope to see you soon.

The dance starts at 8:00; the dinner at 6:00. reservations are required for the dinner, but not the dance.

Continue the joyful spirit by dancing the day after Christmas. Feel free to bring your out-of-town guests.

We have a successful class this year - thirteen couples. Try to be an angel on Tuesday nights whenever possible.

Batavia Silver Stars

The Batavia Silver Stars are looking forward to a good year of dancing after a successful open house. Our class starts at 7:00 before our regular dance.

We had a fun evening with an "Octoberfest", with German food to celebrate.

Our Saturday Nite Live Dance with "Live" music was well attended. The different sound was refreshing and fun, and the "Stonybrook Cloggers" put on a delightful demonstration.

Our Christmas Party will be open to members only, and will be held at the Party House on East Main Road. We welcome all visitors at our regular dances and hope to see you! Come and bring your friends.

TENDERFOOT CHRISTMAS

Edwin L. Dodds

'Twas the night before Christmas and all thru the hall
Not a skirt was swishing nor did a foot fall.
The boots and slippers were all placed with care
In the hopes of next dance night for us to wear.

Ol' Grumpy and I with our Basic Handbook
Had just settled in to give it a look.
When out in the lot there arose such a clatter,
I rushed to the door to see what was the matter.

And what to my wondering eyes should give pause,
But a jolly, round caller and eight tiny taws.
His eyes they did twinkle, and his manner was sage;
He spoke not a word but went straight to the stage.

He put on a record and picked up the mike
And began to call like I've ne'er heard the like.
With a do so do and a left allemande
All the dancing and laughter and friendship began.

Box the gnat, wheel and deal, right and left thru;
You'd be surprised, not one call we blew.
We promenaded with the gal we got . . .
When all of a sudden the music stopped.

And I heard him exclaim as he circled left out of sight,
"Merry Christmas to all, and to all a good night!" *

WHERE HAVE ALL THE GRANDMAS GONE?

In the dim and distant past
When life's tempo wasn't fast,
Grandma used to rock and knit,
Crochet, tat, and babysit.

When the kids were in a jam,
They could always count on Gram.
In the days of gracious living,
Grandma was the gal for giving.

But,
Today Grandma's in the gym
Exercising to keep slim.
She's off touring with the bunch,
Or taking clients out to lunch.

Going North to ski or curl,
All her days are in a whirl.
Nothing seems to stop or block her,
Now that grandma's off her rocker!

Happy Hoofers

Time flies when you are having fun. It is hard to believe that Christmas is almost upon us. Our Christmas Dance and After-Party will be on December 19. For those guests who joined us other years, and any who wish to join us this year, just bring a place setting and "dish to pass", (hopefully with something in it) and join in the festivities. The more the merrier!

ECMA is the abbreviation for Emergency Call for Medical Aid. This signal is for use by the DANCERS to notify the caller of a medical problem in their square. Important minutes are frequently lost in the frenzy of waving arms and explanations that cannot be heard or understood across a crowded dance floor. The 33rd National Square Dance Convention in Baltimore employed this method of an arched circle to assure fastest response time of the medical team. In this way, it was hoped precious time could be saved—perhaps life-saving minutes.

The illustrations show three steps involved in this process. With the large numbers of dancers attending NSDC, there is every probability that emergencies will occur. It is hoped that the arched circle (ECMA) will become an accepted practice wherever square dancers

gather—at every dance, festival and convention around the world. Callers could take time to explain the arched circle signal to their dancers to familiarize them with the procedure and its purpose.

Remaining couples join hands and take a step backward. This allows the injured person and attendant air and room.

When a dancer goes down, a second dancer attends him/her.

Raise joined hands as high as possible in the form of an arched circle. Caller or hall monitor, seeing this signal will immediately place an Emergency Call for Medical Aid.
