EDITOR'S NOTE:

To me, the world just wouldn't be the same without square dancing. How very fortunate we are in this area to have:

so many clubs offering many different programs, so many callers, cuers and dancers, many dear people working in the activity, and the enthusiasm of our new people that was exhibited at Dance-O-Rama. In some other states, square dancers have to travel considerable distances, as dances are few and far between. These people cannot be choosy as to club, caller, or program.

As each Promenader Issue comes into being, it develops its own character. I did not like the overall flavor of this issue. Consequently, I guess we all have to examine our own consciences, and ask ourselves if we appreciate this activity enough.

Perhaps criticism is the reflection of the concerned people - I hope so. Remember the old saying, "I used to wonder why someone didn't do something, then I realized I was that someone."

Reporters, do I say Thank You enough? You've been really great. The care and time you spend on each report reflects a great concern for your club, and a desire to get everything just right. Your attitudes seem to indicate a great consideration of me and my busy schedule. The Promenader is what you make it - take out all the material that you contribute, and there's not much left! If any of you, or any square dancer is interested in working on the paper, there's lots to do, and I find it most always interesting.

While I have your attention, remember that September information is due August 3. That's the date that seems to sneak up on us all, because it's in the middle summer.

CORNER

It's good news tonight! Not only did the 30th. Dance-O-Rama more than cover its expenses, the overall feeling of the event was great. Many of our newest dancers were there, and it was apparent that they thoroughly enjoyed their first experience with festival dancing. There seemed to be a special communication among the four staff callers, and cooperation in passing on to the dancers an appreciation of the joys of square dancing. The Federation owes a standing vote of thanks to Joyce and Mike Ford, Chairmen of the 1988 D-O-R, to the committee chairmen who so ably assisted them, to callers Anne and Joe Uebelacker, Mac McCall, and Jim Wheeler, to Bob and Nora Slomcenski for directing activities in the round-dance hall, to the local round-dance teachers who provided round dancing in the Plus hall and callers who called for square dancing during the dinner period, and to the many club members of the Rochester-area clubs who took care of the many jobs that need to be done.

This year's D-O-R also proved that enough dancers will support the festival to make it possible to continue in the same format: square-dance halls at three vocabulary levels and a hall devoted to round dancing. Unfortunately the contra hall was not possible this year, because mechanical problems at the Tuttle gym building prevented us from using the five halls we have had in the past. The permanent-committee system that the Federation adopted recently is working very well, and will make the staging of future Dance-O-Ramas easier for all concerned.

Two of the callers already contracted for next year are Jim Mayo of New Hampshire and John Kaltenthaler of Pennsylvania. Both of them have excellent and well-deserved nation-wide reputations. Of course we will always need the continued cooperation of the Federation clubs, in helping with the work of staging the festival, and in publicizing the many benefits of attending, especially to our newest dancers: the recent class graduates.

The joint chairmen for next year's dance are Joan Sanford and Rita Hoadley. Both are particularly interested in hearing whether there are any features (workshops, seminars, etc.) you would like to have added to the program beyond the square dancing, round dancing, and vendors of clothing and square-dance accessories.

Since this is the last of my President's, Corner columns, I wish to express my appreciation and thanks for their hearty cooperation and lively interest to the other members of the Executive Board, and to the Federation members who have cooperated in conducting the business affairs of the Federation. God bless us, every one!

Dance-O-Rama 1988 is now but a fond memory of fun and fellowship for all who attended the May 7th dance. As "retired" chairmen of this year's festival, we would like to thank all the people who helped put on this dance, and all the people who supported it with their attendance. We wish the best of luck to next year's chairmen, Joan Sanford and Rita Hoadley, and hope that all the clubs in the Federation will work to make Dance-O-Rama 1989 the most successful ever.

SPOTLIGHT
ON

KUNTRY KUZZINS

Kuntry Kuzzins started in 1969, with election of officers on April 8th. Our first caller was Larry Spaven.

After holding classes and dances at several places, we started using the Kelley School in Newark, New York on October 3, 1974. Larry Spaven taught classes and called our dances. Larry and Hazel stayed with Kuntry Kuzzins for many years. They were followed by Jon and Sue McNally. We now have special callers for every dance. Kuntry Kuzzins started round dance classes with Debbie (Wilkenson) Ganey in 1978. In 1981 the Reeds, Dottie and Jerry, started classes for round dancers on Monday and Thursday nights when needed. Since 1981 we started having round dances at every dance between the squares. Dottie Reed cues the rounds at all of the Kuntry Kuzzins dances.

Our historians, Frank and Ruth Werts, have held this office since April 8, 1969.

We hold a special club banquet and picnic each year. For the last two years some proceeds have been spent on gifts for the Wayne Community Hospital Children's Fund.

We dance the second and fourth Saturdays at Kelley School in Newark, New York, 8:00 to 10:30. Our current presidents are Sharon and Gene Block.

1988 LEADERSHIP AWARD
JERRY AND JOAN SANFORD

Jerry and Joan first met at a singles' ballroom dance at the Green Lantern Inn. Joan joined the Merry Mixers square-dance club in 1978, Jerry joined in 1979. They were married in 1980. Since then, some of their activities have been:

- 1980-81: Vice Presidents of Merry Mixers
- 1983 : Dance-O-Rama Chairmen
- 1984 : Co-editors of Promenader, and Joan continued as typist for the editor for 1-1/2 more years
- 1985, 1987: Dance-O-Rama Treasurers
- 1984- : At the National Square Dance Convention in 1984 they were one of the original couples to dream of a New York State festival. They were instrumental in securing the first Festival for Rochester in 1987 and chaired the Host Committee. They continue to serve on the Executive Board of the Festival Committee, as RAF representatives to the Committee.
- 1985-86: Federation Presidents
- 1986-87: Federation Vice-Presidents
- 1987 : Selected for membership in Legacy: the National Service Organization
- 1987-88: Federation Recording Secretaries
- 1988- : Members of the RAF Permanent Dance-O-Rama Committee; Joan is co-chairman for the 1989 D-O-R
- 1988- : Federation representatives to the United Square Dancers of America, at their meeting at the National S-D Convention in Anaheim CA in 1988

Jerry and Joan are avid hockey fans, attending most of the home games of the Amerks. They enjoy both quiet camping and square-dance camping weekends.

Some years there are two or more likely candidates for the "Daphne-Norma" Award; other years there is only one individual or couple who is the obvious choice, particularly in view of the requirement for extended, continuing service. This year that outstanding couple was the Sanfords, and it couldn't have happened to nicer people.

Congratulations

PREREQUISITES FOR NOMINEES OF THE LEADERSHIP AWARD

Each year at D-O-R the presentation of the Leadership award comes as a surprise to many dancers. I will attempt to answer questions concerning this award and invite you to nominate a candidate.

The award was established in 1977 By Frank Salvagio and John Fink in honor of their wives for the express purpose of recognizing extensive and sustained leadership over an extended period of years in square dancing. The areas of leadership included, but not limited to are:

1. Years of dancing and/or calling;
2. Total club participation: membership, support of activities, and service as officers;
3. Participation in Rochester Area Federation activities: membership, officers, and committees;
4. NYS Association membership, officers, committees, support;
5. National associations membership, officer, committees, support;
6. Calling, teaching, work with youth, elderly, handicapped, demonstrations, special dances;
7. Attitude: Evaluation of a candidate's continuing willingness to act as a positive force in furthering the square dance activity.

SELECTION COMMITTEE

The committee is made up of the permanent advisors (Frank and Norma Salvagio and John and Daphne Fink) as non-voting members and the last three recipients of the award. Only the last three actually select the new recipient, but the committee would like your suggestions, nominations, and particularly news of what somebody does that would tend to qualify them for the award. Letters

to the Editor

Now that square dancing is rid of the smokers, let's really clean up the air, and get rid of the people that find it necessary to douse themselves with "stink-um" (perfume, cologne, etc.) before dancing. Have you ever wondered why your nose and/or eyes were running at a gathering? Some people are allergic to that stuff and suffer reactions much worse than these! Perhaps we could make these smelly people dance out in the hall-way, or outside, and pretty soon they, like the smokers, would soon get discouraged, and drop out of square dancing too.

A shower/bath with soap is an old-fashioned idea that is still an effective remedy for body-odor. This remedy can be followed with antiperspirant, (they have effective ones now). Why is it necessary to use half-a-bottle (Quart size, I'm sure!) of artificial scent that can cause so many problems for other people? If they were just one-half as considerate as the smokers I know, we wouldn't have this problem.

Signed,

*

Friday night Golf League at Deer Field to run from May 20 through August 26.

We send prayers and best wishes to Burt Griswald who is recovering from a serious illness. I know Betty will have him in good shape for the fall season.

Irondequoit Squares

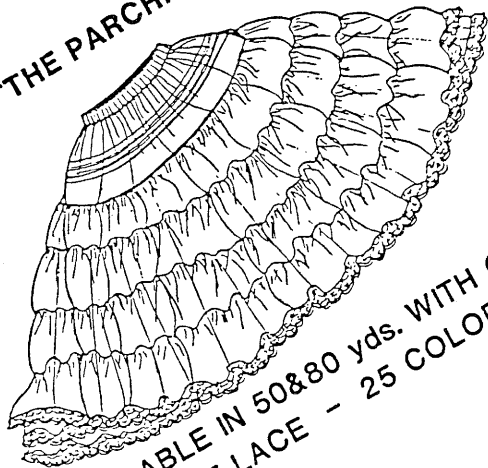

The 1987-1988 season has come to a close and we want to thank the caller, cuers, guests, and visitors that have shared the good times with the Irondequoit Squares. Part of the fun of square dancing is meeting and dancing with others and we certainly have had fun this season.

Club members are reminded to the Pig Roast to be held at the Sprague's place on Saturday, September 10th. Please bring a dish to pass and a healthy appetite. If last year's roast was any indication, then this year's will be a great way to get together and prepare for the new dance season.

We will resume our regular dances on September 17th at the Seneca United Methodist Church with Jon McNally and Brian Adams as caller and cuer, respectively. Visitors are most welcome anytime.

We hope everyone has a safe and relaxing summer.

Letters

to the Editor

Dear Editor,

I read with great concern the article "New Square Dancers" in the Promenader. When they get in their sets, they will encounter some people who shun them. We do have some square dancers who have forgotten they, at one time, went through class and needed help.

I went through an experience, such as this, very recently. My wife and I went, as visitors, to the Irondequoit Squares this past Saturday, to dance with Cubby VanLoon (who will always give you an evening of fun) and the Irondequoit Squares (who will always make visitors part of their family of square dancers). Toward the end of the evening, we were the 4th couple to get into a set in the front of the hall. The other three couples in this square, also visitors, all belonged to the same visiting club. I was told I could not dance with them as this was a private set, and immediately another couple got in front of me, and literally forced me out. My wife and I were not dressed in fancy matching blue outfits like theirs.

I feel after dancing 15 years, including Advanced, I can dance as well as this group. The club they belong to is an advanced level club and after dancing that long they should know some square dance etiquette! (This incident was also noted by other people.) If it was up to me only, I would never square dance again, as I was very hurt. Square dancing is for fun and relaxing. Don't ruin it, Old Dancers!

BBBBBBBBBB

Dear Editor,

In response to Orlo Hoadley's letter in the May Promenader, we would like to set the record straight regarding our resignation as Dance-O-Rama chairmen for 1990.

First, we did not "make sure a questionnaire got into the hands of the presidents of each club". We passed out a suggested questionnaire at a Federation meeting, the purpose of which was to determine exactly what the clubs want in regards to Dance-O-Rama. We gave extra questionnaires to Orlo Hoadley with the suggestion that, if the questionnaires were to be used, that extras be sent to those clubs not present in order to get an overall view.

In talking to present and past chairmen of DOR, it seemed that there was a lack of cooperative spirit in putting on the dance in recent years, and it was our intent to find out whether the majority of clubs (#1) wanted the dance to continue as is and were willing to actively put it on, (#2) wished to change the format, or (#3) wished to discontinue it. We hoped the response would be #1 or #2, but felt it important to give the third choice as an alternative.

Country Dancers of Rochester

I'm sorry about Dance-O-Rama. We found that the ice rink was going to be impossible for all of us. The success of a contra hall as part of a square-dance festival depends on high visibility. For our dancers there must be a wood floor. The Fords tried very hard to find us some other place without any luck, so we decided to pull out before we found ourselves with a wonderful caller and no dancers in a huge hall. If any of you go to the National Convention in California this year, Tony Parkes will be scheduled for workshops and dance tips. I'm truly sorry you didn't have the opportunity to dance to his "Rod's Quads" and other elegant dances. We did have him call at Covenant Church and perhaps some of you were able to dance to him on Thursday night.

Now a word about the June schedule. The annual picnic on the 23rd is open to all. We'll have a pot-luck supper at 6:00, so bring a dish to pass and a place setting. Dancing will be from 7:30 to 10:30. Children are invited. Traditional dancing is a great family activity and kids from 8 or so pick it up very quickly. I haven't heard the Hard Cider band, but I think their style is more Southern "country" than New England. I am not sure if Richard is planning any squares, however, so most of the program will probably be contras.

Diamond Squares

Diamond Squares will be dancing the Advanced Program all summer. As long as we have fans to keep us cool, we don't let the heat stop us. You are welcome to come in casual, cool attire to dance with us. We are still running a A2 workshop from 7:00 to 8:30, then we dance the A2 program from 8:30 to 10:00.

It was good to hear that Al Ayling is doing well after bypass surgery, and Bill Hathaway is also doing well after hip surgery.

We will not be dancing on July 6th. Bob and Nancy will host a campout at Woodstream campgrounds on August 12-13-14. (For information call Bob at 1-526-5282.) Bob will be calling. We had a real good time at Dance-O-Rama seeing old friends we only see once or twice each year, and dancing to the out-of-town and local callers and cuers. Congratulations to the Committee. Let's all look forward to dancing with the new graduates this summer. All of us at Diamond Squares wish you all a good summer. Happy dancing.

Genesee Dancers

Our Trail End Dance will be held on June 9, bringing another successful season to a rousing climax. We can not use the term 'end' because Genesee Dancers and Mike Callahan offer square dancing every Thursday all summer from 8:00 to 10:30. The format is Mainstream dancing with a Plus work-shop starting each dance from 8:00 to 9:00. This is an excellent opportunity for all graduates to master their recent lessons and learn the Plus calls. It also keeps everyone in tiptop shape physically. Then everyone will be able to begin their dancing with their respective clubs in September without any rusty hinges. Remember, the Green Lantern Inn offers air-conditioned comfort for everyone to enjoy. (Look for our full-page ad elsewhere.)

Summer... hot weather... swimming... splashing... fun... dancing... Genesee Dancers... We are leading up to our 4th annual Splash Dance to be held on Thursday, June 16th, at the Green Lantern Inn in Fairport. This dance is geared to all recent graduates, giving them a chance to show off their new expertise. Square-dance caller Mike Callahan promises to excite the new and seasoned dancers while Roy Keppen plans to enchant the round dancers as they pirouette on the dance floor. Tell your friends about this special dance! (Look for our full page ad in this issue.)

The 4th annual Ice Cream Social will be held on a pair of doubles this year. (For those who can't understand, that means 7/7/88.) During refreshment intermission dancers will create their own ice cream sundaes with toppings available that night. No one will leave the dance hungry. Everyone come on July 7th!

For those of us who enjoy square and round dance camp-outs, the season has finally arrived! We hope the weatherman cooperates and plans all summer rains between midnight and 6:00a.m. Also, temperate degrees with little humidity (no humidity) is desired.

No matter what, these reporters wish everyone in the Rochester Square Dance Community an exciting healthy summer. Yellow-Rocks are sent to Pete and Daisy and fellow friends. See ya' all in September

Copy Cats

Hi Dancers,

Everyone is invited to join us for our Trail's End Dance and installation of new officers on Saturday, June 11. If you can't pull away from your yard work early enough to join us for a Pot Luck Dinner at 6:00 (kindly bring a dish to pass and place settings), come later for the dancing. Mike Callahan will be calling and Roy Keppen will be cuing at this dance, and also at our next dance on June 25.

The Copy Cats will have only one dance in July on Saturday, the twenty-third, and one dance in August on Saturday the thirteenth.

We welcome you to our dances. Please join us this summer.

We hope everyone has a good summer and we will see you around a square some place.

Club members: remember our family picnic at the Bliks on Sunday, August 7. Our first dance in the fall is September 17 with Chip and Al calling. See you all then.

In our last report of the season we'd like to thank especially: the guests who attended and supported our dances; the faithful and loyal club members who supported the club by their presence, smiles, and treats; the ever-faithful and hard-working officers who labored so diligently and untiringly to make the past year fun for everyone; the caller, Gary, and cuer, Alice, who added life and excitement to every dance; and the class members who were such good sports at their "graduation". Thank you!

The door closes on another season but will swing wide open in the fall. So hold onto those shoes, those smiles, and those memories of fellowship and commitment that are essential for our success.

Glass Slippers

The Glass Slippers Club would like to say "Thank You" to all the clubs who invited us to join them as guests for an evening of dancing. Too, we'd like to thank the lovely people who were our guests. We hope you found us a friendly club to visit.

We have new officers for next season. Bill and Charlotte Graham have moved into the Presidency after serving as vice-presidents this past year. Agnes Frank has been elected Vice-President while the Treasurer's position will be taken over by Marion Sargent. Elsie Epke will continue as Secretary and reporter. We give many thanks to last year's officers for a job well done!

We welcome Dorinda and Jerry Goggin into the Glass Slippers club as new members.

Plans are being made to dance in Hamlin on June 18 with the Morton Country Swingers at the Hamlin Historical Days Celebration. Hopefully we may find some would-be square dancers.

For the summer we travel to Bergen's Gillum-Grant Center to dance with our original caller, Ron Fotch, and his Honey, Betty. This is still on Wednesday night, but in a cool air-conditioned hall.

Have a wonderful summer. Keep those dancing skills sharp.

Jerry's Funshop

Will we get any sun this summer? The Shadows know. Anyway, if you'd like a good idea for a top-notch Sunday afternoon, or two, or three, we've got a prospect that could be just right for you. On June 25, July 24, and August 28 (all Sundays) 2:30 to 5:00p.m., there will be square dancing, Advanced program, at the Tally-Ho Restaurant in Kanona, New York. Visitors welcome. That dynamic duo, Jerry Carmen and Bob Schlenker, will do the calling. After the Tally-Ho's on the dance floor, you may regain some of those lost calories dining with the group in the restaurant. If you are on a diet and want to dance, but not eat, that's O.K. too. To get there, take Route 17 (Southern Tier Expressway), get off at exit 37 to Kanona (about five miles west of Bath). As they always say, "you can't miss it". Come on down and see whether you can miss it or not.

Four Funshop dances are scheduled for the summer. Jerry and his family are entitled to "vacation" too. You may dress and dance casually (but not without cash).

If you read this column regularly, you are probably wondering why this reporter writes so often about Dawson (Mike) Ford. Frankly, I am intrigued by the name Dawson. I always knew him as just plain Mike, and I still don't know how you get Mike out of Dawson. This time I don't have to dream up a story as I have a legitimate reason for again mentioning his name. Joyce and Dawson, and also Joan and Jerry Sanford, deserve an A-plus for their efforts to make Dance-O-Rama '88 a success, so here it is - A+.

Speaking of weather - we'll get some days just like Hawaii, but they're so few, I ask you why.

Cloverleaf Squares

A full summer of dancing is in store at Cloverleafs, as well as social events being planned by Laura Hansen, Vice-President.

Kick-off on June 5 is the Ron Libby Dance at the Red Men's Party House with two halls, Plus and Mainstream (especially welcome are new graduates). Our own Mike Callahan shares the calling, with the Libertis on hand for rounds and with their shop, "Linda's Western Wear".

June 12, 19, and 26 are all regular dances on our summer schedule starting at 6:30. There's something for everyone: Mainstream review and all-position, Plus Workshop, Rounds Workshop, and Plus dancing.

There will be no dance on July 3, as many will be traveling to Windsor, Ontario to the 2nd International Singles Convention.

July 10, 17, and 24 are all regular dances. July 31 will be Amateur Night. That's always fun and an opportunity to try your hand at calling or cuing. June 26, July 31, and August 28 are also "Come as you are" nights, where square dance attire is not required.

August 7 we welcome Bob Ellis and on August 28 Gary and Alice Bubel will call and cue respectively. August 14 and 21 are regular dances. There will be several other guest cuers during the summer, so check us out in the schedule.

Looking ahead, plans are progressing well for the National Single Square Dancers' Convention on September 1 - 4. (No dance at Trinity on September 4.) A reminder: Everyone is welcome - single and couples (register individually) - only \$25 each before August 1 (\$28 after) - three full days of dancing (10:00 a.m. to 11:00 p.m.) with all round and square dance programs. After-parties on Friday and Saturday nights.

A Trail-In Dance on September 1 at the Holiday Inn at 8:00 is open to all for a mere \$2.00 each featuring Mike Harris and Gary and Alice Bubel. A Trail-Out Dance on Sunday, September 4 at 11:30 p.m. is also open to all for only \$2.00 each. This dance closes the Convention with a bang: Jerry Carmen will call to the live music of Jim Kimball and the Geneseo String Band. For information and additional flyers (one is included in this issue) call Pauline Novick 671-2585, Dave Fisher 392-7737, or Faith Giamboi 225-3872.

Swinging Singles

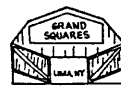

Now that the warmer weather is here, it doesn't mean that you have to curtail your square dancing activities. We dance all summer, and although our hall is not air-conditioned, it is located in a basement and we own enough electric fans to blow a 747 off the runway. As an added incentive for those of you who are reluctant to get all decked out in square dance clothing during the warm weather, our dress code during the summer is "come as you are".

On August 6, at high noon, we will kick-off our first-ever Muscular Dystrophy Benefit Dance. All profits from the dance will go to the local Muscular Dystrophy Association. Many local callers will donate their time, including Jerry Carmen, Bob Schlenker, Gary Bubel, Mike Herne, Les Bradt, and Greg Marling. Replies are still coming in as this is being written, so the list here is probably incomplete. Come on down and have a good time for a good cause!

This article is the last one I'll be submitting, as my term as secretary ends in June, and in a way I'm glad. After two years as a club officer I can truthfully say that I've just about had it. For an activity which is supposed to be a way to relax and have fun, we have a long way to go to promote these ideals. I have never in my life heard so much bickering, fighting, and bitching over petty and inconsequential matters in my life. I think that square dancers have no-one but themselves to blame for the decline of their hobby. Treating square dancing as if it were a religion or a way of life will only turn off more prospective dancers. It's only a dance - let's go back to treating it like one!

Warmest congratulations to our new graduates. April 29th was their big night. Gary Bubel, our great leader, teacher, and caller, did a fine job.

Welcome to our club: Sandy and Dale Chatterton, Virginia Cooke, Judy and Ed Dunn, Brenda and Bill Guilfoil, Char and Bill Goddard, Cass and Joe Irvine, Ted Miller, Sandy and Joe LeBerth, Hilda and Wayne Schultz, Ann and Duane Sisson, Kathy Gillies, and Mark Wambach.

Our new officers for 1988-1989 will be announced in the September Promenader. We have not set a date for the picnic, but we will keep you posted.

Swingin' Eights

The Swingin' Eights will usher in the summer months with one of the most spectacular Trail's End dances ever. The evening features a Presidential Ball, complete with special decorations and activities with a presidential flavor. And, speaking of flavor, dinner is always magnificent at the Ukrainian Civic Center. No one is ever embarrassed to go up for seconds. The Presidential Cabinet in charge of the evening includes Tom and Helen Jones, Al and Sara Lichterman, Tom and Ellie Anderson, Ken and Joan Blind, Mike and Mary Prado, and John and Marion Cosmano. The social time begins at 6:30, dinner is at 7:00. Visitors are always warmly welcomed. See any committee member for tickets, or call the number below for reservations.

Congratulations to the following couples, who will celebrate milestones with the Swingin' Eights: Ten years -- Barbara and Burt Rosik, Fifteen years -- Art and June Goodnough.

On July 23, Tom and Ellie Anderson will host a Swingin' Eights picnic. Mark that date on your calendar, take your swim suit out of mothballs, and hope for nice weather. Details of the picnic will be shared at the Trail's End Dinner-Dance.

We salute Mike and Linda Liberti, who have cued for the Swingin' Eights for many years. We hope to have them back often as visitors! In September we will be welcoming George Burch as cuer. Round dances will begin at 7:30, squares with our very own Bruce Shaw will begin at 8:00. Plan to dance with us in the fall.

And finally, if you are not yet a member of Swingin' Eights but love good dancing, and are looking for a warm, friendly club, you will find what you're looking for at our club. The Swingin' Eights dance two Saturday evenings each month at St. John's Lutheran Church on East Ridge Road. We're easy to find, our hall is bright and cheerful, our caller and cuer are "top shelf", and our members welcoming. Give us a try!

Web Spinners

Under the leadership of Bob and Lyla Bonnett, the Web Spinners have concluded another successful dance season. We enjoyed the calling of Jerry Carmen and the cuing of Jody Mattice, as well as interesting visiting callers. The board members also contributed to the club's success. The club membership appreciates the efforts and thanks everyone for their work.

The Trail's End Dance (May 13) was a mixture of business and pleasure. Offices were transferred from old board members to new members. Delicious food and drink was followed by enjoyable dancing. The Ferraras were the chairpersons.

This summer there will not be a club picnic due to lack of interested people. There will be an Old Board/New Board picnic to be held at Bob and Lyla Bonnett's home to transfer knowledge of the duties that the new board will carry out. Picnickers are to bring a dish to pass. The date is June 4th, and the time is about 5:00 or so. Call Lyla for details.

Our new presidents, Nick and Fran Haldoupis, are looking forward to putting on demonstration square dancing shows in order to interest people in our club. These dances will be held at various public areas. They will be calling on you. Nick and Fran's telephone number is 872-3910, if you wish to dance this summer.

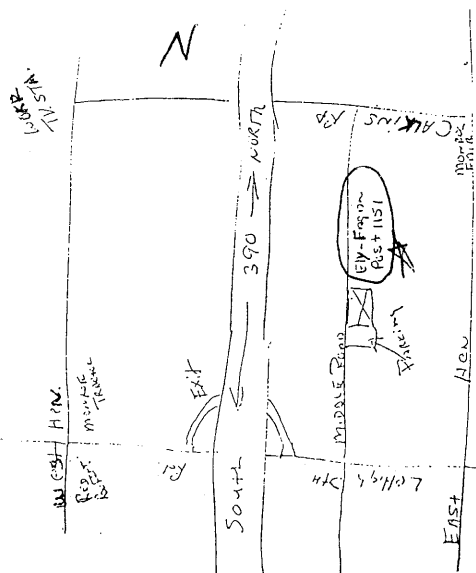

There will be two Open House dances in September 1988. Names of prospective new members are to be given to Haldoupises or the new secretary, the Galens. Send in their names, addresses, and phone numbers, if possible.

Our 1988-1989 dancing season begins with the "Driveway Dance" at Bizub's home, on September 9th at 6:30. Be there!

Everybody have a happy summer and then we'll see you in September.

Tecumseh Squares

Welcome to the summer months; we hope you will join us. We will have dancing for both grads and club dancers.

Glad to see Howie Borden back after his operation, also Bea Carnahan after some months of illness.

Perhaps you have seen one of our new traveling banners. These were designed and made by Marv and Jean Berner. Many thanks. Look for our new sign by the street showing our dance location, it was the project of George McNamara and Don Jermyn. Thanks to all members who worked on our special club dances.

We would like to thank the editor of the **Promenader** for the fine editorial in the April issue regarding the Special Events Calendar. This is a help in preventing double events happening on the same night. Our event for November 12 appeared in the February **Promenader** and we have not heard from any other club about another event for the same date. We were surprised to find another listed in the April issue of the **Promenader**. The mystery ride which is attended by all clubs is still being held on November 12th.

The summer schedule appears in this issue. Highlights are: Plus workshop 7:30 to 8:30, dance using Plus calls learned 8:30 to 9:45, Plus program dancing 9:45 to 10:30. No rounds workshop during the summer. Our monthly specials are: June 24 - Strawberry Festival, July 22 - Sundae Friday, and August 26 - Gourmet Dessert and all singing calls. Gary Bubel will be visiting caller on July 29 and August 5, Mike Callahan will be calling on August 12 and 19. Except for the above-mentioned dates, Bruce Shaw will call. George Burch will cue the rounds every week. Our dance schedules can be picked up at any of the dances.

We hope our summer program will please everyone. The air conditioner will be on and we have plenty of room for you. Join us at the expanded and remodeled Red Men's Party House at 1001 Lexington Avenue any Friday night. Go to the back through the glass-enclosed entrance to reach our hall.

Promenading B's

With her special hat and lots of pride, Miss May Bee looked down at the fine group of graduating Bees, encircled by their new friends, the club members. The Promenading B's new members are: Shirley MacConnell, Kay and Tom Onderdonk, Hazel and Bob Kroh, Grace and Ed Leanen, June and Elmer Smith, and Ann and Craig Rothmyer. We are very fortunate to have this group as members. Already they have proved to be an asset to our club, and the beautiful personalities that are emerging will enrich our hive as long as they are with us. Welcome!

Our summer events will be on June 3 (Friday), July 14 (Thursday), and August 18 (Thursday). Expectant rumors of Strawberry Social, Picnic, and Jeans Nights are circulating. Plans are not firm yet, so if you're inclined to join us give me a ring at the number below and I'll be glad to fill you in on the details. These dances are sure to be very special because they're our only gatherings this summer, and all the members really try to get to them so as not to miss any of that honey. All are welcome.

Country Twirlers

Well, this is it for your reporters for this season. We will be turning the paper and pen over to Ken and Kay Georger for next year's reporting of the club's events. It's been a fun year.

The club has had an active season and everything points to another exciting one for next year. We have some outstanding callers lined up, along with our own Jack Barnes. We also have many special events planned. So keep an eye on the Promenader.

In closing, don't forget, you who like to camp, dance, and just have all around good fun, there's the Camp-Out, Picnic, and Dance scheduled for June 3, 4, and 5 at Lake Side State Park. The dance will be held on the evening of June 4th in the park pavillon. It's open to one and all.

It's been a good year folks, and Jean and I are looking forward to the '88-'89 season. Hope to see you all on the dance floor!

TIPS for TIPS

DO have fun dancing, but don't indulge in horseplay unless you know it's accepted by your square and the club. Having fun is one thing, and most important, but doing things that interfere with smooth and rhythmic dancing for the others in your set is quite another thing. Don't be caught rude!

Triggers

We are all excited about our summer dances this year, and are looking forward to seeing many of our square friends and new graduates who will be coming to dance with us. It is going to be great to dance in an air-conditioned hall all summer.

Last month we had our class graduation. The committee did its usual excellent job. There were some good laughs at the initiation antics. We certainly welcome the graduates into the Triggers square dance club.

On May 17, we had our Silver Anniversary Dance at the Red Men's Party House. It was a huge success. It was wonderful to see so many former Trigger members who came to dance with us. Mike did his usual great job calling and the rest of the entertainment was spectacular. It was an evening to remember.

Speaking of Mike Herne, belated congratulations to him and Nancy on the birth of their daughter. She arrived in the middle of April.

We would also like to express our thanks to this year's past officers: Presidents Renee and Bob Deckard, Vice Presidents Maria and Al Zinn, Secretaries Mary and Bob Speer, Treasurers Ruth and Jim Appleton, Social Chairperson Mable Wordingham, Advisors Paulette and John Bo, and Federation Representatives Fayne Doering, Marilyn and Bill Raymond. Everyone did a marvelous job and gave freely of their time. Special thanks to Mary Speer, who even with her unfortunate accident did an excellent job as secretary.

Be sure to keep July 17 open. That is the date of our Summer Picnic at Ruth and Jim Appleton's. It is always a fun time for all who attend.

It has been a pleasure to have been the Triggers' Reporter during the past year. I look forward to seeing many of you at our summer dances.

June is here again! The month of roses and the month of good dances coming up.

The beginners class will be joining us for some of the Mondays in June. They have a good group. Let's be at our best, smiling and friendly to make them feel welcome. (Editor's Note: good advice for any club, any time, anywhere.) The additional members would be a great boost to our club. We are always happy to have visitors and new dancers join us.

We are glad to have Ken, our president, back. He was ill. Too much fishing, I hear, and he didn't come in out of the rain. Ken, to be serious, we wish to extend our heartfelt sympathy to you, for your recent bereavement.

Have a wonderful and safe summer. Remember, we will continue to dance on Mondays and even if the weather is warm, we have fans.

I'll talk to you again, come September.

Square Dance Council of New Jersey
N.J. Square & Round Dance Convention

The Square Dance Council of New Jersey has announced that the date of the third NJ State Square and Round Dance Convention has been changed from March 11, 1989 to Saturday, April 1, 1989 at Trenton State College in Ewing Township.

Chairmen of the Square Dance Council of NJ, and the general chairmen of the 1989 Convention, explained that changes in availability of facilities at the college resulted in the Council rescheduling.

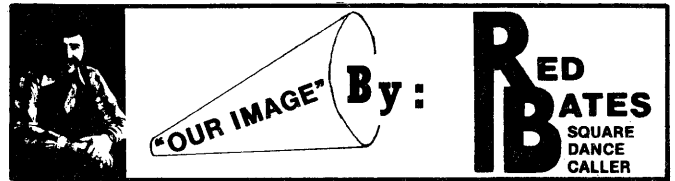

Continued from pg 7.

The reason we made the presentation at a Federation meeting was because Orlo Hoadley suggested we do so when we raised our concerns at the DOR Committee Meeting. Not knowing why DOR support seemed hard to garner, we decided to analyze the problem and communicate what we had gathered from many conversations with dancers, callers, and cuers this past year. When we presented this at the Federation meeting, the attitude of some of the officers present made it apparent to us (and others) that they were not interested in the content of the presentation. As a result, we decided it would be best for all concerned that we resign since the format to the DOR Committee necessitates close cooperation among the chairmen for several years.

In addition, Mr. Hoadley states in his letter "not to be surprised if the suggestion has been made before and someone has already considered the undesirable side effects that haven't occurred to you". Does this mean that new people seeking ways to improve the dance should not look at suggestions given to them just because they have been considered before? Time and circumstances often change an earlier "impossibility" into a very viable solution, and it seems to us that continual reappraisal is not only healthy, it is necessary to keep the problem solving process dynamic.

In closing, we realize and appreciate the fact that Mr. Hoadley has contributed much to the round and square dance community over the years; however we felt we had to clarify the events leading up to our resignation. This, in no way, diminishes our support and appreciation of the round and square dance community which has become such an important part of our lives.

Sincerely,
Dick and Mary Kosbab

Just what does "John Q. Public" think of Square Dancing, and of us, as square dancers?? From a recent survey conducted by a Callerlab committee concerned with the problem of recruiting new dancers, the following results were revealed:

1. Some think Square Dancing is Clogging - like they see on TV.
2. Some think that Square Dancers are exhibition dancers, and "that's too difficult for me."
3. Some think Square Dancing is "barn" dancing with sawdust floors - a drunken brawl.
4. Some think Square Dancing is for retired people.
5. Some have a negative attitude towards Square Dancing from talking with dissatisfied dancers who have dropped out of the activity, for one reason or another.
6. Many have a complete lack of knowledge about the activity.
7. Many remember their gym class and want no part of it.

It is apparent from the above that we have not done a very good job of informing the general public as to what Modern Square Dancing is all about. It is no mystery to me that our classes are small when compared to the classes of twenty years ago - when square dancing was booming. We have all kept our activity a big secret from the general public. Most of our publicity is directed at those who are already enjoying Square Dancing through publications for Square Dancers. We are inbred! We are all aware of what happens when there is too much inbreeding and not enough new blood coming in to any group.

I pick up all kinds of magazines, newspapers, etc., and see ads for every activity except Square Dancing. On TV, we are constantly exposed to ads for aerobic classes, weight reducing classes, exercise machines, and other health related activities - why not Square Dancing? Certainly Square Dancing is an excellent form of exercise, especially for older people. I would like to drive down the highway and see a billboard advertising Square Dancing and its virtues.

Maybe it's time we got some professional advice on how to market our great form of recreation - to let "John Q. Public" know the truth about Modern Square Dancing.

Your comments always welcome! Have Fun!!
