## **This-n-That**

*from the Editor's Desk...* 

In this season of giving thanks, we want to express our thanks to all who attended the *Promenader* Benefit Dance on Sept. 25, and to everyone who helped make it happen! We were especially heartened by the wonderful spirit of square dancing showing itself to be alive in our community. This spirit of participation, friendship, sharing, and fun was as important as the funds that were raised. Although no one could quite count the squares, we know there were enough people present for 24 squares! The dance brought in more than \$1,000, and our net profit of \$1007.25 after expenses will help greatly in allowing the *Promenader* to continue publication. And it also means we can keep the subscription rates at their current low levels. It still won't be *easy*, but it *will* be possible, especially if all the clubs continue to advertise their events on our pages. Please encourage your club to do so. And let us know your suggestions for new advertisers — anyone who could benefit from reaching our readership. We have promotional packets available — just give us a call.

We hope to see many of you at the November Federation meeting. With **your** ideas and **your** help, good things can happen, as we saw with the *Promenader* Benefit Dance. Don't forget — Wednesday, Nov. 10, at 7:30 p.m., at the Brighton Town Hall.

Happy Thanksgiving to all!

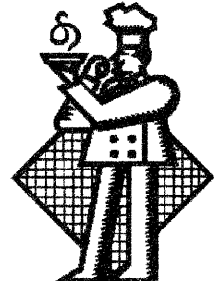

*Betty & Andy Ludwick*

## **CHEF'S CORNER...**

With the weather getting crisper, or down right colder, it seems a good time to get back to cooking in the kitchen rather than outdoors on the grill. This recipe was gleaned from the Internet's "Recipe du Jour" site. It can be made to the following recipe for those who cannot eat foods that are too spicy. It can, however, be Cajunized by adding some Cajun spices to the coating mix.

### **SOUTHERN OVEN-FRIED CATFISH**

2 egg whites  
1/4 cup malt vinegar  
1 cup crushed crispy wheat cereal squares  
1/4 cup whole dillweed  
1/4 t. seasoned salt  
2 lbs. fresh catfish fillets  
vegetable cooking spray  
lemon wedges (optional)

Combine egg whites and vinegar; stir well and set aside. Combine cereal, dillweed and seasoned salt; toss to mix. Dip fillets into egg white mixture; lightly coat with cereal mixture. Place fillets on a broiler pan lightly coated with cooking spray. Bake at 400°F for 15 minutes or until fish flakes easily when tested with a fork. Garnish with lemon wedges, if desired. *Serves 8.* Serve with vegetables of your choice.

Enjoy! **Chef** 

### **HUGS:**

It's wondrous what a hug can do. A hug can cheer you when you're blue.

A hug can say, "I love you so," Or "Gee! I hate to see you go."

A hug is, "Welcome back again!" and, "Great to see you!" or "Where've you been?"

A hug can soothe a child's pain. And bring a rainbow after rain.

The hug! There's just no doubt about it, We scarcely could survive without it.

A hug delights and warms and charms. It must be why God gave us arms.

Hugs are great for mothers and fathers, Sweet for sisters, swell for brothers.

And chances are some favorite aunts love them more than potted plants.

Kittens crave them. Puppies love them. Heads of state are not above them.

A hug can break the language barrier, And make the dullest day seem merrier.

No need to fret about the store of 'em. The more you give, The more there are of 'em.

So stretch those arms without delay, and give someone a hug today.

We really enjoyed "Cel" Potter when she visited us on Sept. 10 — thanks to all of you who joined us that night.

We are making a major change in scheduling this year. We have had to abandon our annual Harvest Dance, since we couldn't find a suitable date in November, and so are planning our Casino Night dance on Saturday, January 29. You may remember we had to cancel Casino Night last year due to a snow-storm in March, so we decided to move it up to January. Put it on your calendar now!

## Finger Lakes Squares

Finger Lakes Squares was well represented at the *Promenader* Benefit Dance on September 25. Our four couples were quickly absorbed into the 20-something squares that enjoyed the calling of the six local callers and a batch of cuers. We offer our sincere thanks to these folks who kindly volunteered their time and talents to help keep the *Promenader* going. It's nice that they seemed to be enjoying the large dance atmosphere as much as we were. The organizers and especially Andy and Betty, the *Promenader* Editors, deserve a lot of credit. They work very hard to keep the *Promenader* going, and anyone who enjoys dancing with different clubs and to different callers, as we do, would really miss it if it left the scene.

On that note, if the copy you are now reading is not your own, spend a few bucks and subscribe. It's only \$10 for the year and your subscription will help keep this key component of the area square dance scene in operation. Where else can you get the information you need to dance around with other clubs? (If you're not doing that, give it some thought.) And where else can you find the informative, entertaining, scintillating, deathless prose of these extremely talented reporters? (?!?) If none of these convinces you, consider your new subscription to be a contribution to a good cause. At a time when square dancing is suffering from a major dearth of new participants we need to do all we can to help keep the activity alive.

Off the soap box: It was great to have the Carleys back dancing with us, after Jeanne's lengthy convalescence. And of course, it's great to have Bob and Carol and friends (they took 14 couples with them—quite a caravan) back from Branson, Missouri.

Schedule note: The November 11 dance will be at the American Legion Hall, due to school closing on Veterans' Day.

## Dip 'n Twist

Here it is November already! Soon the holidays will be upon us.

**DIP 'N TWIST**

Our basic class, which started in September with the rumba and cha cha rhythms, is doing just GREAT! They are a VERY enthusiastic group.

The club dances Phase II & easier Phase III dances from 8:00 to 9:00, with a Phase III teach at 8:30. From 9:00-10:30, the level is a little higher. It's a fun level for those who have been dancing for awhile and somewhat more challenging for those who are newer to round dancing. Classics and popular new dances, along with requests, are all included on the dance program.

It is a loss to all round dancers that LaVerne Reilly passed away September 20. He and his wife Doris introduced over 1000 people to the joys of round dancing. They choreographed many dances, including the GOLDEN Classics "Hold Me" and "Third Man Theme." They were the "Ole Smoothies," and in those early years, brought elegance and grace to this wonderful activity, influencing round dancing into what it has become today. We will miss him!

Please note that there won't be dancing on the 25th, in observance of Thanksgiving. We have many things to be thankful for: friends, our families and the fellowship of dancing.

## A REMINDER...

Why not take a moment today to express your thoughts about deserving candidates.

This award is presented at Dance-O-Rama. See the October *Promenader* for more information.

## Friendship Squares of Geneva

Mike Conning of Monroeton, PA, will be our caller and Bob Slomcenski the cuer on Sunday afternoon, Nov. 7, for a special dance at the Geneva American Legion hall. I've heard very good reports about Mike and we know Bob and Nora do a great job, so the afternoon should be lots of fun. The Legion has a very nice floor and offers a tasty buffet afterward. Sign up at the door — no need to call ahead. The Legion is on Route 14 on the south edge of Geneva with lots of easy parking.

Our other dances in November will be at the West St. school on Friday the 5th and 19th. The 19th is tentatively scheduled for a used square dance clothing sale, but no details available at press time. It is also a class/club dance. If you want to bring some clothes and/or some class members, call me for information. West St. School is about 4 blocks north of Routes 5 & 20, and 5 & 20 is where the street starts, just east of Arby's a bit. Hope to see you there!

Welcome to November! We are quickly approaching the end of 1999. Are you folks Y2K ready? Well, everyone at Genesee Dancers is ready for another good month of square dancing with Mike Callahan calling.

Please join us Thursday, November 18 for our annual turkey raffle, plus we will be having a special dessert evening — special pies baked by our own members. Sounds delicious.

Just a note about the construction on Blossom Road where we all enter and depart the parking lot of the Brighton Reformed Church. At this writing Blossom Road is one way from 590 going West to Winton. Let's hope for everyone (including the homeowners in the area) that this will be completed soon. Sorry for the inconvenience — just be careful, follow the signs, and see you on Thursdays at 8 p.m.

We won't be dancing on Thursday, November 25, but look forward to seeing everyone on December 2. Genesee Dancers wishes everyone a blessed Thanksgiving.

## Lima Grand Squares

The fantastic success of the *Promenader* Benefit dance shows what can be done with the cooperation and support of the entire square dance community. Many thanks to the callers and cuers, dance committee and the *Promenader* staff!

Square dance instructions are going "full steam ahead" at the Henrietta Fire Hall. Angels are welcome and needed. Dress is casual.

Among the many things we have to be thankful for is the fun of dancing at Lima Grand Squares — to caller, Gary Bubel. This month we have just two club dances, the 4th & 18th, from 7:30 to 9:30 p.m.

Our invited guests on Nov. 18 are the Batavia Silver Stars, Country Twirlers and the Silver Squares. Join us for a fun time!

November 25 is a night off to celebrate Thanksgiving by giving thanks with our families.

We are located at College St., off 15A North.

## Silver Squares

We hope everyone is now back in the swing of things and enjoying dancing. For November we have invited BELLES N BEAUS and GENESEE DANCERS as our guests on Monday, November 8.

November 22 will be our celebration of Thanksgiving with the usual activities, so please join us for a fun afternoon. The Christmas party is scheduled for December 6 with more details to come later, so mark the date on your calendar.

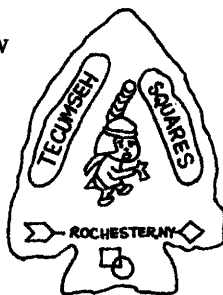

We send our condolences to Bill Schaefer on the loss of his wife. Bill has been a long-time member of Silver Squares.

Silver Squares welcomes couples and singles. Come and join us for an afternoon of dancing.

## Tecumseh Squares

We are finally dancing at our new home, the Red Men's Club located at 496 Long Pond Road near the corner of Janes Road. Our forty years of wandering through the desert have ended. The new hall is air conditioned and there is ample available parking.

In the past few months, attendance at our scheduled special dances as well as the regular dances has suffered greatly, most probably due to the uncertainty of meeting locations and the many scheduled vacations. We are now back on track. We need the cooperation of all members to come to the dances so that we get our attendance back up to where we were prior to our going through the period of great disruption. Remember that the more people we have dancing, the more fun we have as individuals and as a group.

## Victor Swing-A-Longs

Congratulations to "The Promenader" for a very successful dance. All the Swing A Longs who attended had a wonderful time.

We are back into the Swing of weekly dancing and enjoying our new location, The Primary School Cafeteria. It's on the same High Street campus as our other locations have been, but, we think, a little easier to spot. Of course, our signs are always there to guide.

We are holding a couple of other club banners, and are looking forward to their coming to retrieve them. WE will, of course, be out stealing other banners. See you all on the dance floors!

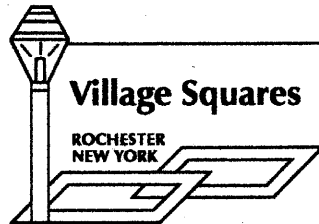

Happy Thanksgiving to one and all,

## Village Squares

The season got off to a great start with September's Trail Back Pot Luck Supper. The Village Squares kitchen magicians brought out a delicious variety of dishes. Afterward we all brushed the summer rust off our squares and rounds and caught up on the one another's summer travels and activities.

It's back by popular demand! The Village Squares BARN DANCE is slated for Wednesday, November 17. We're planning a country hoedown that will reverberate throughout the rafters of our hayloft at East Rochester's First Presbyterian Church. The incomparable Jerry Carmen will be alternating Eastern and Western style square dances, circle dances and country line dances. Perhaps even a polka or a schottische. You can also stow those stuffy square dance duds for this evening. The dress code is strictly country casual.

Be sure to bring your appetites as well as your smiles. In addition to our usual sumptuous array of goodies, the Village Square's pantry chefs will be vying to see who can turn out pies with the flakiest crusts and the most delectable fillings.

We invite you to round up your favorite partner, hitch up the wagon (or van) and canter on out to East Rochester at 8:00 on Wednesday, November 17. We guarantee you will dance off a bushel of calories and have a barrel of fun.

# YOU

You may not think that the world needs you, but it does. For, you are unique, like no one that has every been before or will come after. No one can speak with your voice, say your piece, smile your smile or shine your light. No one can take your place, for it is yours alone to fill. If you are not there to shine your light, who knows how many travelers will lose their way as they try to pass by your empty place in the darkness.

## Wayne Westerners

November! Turkey, hunting, leaf raking and DANCING — with the Wayne Westerners! What a GREAT idea! Dance dates are Fri., Nov. 5 and Fri., Nov. 19. Nov. 19 is our annual Mitten dance. You wear a pair and donate a pair for charity. We've made several donations to our local center and are warmly received. Thanks to all who attended our Apple Harvest Dance — your presence is always appreciated. Watch for our Christmas Party flier — all are welcome.

See you at our dances!

## Angeling

Webster's dictionary describes ANGEL as a guiding spirit or influence.

When we are angeling we must help the instructor to teach the correct way to execute a call. Doing swings when asked to Dosado does not demonstrate to the class the correct way to square dance. After they complete the course they can add all the frills or bad habits they want to their dancing.

### WHAT CAN YOU DO?

When you angel, help make the new couple feel welcome. Focus on making a new friend. Accept them socially into the club.

Promote camaraderie. Get them involved and praise them no matter what.

Remind them of the benefits of square dancing and fun yet to be experienced.

If the new dancers are not mixing socially focus on them and make them feel welcome and part of the group.

Look for the dancer that looks unhappy and perhaps doesn't really want to be there. Make a friend, focus on that individual, get the person talking and participating.
