Presidents' Corner...

As this will be my first Presidents' Corner letter for 2013, I will say, Happy New Year, to you all. I hope your holidays were filled with laughter and fun. Hopefully we all made some wonderful memories with the time we had available.

I would like to take this time to thank everyone who has participated with club level, or Federation level leadership. It is wonderful to see some of our newer dancers starting to take their place with assisting, and supporting current and newer dancers. I have even noticed some newer dancers participating as Federation Representatives for their club. This is what we hope to see! The circle of beginning, enjoying, then encouraging others in their pursuit of dancing enjoyment. Thank you all for your participation.

As we have noticed, we are all having to be creative when it comes to growing our clubs. We are grateful for each club that holds classes, and class level dances. Without new dancers, clubs cannot increase their numbers, in fact, we see that club numbers decrease, as we have dancers unable to continue dancing for various reasons. As I consider the current class members, I think ahead to May, and the Dance O Rama, which we all know is our celebration, or graduation ceremony, for this year's class members. The DOR will be held on Saturday May 4, 2013. This will be an eight-hour dance party! We will have two halls for dancing, with a variety of dancing happening through out the day. This year, we will also be having a Pig Roast Dinner, cooked on site, with tickets available at the door (no advance sales this year). I would like to ask you all to make every effort to attend this wonderful event. You can have a great day of dancing, and show your support for our newest dancers at the same time! I think most of us remember what it was like to finish classes, then try to enter the "big dancing world." These new dancers are the people that will keep dancing going, for today, and maybe for many years to come. Let's show them what a family we are, and how supportive we can be! Even if your club doesn't have anyone graduating, come and support those that are. They ARE what will keep our clubs alive!

Enjoy your early spring (that is a faith statement!) dancing, and don't forget about the Federation's Promotion to keep you dancing at all clubs through the season! You have until the end of March to fill your "dance card" and possibly win a cash prize! (your Federation Reps have the information for you). ★★Please notice that our March Federation meeting date has changed to: Wednesday March 20, 2013.★★

Terry and Joe Pratt, Federation Co-Presidents

Roving Reporters ... So, Who's the Oldest, Who's the Newest?

OK, so Ted and Ruth Phillips are NOT the oldest, Irma and I come much closer to that!

Let me rephrase: Who is the Rochester Area Federation couple that has been dancing, continuously, for more years than any other Rochester Area couple??? There you have it: they are the pair on the right in the picture: **Ted & Ruth Phillips**. I have known this since I worked with Wanda Callahan to put together Mike's Golden Anniversary of Square Dance Calling...and with Mike just turning 66, you know he started as a very young man! Like Ted and Ruth were when they danced with and to Mike at the same time. That would be with the Teen Twirlers — a very dedicated group of dancers that traveled all over the country putting on demos that would put our current ones to shame...at least in terms of energy burned and jaws that dropped in wonder!

We dance with Ted & Ruth every week at Mike's Shamrock Squares; however, when they showed up at the Copy Cats' first class/club dance, and Ted introduced us to his cousin, Chuck Fyles, and Chuck's wife, Laurie, new dancers from Mike's class at the Cloverleaves, I thought: wow, this is a momentous occasion! And before the night was over, I had them all in front of the camera for you to share.

Ted cautioned me when Laurie ended up as my corner; hey, careful there Halstead, she's a cop! Maybe he said, "was" instead of "is"; I can't remember, but I do remember melting when she cracked a little smile.

L. to r.: Chuck, Laurie, Mike, Ruth, Ted

You have to meet these people and find out more...and the way you do that is by getting out these cold winter nights, of January through March, and fill your little orange books with signatures...and make off with one of those big prizes. Hey, we all win. I have never gone to a dance without feeling richer for having made new friends, or just rekindling old ones.

Look forward to seeing you in late March when we get back from Myrtle Beach. Cheers!

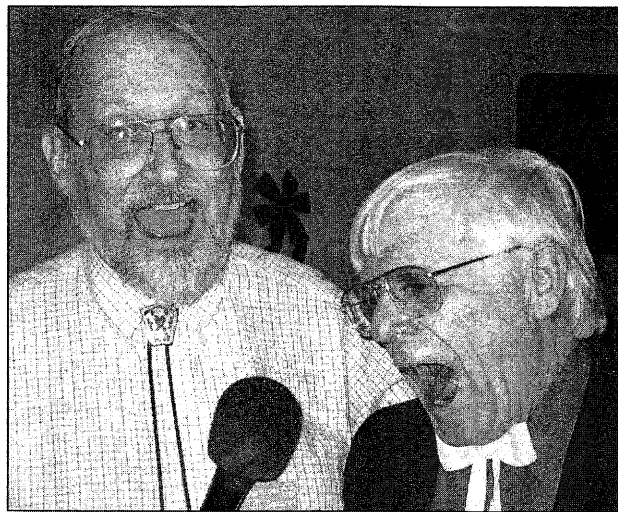

Roving Reporters Dick and Irma Halstead
dickhalstead@gmail.com

Meet Gil Porter, Jerry Carmen Has!

If you dance around in the Rochester area very much, you have probably already seen Gil Porter; even squared up with him. If you danced anywhere in New England between 1965 and 1987, you have probably already danced to him. During that hottest of all times for dancing, he was one of the many from that area that could really lay it on, and smooth too!

Don't know what happened then, but life took a different direction for Gil, and he quit calling; "Cold Turkey"!

Then he moved to the Rochester area, and whether it was the many dancing opportunities we have here or what, we start seeing him everywhere: Copy Cats, Cloverleaves, Village

Squares...probably others we missed, but then even at Mike Callahan's A-Club, the Shamrock Squares! This guy is for real; squares, any level, and rounds too, as many solo ladies have discovered, and right on the beat there too. Barb Green, one of my very favorite people (and an excellent round dancer, as I can personally attest), will, I am certain, now confirm that too.

I took these pictures at the Village Squares Christmas Party, and asked Jerry if he could provide me a "Photo Op," and being Jerry, you see what happened.

Welcome to the area Gil, and I understand you are now listed in the *Promenader* as an Area Caller. You certainly belong on the list.

Thanks for talking to us too.

Roving Reporters
Dick & Irma Halstead

NOW is not too early (and not yet too late) to think about your choice of a candidate for **this year's** Daphne Norma Award! If you don't take the time to nominate them, they could miss out. Deadline is Feb. 28, 2013.

The Daphne Norma Leadership Award is the way that our dancing community recognizes a couple or individual dancer who has demonstrated leadership for an extended period of time, furthering the cause of square and round dancing.

Leadership styles vary greatly as each person is different. But going that extra mile for the sake of other dancers, and of dancing itself, is something we want to recognize. If you know someone whom you feel stands out in their continuing service to square dancing and to others, please help us to celebrate and take note of them.

A person or persons who are service-minded on a club level often become service-minded on a federation and sometimes even a national level, and are also those who serve their community in general. So please tell us what you know about your nominee's participation in all activities.

Now is a great time to act. Tell us who you think deserves this award.

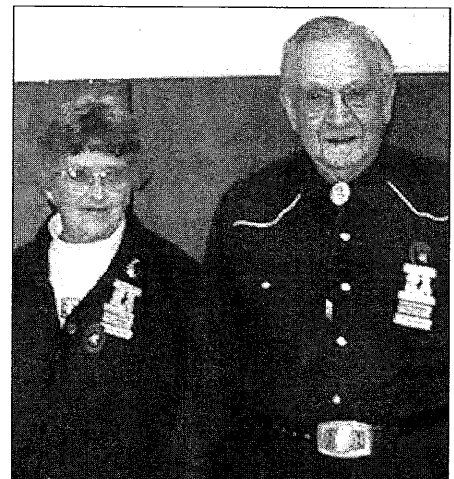

Send your note to our 2012 recipients: Chuck & Sharon Meyer, 5943 King Hill Drive, Farmington, NY 14425; or email them at: smeyer1355@yahoo.com.

Daphne M. Fink

If you ever met Daphne, the first things you noticed were her bright blue eyes, twinkling with a bit of mischief and fun, and her saucy Aussie accent. Sadly, Daphne passed away on December 18, 2012 at the age of 91. She was the inspiration for the Daphne-Norma Leadership Award, for her dedication to the square dance community.

Daphne and John Fink discovered square dancing in 1980, and fell in love with it. They started out as members of Boots & Slippers, under the guidance of Jerry Carmen, eventually serving twice as club presidents. They also danced Rounds with Howie DeGrave. Over the years they danced two or three times each week, and were proud to have danced with every club in the area at least once. In addition, they danced to many of the national callers that came to Rochester, and danced in Daphne's native Australia with a club in Buderim, Queensland.

John printed the *Promenader* for 30 years. Together, they served as presidents of the Rochester Area Federation of Western Round and Square Dance Clubs, and were chairmen of Dance-O-Rama twice. They worked on the annual Muscular Dystrophy Association dance for 10 years and actively participated in Fling Weekend in Niagara Falls. Daphne & John danced for 28 years, until

Boots & Slippers folded due to decreasing membership.

Daphne had many close friends in the square dance community. She is survived by her loving husband, John, five children, seven grandchildren and four great-grandchildren; she was predeceased by 1 grandson.

Special thanks to Daphne & John's daughter, Valerie Andolina, for preparing this information.

Daphne's legacy lives on in the Daphne Norma Award, established in 1977 by John Fink and Frank Salvagio in honor of their wives, Daphne and Norma. It is presented each year at Dance-O-Rama to show appreciation for leadership in our dance community.

Bill was born and raised in the Baltimore, Maryland area. His interest in Square and Round dancing began at the age of 7. After dancing for a number of years, Bill's interest became more apparent that he would some day like a try at calling. In 1970 he began to start calling and then attended a summer caller's school conducted by Mac Parker, this beginning a career in calling. Attending many seminars

and colleges, to name a few, Earl Johnston and Al Brundage in New Hampshire, Mac Parker's caller school, and Cal Goldens in Arkansas, for which Bill received a scholarship to attend.

Born in Niagara Falls, NY, introduced to square dancing by her cousin in 1982 with Art & Vera Harris. Mary & Dick saw the dancers doing rounds and were hooked. They started round dancing in 1984 with leaders Vern and Doris Reilly. In 1994 When Verne & Doris Reilly gave up the club due to health issues we promised to keep round dancing going in the Buffalo area. In 1995 Mary started cueing, while Dick taught the dance classes. Belles 'N' Beaus

People have been heading South for warmer weather, but we are heating up the grill on Monday night the 4th of February for the first picnic of the year! Yes, you read that right. Come at 6:00 and you will be able to smell the hot dogs cooking on the grill and inside the picnic food will be out on the tables, so just let us know if you're coming and we'll put some hot dogs on for you too. Think potato salad, macaroni salad, hot dogs and all those picnic foods that you love so come and join in the fun. Oh yes, we will be dancing to some warm weather tunes.

On the 11th of February we will have our Valentine's Ball with chocolate dessert's galore and special music to dance to. We're planning a little something special this year for our dance and what would a Ball be without royalty so you will get to vote for King and Queen of the Ball who will then receive a little something special. Who knows this may be your chance to wear a crown! Come, vote and enjoy the night!

It will be "the wearin' of the green" on the 18th of March so look for your green shirt and join us. It remains to be seen if Mike's leprechaun will be there, but I'm betting he

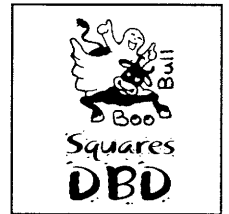

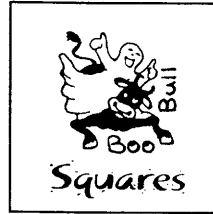

will and the Irish music will have all of our toes tapping and feet dancing.. Of course green snacks will be the order of the night so hope you enjoy!

We will not dance on Thursday, March 28. Good Friday will be March 29, and Easter on Sunday, March 31.

Remember our annual steak roast dinner dance will be Saturday, May 25, 2013, with the Hip Boot Boys calling and cueing. dinner at 6 p.m. and dancing from 7:30 until 10 p.m.

Dalton Gang

Hello, and Happy New Year to all of our dancing friends! We here in Dalton have had busy winter season. We enjoyed a holiday party that included our unique gift exchange (one of the blessings of a small club!). We then had a short break over the holidays. Now we are ready to start a new year!

In March, we hope we can entice many dancers to come down and join us for pancake dinner, then give you a chance to dance it off with the Dalton Gang! We will meet at The Maple Tree Inn in Angelica, (www.cartwrightsmple-treeinn.com) Tuesday, March 26, at 5:30 p.m. Once we have had our fill of their special pancakes, we will head to the Keshequa Elementary school and dance them off! This will be our third year for this event, and each year we have had more people participate than the year before. I hope this year will bring even more people down!

On Saturday, April 27, The Dalton Gang will team up with the Cloverleaf Squares, for a big dance at the Washington Irving School. We will be having a very special caller, Brad Deibert from Pennsylvania, calling and cueing for us. We will have rounds starting at 7 p.m., with Squares starting at 7:30 p.m. Brad is very entertaining on the floor, or from

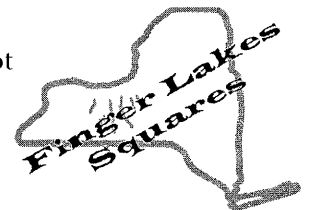

Finger Lakes Squares

Schedule note: If you have not been attending regularly, or would like to attend a dance as a guest, please call before 3:00 p.m. to con-firm that we are dancing.

If you are in the neighborhood, we would love to have you join us Mondays from 3:30-5:30 at the Trinity Church, 520 S Main St., Geneva, NY. Main Street is Rt 14 — easy to get to. From the thruway or the south, just stay on Rt 14. From 5 & 20, look for the Rt 14 sign. After you circle to Main Street, turn left and you are almost there — the first church on your left. Silver Squares

Our Christmas dance on December 10 was well attended. The hall was gaily decorated; the refreshments were delicious; the calling of Mike Callahan was never better; and, just when you thought it couldn't possibly get any better, 26 members and guests sat down to a catered turkey dinner. It was a great way to celebrate.

But now with the holidays behind us, there's only one thing left to say, "Let's get back to dancing!" Weather permitting, we will dance every Monday in February and March from 1-3 p.m. at the Greece Methodist Church. (Note: In the event Greece Schools are closed due to inclement weather, our dance will be cancelled.)

We welcome guests at any of our dances and that includes any and all class members. It's an excellent opportunity for class members to get some extra practice at the class level and to dance to different callers. As always, solo dancers are welcome. At Silver Squares, changing partners is practiced and no one sits out!

We're planning some special dances during February and March.

On February 11, wear your red and come celebrate Valentine's Day to the calling and cuing of Mike Herne. We can't promise you'll find love, but we can promise you'll have fun!

February 18 is Presidents' Day at Silver Squares. Admission to this dance will be free for any club president or their appointed representative. (A note to presidents: don't come alone, bring a square of members with you.) Jerry Carmen will be calling and cueing this dance.

March 11 is the day we'll be wearing green and looking for those wee leprechauns at our St. Patrick's Day dance. Maybe you'll find a pot of gold. Our own Mike Callahan will be back from his travels to call and cue this dance.

Come join in the fun. Here's hoping we'll see you across the square!

Southern Tier Wheelers

As I write this we are turning another milestone into 2013. The S.T.W. also had a good year, finishing it off with two finales, our Halloween weekend in October with the kids trick or treat parade and the spooky costume party at night. It was a great camping finish. The other finisher was our fine Christmas party at the Tyrone fire hall with calling/cueing by Gary & Alice and the usual wonderful meal by Dottie. It could not have finished on a finer note.

What? You missed all the fun? Well, we're going to do it again in 2013. There will be six great camping weekends, which include plenty of dancing, a morning breakfast, either a pot luck dinner or a dinner put on by the campground. Mix in a ton of fun and frolic and what do you have, but a Southern Tier Wheelers weekend!

Be sure to check for our upcoming weekends in the monthly dance schedules, starting with the next issue.

Don't forget to get your Gone Dancing booklets signed when you dance — right up till the end of March!

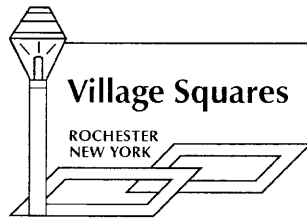

Village Squares

In February and March we are dancing every Wednesday, except Ash Wednesday, Feb. 13. In addition, we are dancing two Fridays and one Saturday.

On Saturday, March 23, Village Squares and Country Twirlers are reprising last year's very successful joint Eastern and Western Square Dance, featuring Jerry Carmen and Dave Jacobs. This year's band is Rawhide. With your enthusiastic support, LIVE MUSIC at canned music prices (\$10 per couple, \$5 single) can become a perennial staple of the dance year. The dance will be at the Washington Irving School, starting at 7:30 p.m. Turn to our ad in this issue. Eastern tips will be walked thru first. Western tips at class/club level.

That explains Saturday. So, what about the Friday dances? If your inclination is to dance until the church doors are locked, but your inner voice keeps remembering that your alarm is set for too early a.m., you are a prime candidate for Friday night square dancing. Intuition says Friday nights are least likely to conflict to other commitments, but we have a hard-nosed board. Intuition isn't data. To that end, we shifted our Antifreeze dance in January to a Friday and we are offering Friday night dances on February 15 and March 8. These dances start at 7:30 p.m. Jerry Carmen will be calling squares at the plus level and cueing rounds. If interest warrants, we'll schedule more Friday dances. Turn to our Friday Night Dancing ad

in this issue.

Our tried and true Wednesday dances begin at 8:00 p.m. Each dance is preceded by an optional plus workshop beginning at 7:00 p.m. One donation covers both the workshop and the dance. Dress up or dress down, your choice of attire. The Feb. 27 dance will have a nostalgia theme. If you have a badge or a dangle from a club you once belonged to or maybe an "I Like Ike" pin, dust it off and wear it. Or choose an entire outfit from a decade of your choice.

Shamrock Squares Celebrate a Banner Year

We always have a Christmas Party, and although for regular dances we usually dress casual, Wanda always asks that we wear "appropriate attire" for this one; it's special; and thus an opportune time to catch everyone photographically in their finery. So, with the tables taken down, the eating and toasting (apple juice) behind us, and all the other formalities accomplished, like presenting Mike & Wanda Callahan with our "Thank You Gift," I posed the group for a photo. The Callahans are front row center, together with Eileen Okolowicz, whom we recognize for her great cueing at this special event. As an "A" Club, we dance by-the-numbers, and do not normally do rounds; however, celebrating the Christ Child's birth, and our love for each other, this just seemed right. And, most of us are round dancers too.

Then, to the right of Mike, Wanda, and Eileen, we wanted to thank and to recognize the great value that Sid and Toni Marshall have added in providing an opportunity for our ever-growing community of seasoned Plus Dancers to move

up to the Advanced level.

We are minus many who have already left for warmer climes, but are still a fun group...and anyone who thinks "A" dancers never smile, well let me tell you; that is not the case here. If you don't smile, Wanda throws you out!

Just kidding of course, but why not corner Sid or Mike sometime, and find out how you can see for yourself! Love to have you...and you now have almost a whole new year left to work on it. Heck, there aren't that many new calls to learn, and we are a fun group. Please understand also: this is NOT instead of your own club, just "in addition to!"

Happiness Is Right Around Your Corner.

Proudly Presents

Caller / Cuer

Brad Deibert

I started square dancing in 1975 at age 12. We had just moved to Laramie, Wyoming the summer of '75 and got started square dancing right away. My parents had danced a year before that (in Colorado) and didn't really like it. They gave it another shot when coming to Laramie and met the nicest people. At the time they had a kids club and I and my 4 siblings were invited to come learn to dance. The kids club was very active and we went dancing all over the state and into Colorado. Some of my best friends in the world are from that group of kids!

I first called a singing call in the spring of 1976 at an amateur callers night. My brother who is 4 years older than me (Brian) got very interested in calling and could pursue it more. I was "too young" ... He started getting bookings and asked me to learn to cue to go with him. So, I truly started cueing (for hire) first. And on those dances, we usually shared a tip. While he took it seriously, I didn't think I was very good, but was in it for the fun.

While in college, I started calling a monthly dance with the guy who taught me to dance (Don Hanson). That dance was not just squares, but rounds, lines, hoedown, etc. This gig lasted from about '82 until we moved to Aurora, CO in '90. Before moving to CO I also called a dance or two with Brian and some guest calling spots in Casper. My first "big" dance was in Casper where I called and cued. I remember we had a great turnout and I got a \$100 and used the money to put a drop ceiling in my boys bedroom. Lenore and I also cued and taught round dancing for two years in Laramie before moving to Colorado.

Step Back in Time in Historic Guthrie

Guthrie was founded on the day of the historic land run in 1889. It was the

territorial capital and had visions of becoming the State Capital of the new state of Oklahoma. An election in 1910 stole that vision and moved the state seal to Oklahoma City. The site of the original capital is now the site of one of the largest Scottish Rite Temples in the US with beautiful stained glass windows throughout. The downtown area boasts over 100 buildings that are on the National Register, and you will have time to browse in the unique shops before lunch.

Wednesday June 26, 9am-3pm

National Weather Center And Sam Noble Museum

Begin the day with a guided tour of the National Weather Center and Storm Prediction Center. After lunch on your own, visit the Sam Noble Museum of Natural History. The Dinosaur exhibit is outstanding!

From Stockyard City, where more cattle go through the gates of the National OK Stockyard than any other, to the state capitol with it's new dome crowned by the native American "Guardian", Oklahoma City stands ready to welcome guests.
